

24 April 2023

Dear Shareholder,

INVITATION TO PARTICIPATE IN SHARE PURCHASE PLAN

Arizona Lithium Limited (ACN 008 720 223) (**AZL** or the **Company**) is inviting Eligible Shareholders (defined below) to participate in the Company's Share Purchase Plan (**Plan**).

The Company has decided to provide the investment opportunity to existing shareholders rather than complete a sophisticated investor placement, as a reward to loyal shareholders prior to certain events that the Directors believe could potentially increase the value of Arizona Lithium, such as;

- The Bureau of Land Management approval to drill an additional 145 exploration holes and the taking of a bulk sample at the Big Sandy Lithium Project.
- The upgrading of the Lithium Resource at the Prairie Lithium project and the completion of a Preliminary Economic Assessment (PEA) for the brine project in Canada.
- Further development of the Direct Lithium extraction (DLE) technology acquired as part of the Prairie Lithium acquisition.
- Listing of the Company's securities on the Nasdaq exchange in New York, USA and increasing the Company's profile in the country.

All Directors intend to take up their full entitlement of \$30,000 and the majority of larger shareholders have expressed the intention to take up the full entitlement.

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to \$30,000 worth of fully paid ordinary shares (**Shares**) at a price of \$0.045 per Share, irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) is intending to raise a maximum of \$10,000,000 on the terms and conditions (**Terms and Conditions**) contained in this letter (**Offer Letter**). The Company may elect to accept additional subscriptions or alternatively close the Offer early and/or scale back applications.

Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 5pm on Friday 21 April 2023 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$30,000 worth of Shares at an issue price of \$0.045. The issue price is a discount of 8% to \$0.0487 (being the volume weighted average market price (**VWAP**) of

the Shares over the last five trading days on which sales in the Shares were recorded before the day on which the Plan was announced).

Whilst the Company intends to raise \$10,000,000 under the Plan, the Company reserves the right to accept additional applications subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which will be issued under this Plan will be 807,289,713.

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than \$10,000,000 is raised under the Plan. Scale back decisions are made by the board of directors of the Company (**Board**) and are final.

The Plan is not underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan.

If you are an Eligible Shareholder and wish to participate in the Plan, you can apply by using the BPAY® information provided on your personalised SPP Application Form (**Application Form**), or by completing your Application Form and returning it with an accompanying cheque, bank draft or money order.

This Offer Letter and Application Forms (**Plan Documents**) will be made available to Eligible Shareholders by the following methods:

- Eligible Shareholders who have previously registered to receive Company correspondence electronically should receive an email with links to retrieve the Plan Documents electronically.
- Eligible Shareholders can log in to Automic Share Registry and retrieve their personalised Plan Documents.
- The Plan Documents will be sent by post to all Eligible Shareholders who have not previously registered to receive Company correspondence electronically.

Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX:AZL), or the Company's website at <https://www.arizonalithium.com/>.

Use of Funds

The proceeds raised under the Plan will be used to fund:

- Additional exploration drilling at the Big Sandy Lithium project.
- Updating the resource at the Prairie Lithium project and the preparation of a Preliminary Economic Assessment.

- Advancement of the Direct Lithium Extraction (DLE) technology acquired as part of the Prairie Lithium acquisition.
- Evaluation of third party DLE suppliers to advance both the Big Sandy and Prairie Lithium development Projects.
- Ongoing expenditure regarding the Definitive Feasibility Study for the Big Sandy Lithium project.

The above is a statement of current intentions as at the date of this Offer Letter. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way funds are applied on this basis.

How much can you invest?

Eligible Shareholders may each apply for a maximum of \$30,000 worth of Shares and a minimum of \$2,000 worth of Shares under the Plan.

How to accept the Offer

To apply for Shares under the Plan, please follow the instructions on the personalised Application Form.

Eligible Shareholders may participate by selecting only one of the following offers to purchase Shares under the Plan:

	Total amount payable	Number of Shares which may be purchased
Offer A	\$30,000	666,666
Offer B	\$25,000	555,555
Offer C	\$20,000	444,444
Offer D	\$15,000	333,333
Offer E	\$10,000	222,222
Offer F	\$5,000	111,111
Offer G	\$2,000	44,444

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the price, rounded down.

All payments in accordance with the options set out in your Application Form (**Application**) must be received by the **Closing Date of Monday, 15 May 2023**. If the exact amount of money is not tendered with your Application, the Company reserves the right to either:

- return your application monies and not issue any Shares to you; or
- issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

The Company confirms that if the amount to be refunded is less than the issue price of one Share, being \$0.045, it will not be refunded and will be retained by the Company.

Once an Application has been made it cannot be revoked.

Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.049. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your Application under this Offer.

By making an Application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the issue price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under this Offer.

Additional Information and Important Dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$10,000,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. The Board may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions to raise more than \$10,000,000, subject to the ASX Listing Rules.

If the Company rejects or scales-back an Application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.
