EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – APPROVAL TO ISSUE LABRADOR CONSIDERATION SHARES

1.1 General

As announced on 4 January 2023, the Company has entered into a binding term sheet with Labrador Iron Pty Ltd (**Labrador**) and its shareholders (**Labrador Shareholders**) to acquire 100% of the issued capital of Labrador, which holds the Block 103 Magnetite Iron Ore Project, located 30km northwest of the mining town of Schefferville, Quebec, Canada (**Acquisition**).

In consideration for the acquisition of Labrador, the Company has agreed to issue, subject to Shareholder approval, 2,160,000,000 Shares (**Labrador Consideration Shares**), to be apportioned between the Labrador Shareholders pro rata according to their ownership interest in Labrador.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Labrador Consideration Shares falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

1.2 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Labrador Consideration Shares which is expected to facilitate completion of the Acquisition. In addition, the issue of the Labrador Consideration Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 1 is not passed, the Company will not be able to proceed with the issue of the Labrador Consideration Shares and the Company would therefore be unable to complete the Acquisition.

Resolution 1 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Labrador Consideration Shares.

1.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 1:

- (a) the Labrador Consideration Shares will be issued to Labrador Shareholders (or their nominees);
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company,

advisers of the Company or an associate of any of these parties;
and

- (ii) other than those Labrador Shareholders outlined in Schedule 4, issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Labrador Consideration Shares to be issued is 2,160,000,000. The Labrador Consideration Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Labrador Consideration Shares will occur on the same date;
- (e) the Labrador Consideration Shares will be issued for nil cash consideration but are issued at a deemed issue price of \$0.0025 per Share;
- (f) the purpose of the issue of the Labrador Consideration Shares is to satisfy the Company's obligations under the binding term sheet and to facilitate completion of the Acquisition;
- (g) the Labrador Consideration Shares are being issued to Labrador Shareholders pursuant to a binding term sheet, the material terms of which are set out in Schedule 1; and
- (h) the Labrador Consideration Shares are not being issued under, or to fund, a reverse takeover.

2. RESOLUTIONS 2 AND 3 – RATIFICATION OF PRIOR ISSUES OF SHARES – LISTING RULE 7.1

2.1 General

On 19 January 2023, the Company announced that it had received firm commitments from institutional and sophisticated investors to raise \$1,350,000 (before expenses) through a placement of Shares at an issue price of \$0.0025 per Share (**Placement**).

The Placement comprised the issue of the following Shares:

- (a) 540,000,000 Shares at an issue price of \$0.0025 per Share to raise \$1.35 million (**Placement Shares**) (**Placement**); and
- (b) 25,000,000 Shares at a deemed issue price of \$0.0025 per Share to Barclay Wells Limited (**Lead Manager**) (**Lead Manager Shares**), who managed the issuance of the Placement Shares.

The Placement Shares were issued in two tranches:

- (a) 60,000,000 Placement Shares were issued on 27 January 2023; and
- (b) 412,800,000 Placement Shares were issued on 22 February 2023; and
- (c) the balance of the Placement Shares (comprising 67,200,000 Placement Shares) were issued on 1 March 2023.

The Company also paid the Lead Manager a capital raising fee of 6% of the total amount raised under the Placement and has agreed to pay a retainer of \$5,000 per month (excluding GST) for 12 months commencing from 1 March 2023.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 30 November 2022.

The issue of the Placement Shares and Lead Manager Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, those issues effectively use up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares and Lead Manager Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares and Lead Manager Shares.

