

ASX RELEASE: 2 March 2023

Cleansing Notice

On 23 February 2023, Metalicity Limited (“**Metalicity**” or “the **Company**”) issued 12,500,000 fully paid ordinary shares as part of its acquisition of the Georgetown Project.

Under the terms of the agreement, Metalicity is acquiring a 100% interest in EPM 28121 for an initial consideration of 12,500,000 in Metalicity Shares, subject to 3 months voluntary escrow.

The Company relies on section 708A of the Corporations Act 2001 (Cth) (the Act) in relation to the Issue.

In accordance with section 708A(5)(e) of the Act the following information is provided:

1. This notice is being given within five (5) business days after the day of Issue;
2. The Issue was made without disclosure to investors under Part 6D.2 of the Act;
3. This notice is given under section 708A(5)(e) of the Act;
4. As at the date of this notice, the Company has complied with the provisions of Chapter 2M of the Act as they apply to the Company and section 674 of the Act; and
5. As at the date of this notice, there is no excluded information to be provided in accordance with section 708A(6)(e) of the Act.

Please refer to the release of the Appendix 2A associated with this release on 23 February 2023 for further details.

This Announcement is approved by the Board of Metalicity Limited.

Forward Looking Statements

This announcement may contain certain “forward-looking statements” which may not have been based solely on historical facts, but rather may be based on the Company’s current expectations about future events and results. Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have reasonable basis. However, forward-looking statements:

(a) are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Company, are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies;

(b) involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward-looking statements. Such risks include, without limitation, resource risk, metals price volatility, currency fluctuations, increased production costs and variances in ore grade or recovery rates from those assumed in mining plans, as well as political and operational risks in the countries and states in which the Company operates or supplies or sells product to, and governmental regulation and judicial outcomes; and

(c) may include, among other things, statements regarding estimates and assumptions in respect of prices, costs, results and capital expenditure, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions.

The words “believe”, “expect”, “anticipate”, “indicate”, “contemplate”, “target”, “plan”, “intends”, “continue”, “budget”, “estimate”, “may”, “will”, “schedule” and similar expressions identify forward-looking statements.

All forward-looking statements contained in this presentation are qualified by the foregoing cautionary statements. Recipients are cautioned that forward-looking statements are not guarantees of future performance and accordingly recipients are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty therein.

The Company disclaims any intent or obligation to publicly update any forward-looking statements, whether as a result of new information, future events or results or otherwise.
