PARKWAY LAUNCHES INVESTOR HUB

Parkway Corporate Limited (“**Parkway**” or the “**Company**”) (ASX: PWN) is pleased to advise of the recent launch of a new Investor Hub. The Parkway Investor Hub is a dedicated platform for investors to learn more about Parkway and our latest activities, as we continue to grow and approach key commercialisation milestones.

In addition to regular ASX announcements, Parkway will also be uploading supplementary content to the Parkway Investor Hub, including corporate presentations, videos, interviews, media coverage, corporate research, and other investor related resources.

In order for investors to stay up to date with the latest news, access additional investor related resources and interact with Parkway by posting questions/feedback through the Q&A function, we encourage investors to sign-up to the Parkway Investor Hub.

How to sign-up to the Parkway Investor Hub

1. Navigate to <https://investorhub.pwnps.com/welcome>.
2. Follow the prompts to sign up for an Investor Hub account.
3. Complete your account profile.

Investors signed-up to the Parkway Investor Hub may also receive invitations to exclusive investor events and other opportunities, from time to time.

COMMENTS FROM GROUP MANAGING DIRECTOR & CEO

Parkway's Group Managing Director & CEO, Bahay Ozcakmak, makes the following comments:

“We are fortunate to have an engaged and passionate shareholder base that cares immensely about the types of complex wastewater challenges we are working to solve. As we advance several of these important initiatives, including our recently foreshadowed Master Plan for the Queensland CSG industry, we look forward to interacting with our shareholders, through our recently launched Parkway Investor Hub. We also plan to release the third-party research report profiling Parkway, on the investor hub, later this month, providing another important opportunity for investors to engage with Parkway.”

The release of this announcement has been approved by Parkway's Group Managing Director & CEO, Bahay Ozcakmak, on behalf of the board of directors of the Company.

FORWARD-LOOKING STATEMENTS

This announcement may contain certain “forward-looking statements”. The words “continue”, “expect”, “forecast”, “potential” and other similar expressions are intended to identify “forward-looking statements”. Indications of (and any guidance on) future earnings, financial position, capex requirements and performance are also “forward-looking statements”, as are statements regarding internal management estimates and assessments of market outlook.

Where Parkway expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, “forward-looking statements” are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Parkway, its officers, employees, agents and advisors, that may cause actual results to differ materially from those expressed or implied in such statements. There can be no assurance that actual outcomes will not differ materially from these statements. There are usually differences between forecast and actual results, because events and actual circumstances frequently do not occur as forecast and their differences may be material.

Parkway does not undertake any obligation to publicly release any revisions to any “forward-looking statements” to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under the applicable securities laws.

ABOUT PARKWAY CORPORATE LIMITED

Parkway Corporate Limited is an Australian cleantech company focused on developing and implementing, industrial-scale innovative water treatment solutions. Parkway is listed on the Australian Securities Exchange (ASX: PWN) and is emerging as an innovative player in water related sustainability solutions. With significant inhouse technical expertise and established partnerships, Parkway is well-placed to deliver the next generation of wastewater treatment plants, incorporating the company’s portfolio of world-class technologies.

Parkway operates through three (3) core business units, comprising:

- Parkway Process Solutions (PPS) – Parkway’s primary operating division and an emerging provider of industrial water treatment products, services, solutions and associated technology to customers throughout Australia. PPS has recently established commercial relationships with key water industry participants, including globally recognised OEMs;
- Parkway Process Technologies (PPT) – Parkway’s technology development, acquisition, and commercialisation division. PPT owns a portfolio of industrial wastewater treatment technologies, including the patented aMES® and iBC® process technologies. PPT has global aspirations and is supported by a network of strategic partners, including global engineering company Worley; and
- Parkway Ventures (PV) – holds a portfolio of project equity and royalty interests, including interests relating to Parkway’s Karinga Lakes Potash Project in the Northern Territory of Australia.
