## ABOUT DYNAMIC METALS

---

Dynamic Metals is the successful spin-off from Jindalee Resources Limited (ASX:JRL) and raised its maximum subscription of \$7M in its IPO in December 2022. Dynamic is progressing exploration across portfolio of projects in the critical minerals space in Western Australia. The flagship project, Widgiemooltha, covers an extensive area of approximately 880km<sup>2</sup> extending between Norseman and Kambalda. The region is well known for its numerous nickel and gold mines, but more recently has emerged in significance for its lithium mineralisation and prospectivity.