2.2 Resolution 2 – Placement Shares

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

2.3 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 2 is not passed, the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

2.4 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 2:

- (a) the Placement Shares were issued to professional and sophisticated investors who are clients of the Lead Manager (**Placement Participants**). The Placement Participants were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) an aggregate of 540,000,000 Placement Shares were issued as follows:
 - (i) 60,000,000 Placement Shares were issued on 27 January 2023; and
 - (ii) 412,800,000 Placement Shares were issued on 22 February 2023; and
 - (iii) the balance of the Placement Shares (comprising 67,200,000 Placement Shares) were issued on 1 March 2023.
- (d) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the issue price was \$0.0025 per Placement Share. The Company has not and will not receive any other consideration for the issue of the Placement Shares;
- (f) the purpose of the issue of the Placement Shares was to raise not less than \$1 million, which will be applied towards initial work on the Block 103 Magnetite Iron Ore Project, costs of the Labrador Transaction and general working capital; and
- (g) completion of the Placement is a condition precedent to the Labrador Transaction, which was agreed pursuant to a binding term sheet, the material terms of which are set out in Schedule 1.

2.5 Resolution 3 – Lead Manager Shares

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Lead Manager Shares.

2.6 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Lead Manager Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Lead Manager Shares.

If Resolution 3 is not passed, the Lead Manager Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Lead Manager Shares.

2.7 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) the Lead Manager Shares were issued to Barclay Wells Limited (or its nominees);
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 25,000,000 Lead Manager Shares were issued and the Lead Manager Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Lead Manager Shares were issued on 1 March 2023;
- (e) the issue price was nil per Lead Manager Share. The deemed issue price was \$0.0025 per Lead Manager Share. In addition to the Lead Manager Shares, the Lead Manager has received the fees set out in Section 2.1 above;
- (f) the purpose of the issue of the Lead Manager Shares was to satisfy the Company's obligations under the mandate letter with the Lead Manager;
- (g) completion of the Placement is a condition precedent to the Labrador Transaction, which was agreed pursuant to a binding term sheet, the material terms of which are set out in Schedule 1; and
- (h) the Lead Manager Shares were issued under the mandate letter with the Lead Manager, pursuant to which the Lead Manager agreed to lead manage the Placement in consideration for the fees set out in Section 2.1.

3. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF STONEFIELD SHARES AND OPTIONS – LISTING RULE 7.1

3.1 General

As announced on 28 December 2022, the Company has entered into an agreement to with Stonefield Development Pty Ltd (**Stonefield**) to acquire tenement P47/1812, which forms part of the Company's Nickol River Gold Project, located 10km east of Karratha in the West Pilbara of Western Australia (**Tenement Acquisition**).

In consideration for the Tenement Acquisition, the Company issued 60,000,000 Shares (**Stonefield Shares**) and 30,000,000 unlisted options to acquire Shares exercisable at \$0.003 on or before the date that is 2 years from issue (**Stonefield Options**) (together, **Stonefield Securities**).

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 30 November 2022.

The issue of the Stonefield Securities does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Stonefield Securities.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Stonefield Securities.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Stonefield Securities will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Stonefield Securities.

If Resolution 4 is not passed, the Stonefield Securities will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without

Shareholder approval over the 12 month period following the date of issue of the Stonefield Securities. Resolution 4 seeks Shareholder approval for the purposes of Listing Rule 7.4 for the ratification of the prior issue of the Stonefield Securities.

3.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Stonefield Securities were issued to Stonefield Developments Pty Ltd (or its nominee);
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 60,000,000 Shares were issued and the Shares issued were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) 30,000,000 Options were issued on the terms and conditions set out in Schedule 2;
- (e) the Stonefield Securities were issued on 22 February 2023;
- (f) the Stonefield Options were issued at a nil issue price, and the Stonefield Shares were issued at a deemed issue price of \$0.002 per Share, in consideration for the Tenement Acquisition;
- (g) the Stonefield Securities were issued to Stonefield pursuant to the binding term sheet entered into to give effect to the Tenement Acquisition, the material terms of which are set out in Schedule 3.

5. An entity controlled by Director, Mr Sage.

7. An entity controlled by Director, Mr Scott.
8. Outstanding non-executive director fees owed for the 5-month period between August 2022 and December 2022.

