Dear Shane and Damian

Request for Extension to Voluntary Suspension

Tombola Gold Limited (**ASX:TBA**; the **Company**) requests an extension to the Voluntary Suspension previously granted by ASX with respect to the Company's securities, pending the release of a material announcement regarding the Company's operational and funding plans.

The Company requests that the Voluntary Suspension remain in place until the earlier of an announcement to the market regarding the above, or the commencement of trading on Friday, 31 March 2023.

The Company is not aware of any reason why the request for an extension of the Voluntary Suspension should not be granted.

The Company is also planning on providing an update next week in respect of its continuing operations at the GAM Plant in Queensland, but this will not trigger the recommencement of trading.

Should you have any queries in relation to this matter, please feel free to contact the undersigned.

Yours faithfully

Karl Schlobohm
Company Secretary
