March quarter 2023 - COMPANY UPDATE

CFOAM Limited provides the following update for quarterly period ended 31 March 2023.

On 17 March 2023, made a strategic investment of \$200,000 for a 3.29% stake in CarBon Investment Co Pty Ltd (CarBon), a national **first to market** Electric Vehicle (EV) only leasing and subscription business, with a strong focus on accelerating the decarbonisation of Australian Commercial Fleets.

Founded by experienced logistics specialist Scott Gillespie, CarBon is spearheading the green transition of Australia's commercial transport sector by delivering fit-for-purpose EV integration solutions to help drive ESG strategies within businesses.

The CarBon Offering

CarBon is Australia's first purely Electric Vehicle Leasing, Subscription & Rental company. CarBon connects with EV manufacturers and new energy technology participants to provide a tailored model for EV vehicles to be deployed into commercial and passenger settings. CarBon partners with each customer to provide information, support and guidance throughout the EV transition process.

CarBon has generated first revenues from a Q4 2022 ramp up and has immediate contracted opportunities to accelerate further growth and a strong commercial pipeline.

In addition, CFO has continued to review and investigate new opportunities for investment but, at this stage, CFO has not finalised any suitable proposals.

Note 6 to Appendix 4C – Listing Rule 4.7C.3

There were no payments made or accrued to related parties of the entity and their associates.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
