Schrole appoints CFO to help accelerate growth plans

15 May 2023: Schrole Group Ltd (**ASX: SCL**) ("**Schrole**" or the "**Company**"), provider of accredited training and global Human Resources (HR) Software-as-a-Service (SaaS), appoints Ms. Diana Shepherd as Chief Financial Officer (CFO) effective immediately. Ms. Shepherd, who will be based in Perth, takes over from Ms. Stephanie Syme, who will complete her tenure as Schrole's CFO after 3 years of valuable service to the Company.

Ms. Shepherd's experience in finance and accounting spans more than 23 years across Australia and Europe. She joins Schrole from SGX-listed ComfortDelGro's Swan Taxis Group, where as Group Financial Controller she was responsible for overseeing and reporting on all commercial activities for the business and providing strategic advice and financial analysis to support business objectives for its Australian operations.

Prior to this, Ms. Shepherd was Financial Controller and CFO for sealants and adhesives manufacturer, Soudal Pty Ltd, where she led, managed, and reported across all financial, commercial, and operations.

Before moving to Australia, Ms. Shepherd worked in accounting management and auditing roles for Tier one firms PwC, Deloitte, and Sitel in her native Hungary.

Ms. Shepherd is a Certified Public Accountant with CPA Australia and a Chartered Accountant through Chartered Accountants Hungary. She has a Bachelor of Commerce in Accounting and Finance from the University of Nyiregyhaza and a Master of Accounting and Finance from the University of Miskolc. Ms. Shepherd also has a Master of Professional Accounting and a Master of Business Administration from the Holmes Institute.

Commenting on Ms. Shepherd's appointment and Ms. Syme's resignation, Managing Director, Rob Graham, said:

"Ms Shepherd's extensive and well-rounded global experience in financial and accounting advisory means that she is well-placed to take the reigns as Schrole's CFO. She will be key in supporting the Company's strategic growth agenda in the international school's market and in Schrole's corporate training unit."

"On behalf of the entire team at Schrole, I would also like to thank Stephanie for her hard work and dedication in helping build Schrole to where it is today."