The issue of the Fee Shares to the Related Parties (or their respective nominees) is subject to Shareholder approval being obtained at this Meeting, pursuant to Resolutions 5 to 8.

4.2 Director recommendation

Mr Terence Donnelly does not have a material personal interest in the outcome of Resolutions 5 to 8 due to the fact that he has no relevant interest in the Fee Shares and it is not proposed that he will be issued any Fee Shares. Consequently, Mr Donnelly is the only uninterested Director. Despite Mr Donnelly being an uninterested director, as a result of his position on the Board as Chairman, Mr Donnelly does not believe that it is appropriate to make a recommendation and will abstain from voting on Resolutions 5 to 8.

Each Director (other than Mr Donnelly) has a material personal interest in the outcome of Resolutions 5 to 8 on the basis that they will each received Fee Shares in the proportions listed in Section 4.1 in lieu of directors' fees owing (**Interested Directors**). For this reason, the Interested Directors do not believe that it is appropriate to make a recommendation on Resolutions 5 to 8 of this Notice.

4.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Fee Shares to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Fee Shares are proposed to be issued to four out of five of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Fee Shares. Accordingly, Shareholder approval for the issue of Fee Shares to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

4.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3;
or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Fee Shares to the Related Parties falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 5 to 8 seek the required Shareholder approval for the issue of the Shares under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11.

4.5 Technical information required by Listing Rule 14.1A

If Resolutions 5 to 8 are passed, the Company will be able to proceed with the issue of the Fee Shares to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Fee Shares (because approval is being obtained under Listing Rule 10.11), the issue of the Fee Shares will not use up any of the Company's 15% annual placement capacity.

If Resolutions 5 to 8 are not passed, the Company will not be able to proceed with the issue of the Fee Shares and the Company will be required to consider other mechanisms to properly remunerate the Related Parties, including the payment of the relevant director's fees in cash, which may not be as cost effective for the Company.

4.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.13 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 5 to 8:

- (a) a maximum of 161,111,096 Fee Shares will be issued to the Related Parties (or their respective nominees) as follows:
 - (i) 16,666,667 Fee Shares to Chemfert International Pty Ltd, an entity controlled by Director, Mr Ross (Resolution 5);

 - (iv) 16,666,667 Fee Shares to Wyn Contracting Pty Ltd, an entity controlled by Director, Mr Scott (Resolution 8),each Related Party falls within the category set out in Listing Rule 10.11.4 by virtue being entities associated with a Director,
- (b) the issue price of the Fee Shares will be nil as the Fee Shares are being issued at a deemed issue price of \$0.0015 per Fee Share in lieu of outstanding directors' fees totalling \$241,667 accrued and owing to the Related Parties for the period between August 2022 and December 2022; comprising:

 - (iii) outstanding directors' fees accrued and payable totalling \$166,667 to Mr Sage (Resolution 7); and
 - (iv) outstanding directors' fees accrued and payable totalling \$25,000 to Mr Scott (Resolution 8),
- (c) the deemed issue price per Fee Share was determined based upon a 25% discount to the last closing price of Shares on the ASX immediately prior to the announcement on 7 December 2022 (being \$0.002 per Share);
- (d) the Company will not receive any other consideration in respect of the issue of the Fee Shares. However, the issue of the Fee Shares will result in the Company converting debt owing to the Related Parties to equity;

- (e) the purpose of the issue of the Fee Shares is to preserve the cash reserves of the Company and convert debt accrued and owing to the Related Parties (being, the outstanding directors' fees for the period between August 2022 and December 2022) to equity. Further information regarding the nature of the financial benefit conferred on the Related Parties by the issue of the Fee Shares is set out in Section 4.1;
- (f) the Fee Shares proposed to be issued will be fully paid ordinary shares in the capital of the Company, ranking equally in all respects with existing shares on issue;
- (g) the Fee Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Fee Shares will occur on the same date;
- (h) the current relevant interests of the Related Parties and their total remuneration package for the previous financial year and the current financial year are set out below:

