DIRECTORS' REPORT

The Directors of Redcastle Resources Limited ("RC1" or "the Company") present their report, together with the financial statements on the consolidated entity consisting of Redcastle Resources Limited and its controlled entity for the half-year ended 31 December 2022 ("the Period").

It is recommended that the Directors' Report be read in conjunction with the annual financial statements for the year ended 30 June 2022 and considered together with any public announcement made by the Company during the Period and up to the date of this report.

DIRECTORS

The names of the Company's Directors who held office during the Period and until the date of this report are set out below. Directors were in office for this entire Period unless otherwise stated.

| Director | Position | Duration of Appointment |
|------------------|------------------------|----------------------------|
| Jeremy King | Non-Executive Chairman | Appointed 8 June 2016 |
| Trevor Dixon | Technical Director | Appointed 14 December 2021 |

| Lincoln Ho | Non-Executive Director | Appointed 22 November 2022 |
| Ronald Miller | Non-Executive Director | Appointed 22 November 2022 |

REVIEW OF OPERATIONS AND ACTIVITIES

The Company is a gold and mineral resources exploration company. Its focus has been pursuing success at its 100% owned Redcastle Gold Project. The Redcastle Gold Project covers a prospective area of 1,088ha, surrounding the locality of the historical Redcastle Mining Centre within the Mt Morgans District of the Mt Margaret Mineral Field of WA, approximately 60km east of Leonora and 60km west of Laverton in the North-eastern Goldfields. Gold was originally discovered at the Redcastle Mining Centre in 1897. The Company has identified immediate target areas based on its review of historical exploration results including drilling programs by previous owners and its inaugural RC drilling program carried out following its re-compliance listing undertaken during December 2021.

DIRECTORS' REPORT

Results from drilling programs received during the period have been extremely encouraging, many +10 g/t Au intercepts were encountered with a peak result of 250 g/t Au in drill hole RRC105 from 11 to 12 metres down hole at the historic Redcastle Reef workings. The programs consisted of 63 holes for an advance 4156 metres at both the Queen Alexandra and Redcastle Reef prospects (See Table 1) delivering outcomes including: -

- Orientation and continuity of the known mineralisation
- Details regarding the extent of the historic underground workings
- Preliminary geotechnical data
- Grade and styles of mineralised intercepts encountered.

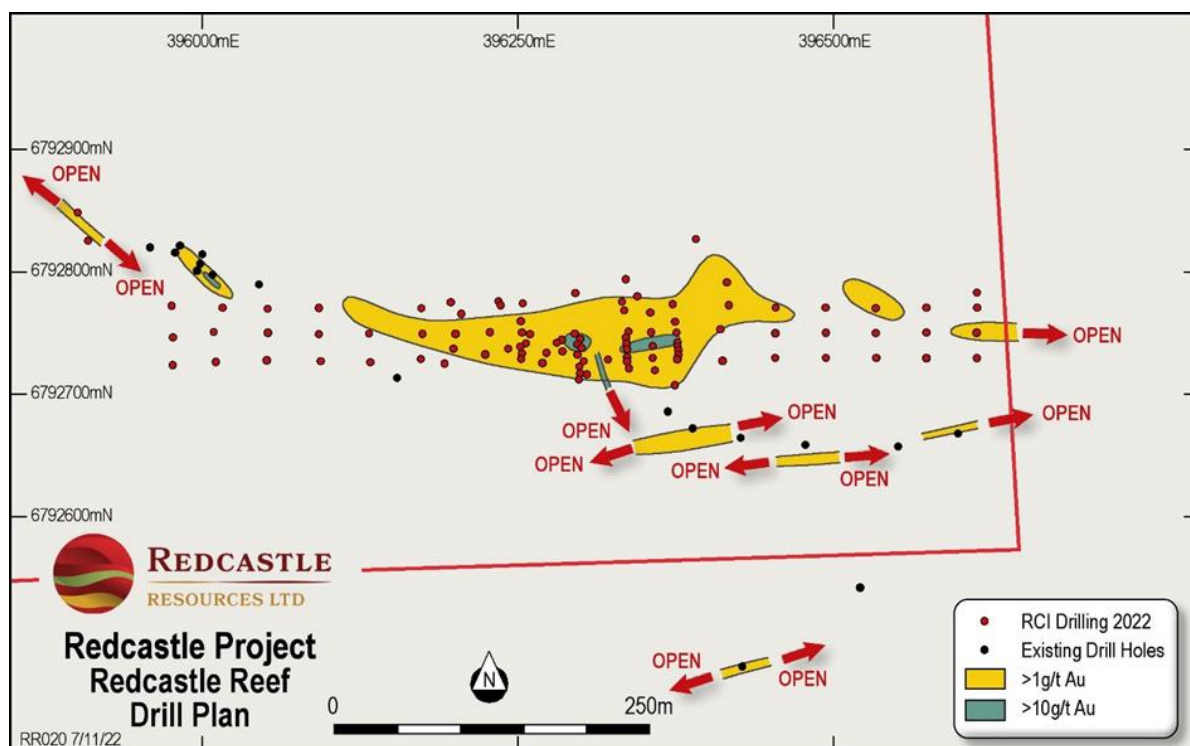

Complimenting the RC drilling activity, the company conducted a project wide auger soil geochemical assessment with multi element analysis defining discreet gold in soils anomalism in the south western and western portion of the project along with a broad area of gold anomalism encountered in the eastern and north eastern area of the project.(See Table 2 and Figure 1 below) Infill soil geochemistry was conducted in the latter part of the period with results awaiting laboratory analysis returns with results pending.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

These general purpose interim financial statements for half-year reporting period ended 31 December 2022 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2022 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The financial statements are presented in Australian dollars, which is Redcastle Resources Limited's functional and presentation currency.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period.

Significant accounting judgements and key estimates

The preparation of the interim financial reports requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Critical Accounting Estimates and Judgements

The preparation of the Historical Financial Information requires management to make judgements, estimates and assumptions that affect the reported amounts in the Historical Financial Information. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses.

Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results.

New, revised or amended standards and interpretations adopted by the Group

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

NOTE 2 SEGMENT INFORMATION

The Group has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (chief operating decision makers) in assessing performance and determining the allocation of resources. The information presented in the financial report is the same information that is viewed by the Directors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

The Group is currently operating in one business segment being an administrative entity in the mining and exploration sector and one geographic segment being Australia.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Redcastle Resources Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Redcastle Resources Limited (the Company) and its subsidiary (the Group), which comprises the consolidated statement of financial position as at 31 December 2022, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the Group's financial position as at 31 December 2022 and of its financial performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2022 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
