

ASX ANNOUNCEMENT

17 May 2023

Director Appointment

RemSense Technologies Limited (**ASX: REM**) (**RemSense or Company**) is pleased to advise the appointment of Sue Murhpy as a non- executive director of the Company.

Sue has over 40 years of experience in the resources and infrastructure industries. Holding a Bachelor of Civil Engineering from the University of Western Australia, Sue commenced as a Graduate Engineer with Clough Engineering in 1980. She went on to enjoy a 25-year career with Clough, progressing through a wide range of operational and leadership roles before being appointed to the Board of Clough Engineering Ltd in 1998.

After leaving Clough in 2004, Sue joined the Water Corporation of Western Australia as the General Manager of Planning and Infrastructure, before being appointed as Chief Executive Officer in 2008, a role she held for over a decade.

Sue has received many accolades throughout her career including being awarded the prestigious Sir John Holland Civil Engineer of the Year Award by the Board of the College of Civil Engineers and is an Honorary Fellow of Engineers Australia. She was recognised for her work in water infrastructure with the International Water Association's 2014 Women in Water award and was the 2018/19 West Australian Business Leader of the Year at the AIM WA Pinnacle Awards. In 2019, Sue was made an Officer of the Order of Australia for distinguished service to the natural resources sector in Western Australia and to engineering.

Sue is currently a Director of MMA Offshore Limited, Monadelphous Group Limited, the West Australian Treasury Corporation, and Pro Chancellor of the University of Western Australia.

RemSense chairman Chris Sutherland commented as follows in relation to the appointment:

"We are pleased to have a person of Sue's calibre join our board. Her knowledge and experience across the industrial landscape will be invaluable as we continue the development and growth of the company and its core product – virtualplant".