This will increase the number of Shares on issue from 6,176,736,982 (being the total number of Shares on issue as at the date of this Notice) to 6,337,848,078 (assuming that no Shares are issued and no convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 2.61%, comprising 0.27% by each of Messrs Ross, Tuner and Scott and 1.80% by Mr Sage;
- (j) the Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolutions 5 to 8;

5. RESOLUTION 9 – APPROVAL TO ENTER INTO CONSULTANCY AGREEMENT WITH RELATED PARTY – OKEWOOD PTY LTD

5.1 Background

Resolution 9 seeks Shareholder approval for the Company to enter into a consultancy agreement with Okewood Pty Ltd (**Okewood**) (**Consultancy Agreement**), an entity controlled by Tony Sage, a related party of the Company by virtue of being a Director, for the purposes of Chapter 2E of the Corporations Act.

Pursuant to the proposed terms of the Consultancy Agreement, the Company will engage Tony Sage via his nominated entity, Okewood, to provide the executive director services to the Company. The term of the Consultancy Agreement is 3 years, commencing 1 April 2023 (**Term**).

In consideration for services provided pursuant to the Consultancy Agreement, Okewood (or its nominee) will receive \$400,000 per annum (plus GST). In addition, Okewood (or its nominee) will be entitled to receive incentive payments during the Term subject to the achievement of the following criteria:

- (a) \$100,000 will be payable to Okewood (or its nominee) on the sale by the Company of 75% or more of its shareholding in European Lithium Limited (ASX: EUR) at a share price at or above \$0.25 per share;
- (b) \$100,000 will be payable to Okewood (or its nominee) if the Company completes a priority capital raising of not less than \$2.5 million; and
- (c) \$100,000 will be payable to Okewood (or its nominee) upon the successful completion of the Acquisition (the subject of Resolution 1) or the completion of another type of acquisition of a major project that significantly enhances the share price of the Company to exceed \$0.015 continuously for more than 20 consecutive trading days during the term of the Consultancy Agreement

(together, the **Incentive Payments**).

The Consultancy Agreement otherwise contains terms and conditions considered standard for an agreement of its type.

5.2 Director recommendation

The Directors (other than Mr Sage) do not have a material personal interest in the outcome of Resolution 9 because the Directors (other than Mr Sage) are not proposed to receive any financial benefit as a result of the Company resolving to enter into the Consultancy Agreement, subject to shareholder approval.

Despite Mr Donnelly not having any material personal interest in the outcome of Resolution 9, as a result of his position on the Board as Chairman, Mr Donnelly does not believe that it is appropriate to make a recommendation and will abstain from voting on Resolution 9.

The Directors (other than Mr Sage (who has a material personal interest in the outcome of Resolution 9) and Mr Donnelly (as Chairman)) recommend that

Shareholders vote in favour of Resolution 9 on the basis that the Incentive Payments constitute reasonable remuneration payable to Mr Sage.

Mr Sage has a material personal interest in the outcome of Resolution 9 on the basis that he will benefit from any Incentive Payments received under the Consultancy Agreement. For this reason, Mr Sage does not believe that it is appropriate to make a recommendation and will abstain from voting on this Resolution.

5.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Entry into the Consultancy Agreement will result in the giving of a financial benefit to Okewood (or its nominee), which is an entity controlled by Director, Mr Sage. Whilst the Board (with Mr Sage abstaining) considers that the Incentive Payments constitute reasonable remuneration payable to Okewood (or its nominee) (and therefore falls within an exception set out in section 211 of the Corporations Act), the Board (with Mr Sage abstaining) have resolved to seek Shareholder approval to enter into the Consultancy Agreement for the proposes of Chapter 2E of the Corporations Act in the interest of good governance.
