

ASX ANNOUNCEMENT 3 APRIL 2023 CHANGE OF SHARE REGISTRY DETAILS

DigitalX Limited (ASX: DCC) ("DigitalX", "the Company") advises that as of Monday, 3 April 2023 the Company has changed its provider for shareholder registry services from Computershare Investor Services Pty Ltd to Automic Pty Ltd ("Automic").

With our partnership with Automic announced in November 2022, it makes sense to move our share registry services to Automic. That said, we are grateful to Computershare and their Perth registry team for their service and professionalism over the time since DigitalX has been listed on ASX.

Our new shareholder registry contact details are as follows:

Automic
Level 5, 126 Phillip Street
Sydney NSW 2000

GPO Box 5193
Sydney NSW 2001

Shareholders can easily and efficiently manage their holdings via Automic's secure and highly accessible online investor portal. The portal provides, among other things, an online interface to update and manage shareholder details, view balances and transaction history.

Shareholder Registration Online

Shareholders that are not already a user of Automic's investor portal may visit <https://investor.automic.com.au> and signup to register their details using the two simple steps provided in the setup process.

Shareholders with any queries in relation to their DigitalX Limited holding are advised to contact Automic at hello@automicgroup.com.au or on 1300 288 664 (within Australia) or +61 2 9698 5414 (outside Australia).

- Ends-

Authorised by the Board of DigitalX Limited.

About DigitalX Limited (ASX:DCC)

DigitalX is a technology and investment company focused on growing the blockchain economy through its digital asset funds management business, digital fintech and regtech products, and blockchain ventures.

DigitalX's product team designs and develops blockchain technology applications for business and enterprise organisations.

Through its asset management division, DigitalX provides low-cost traditional asset management products for qualified investors looking to gain exposure to the growing alternative asset class of digital assets, including Bitcoin.

DigitalX is currently commercialising Drawbridge, the Company's first regtech solution which is supporting listed companies to better manage their compliance and corporate governance policies. With Drawbridge, companies can manage employee and director share trading approvals in order to safeguard their reputations.
