

Investor Webinar Presentation

Summit Minerals Limited (ASX: SUM) (“Summit” or “the Company”) is pleased to announce that it will be holding an investor Webinar, to be held Monday 13th of March 2023 from 1:00pm AEDT / 10am AWST.

Managing Director, Jonathan King, will discuss the Company’s Stallion REE project drilling results, next steps and Summit’s Antimony and Lithium projects.

This webinar can be viewed live via Zoom and will provide viewers the opportunity to hear from, and engage with, the companies managing director.

To access further details of the event and to register at no cost, please copy and paste the following link into your internet browser:
