

## Retraction of information in announcement and presentation

Evolution Energy Minerals (Company) (ASX: EV1, FSE: P77) advises that it retracts Figure 1 and Table 6 from its announcement dated 20 March 2023, titled *Updated DFS confirms Chilalo as a standout graphite project* and slide 8 of the presentation released to ASX on 21 March 2023, titled *Corporate Presentation – Updated DFS (Retracted Information)*.

The Retracted Information should not be used as the basis for an investment decision regarding the Company's shares.

This announcement has been approved for release by Evolution's Managing Director.
