## **Listing Rule 7.1A (Additional 10% Capacity)**

## **Resolution 3** – ASX Listing Rule 7.1A Approval

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.1A by way of a Special Resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$3 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

#### Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

#### Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and

(c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

#### Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

## <u>Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used</u>

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) fund the acceleration of sales execution and revenue growth in the Company's key product suites of VAT reclaim for travel expenses and accounts payable for enterprise and small-to-medium enterprise clients;
- (b) fund the Company's Smart Spend Debit Mastercard initiatives to roll out this product to new and existing customers in the UK and European market;
- (c) support investment in further development and maintenance of the Company's "in market" proprietary Al technologies; and
- (d) fund general working capital.

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

#### There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

#### Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to

whom the Company is able to make an offer of equity securities.

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to exercise all available proxies in favour of this Resolution.

### **Amendment to the Articles of Association**

#### **Resolution 4** – Amendment to the Articles of Association

#### General

Under Israeli law, a company may modify its articles of association or an article of its articles of association by ordinary resolution, unless its articles of association provide otherwise with respect to a certain matter or if the Company, through its shareholders meeting restricted its rights to modify its articles of association (Section 22 of the Companies Law). Accordingly, the Company seeks Shareholder approval to amend the Articles of Association by ordinary resolution of Shareholders as detailed below.

If Resolution 4 is approved by Shareholders, the Articles of Association will be amended to reflect the amended Articles of Association detailed in Annexure 1.

Resolution 4 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of this Resolution.

#### **Authorised Share Capital**

The Company is proposing to update the Articles of Association to increase the authorised share capital to NIS 15,000,000 divided into 1,500,000,000 Shares of a nominal value of NIS 0.01 each. The proposed amendment to the Articles of Association includes an amendment to article 6 as detailed in the marked-up Articles of Association detailed in Annexure 1.

The Company's current authorised share capital is NIS 5,000,000 divided into 500,000,000 Shares of a nominal value of NIS 0.01 each. As at the date of this Notice, the Company has issued 235,000,000 Shares and 38,000,000 Options and intends to issue approximately 235,000,000 Shares pursuant to the Entitlement Offer and, subject to the Company obtaining shareholder approval (the subject to Resolutions 5 and 8), the Placement Shares and the Lead Manager Options. Whilst most of the exercise prices of the Options issued by the Company are greater than the current trading price of the Company (and therefore may not ever be exercised or converted into Shares), the Company considers it prudent to increase the authorised share capital to retain the flexibility and capacity to issue additional securities if circumstances require, which may include issues of equity to new employees, acquisition opportunities or fundraising.

The Company notes that, even if the authorised share capital is increased, the Company is still subject to the restrictions under the Listing Rules which prohibit the issue of more than 15% of the Company's undiluted share capital over a 12-month period without shareholder approval (subject to certain exceptions under Listing Rule 7.2).

#### **Conditionally of Resolutions**

Resolutions 5 and 8 are conditional on the passing of Resolution 4, meaning that if Resolution 4 is not passed by Shareholders at the Meeting, the issue of the Placement Shares and the Lead Manager Options will not proceed.

#### **Directors' recommendation**

The Board of Directors recommend that Shareholders vote for this Resolution.

### **Issue of Placement Shares**

# **Resolution 5** – Issue of April Placement Shares pursuant to Listing Rule 7.1

#### **Background - Capital Raising**

On 17 April 2023, the Company announced that it was undertaking a capital raising to raise an aggregate of A\$3,544,000, comprising:

- (a) a fully underwritten one (1) for one (1) non-renounceable entitlement offer of approximately 235,000,000 Shares to raise approximately A\$2,350,000 (before costs) (**Entitlement Offer**); and
- (b) the issue of 119,400,000 Shares (**April Placement Shares**) to sophisticated and professional investors under a private placement to raise A\$1,194,000 (before costs) subject to shareholder approval (**April Placement**) (the subject of Resolution 5),

(together, the Capital Raising).

Funds received under the Capital Raising will be utilised to:

- (i) fund the acceleration of sales execution and revenue growth in the Company's key product suites of VAT reclaim for travel expenses and accounts payable for enterprise and small-to-medium enterprise clients;
- (ii) fund the Company's Smart Spend Debit Mastercard initiatives to roll out this product to new and existing customers in the UK and European market;
- (iii) support investment in further development and maintenance of the Company's "in market" proprietary AI technologies; and
- (iv) fund general working capital.

Refer to the Company's ASX announcement dated 17 April 2023 and the Offer Booklet released by the Company on 20 April 2023 for further details regarding the Capital Raising.

#### General

Resolution 5 seeks Shareholder approval to issue 119,400,000 Shares, being the April Placement Shares, to professional and sophisticated investors under the Placement.

None of the subscribers under the April Placement were a related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.

Resolution 5 is conditional on the passing of Resolution 4.

Resolution 5 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of this Resolution.

#### **Listing Rule 7.1**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 provides that the Company is entitled to issue or agree to issue Equity Securities up to 15% of its issued share capital through placements during any 12-month period, subject to specific restrictions, without needing prior Shareholder approval.

The issue of the April Placement Shares does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

Resolution 5 seeks Shareholder approval to issue the April Placement Shares under and for the purposes of Listing Rule 7.1.

If Resolution 5 is passed, the Company will be able to proceed with the issue of the April Placement Shares. In addition, the issue of the April Placement Shares will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed, the issue of the April Placement Shares will only proceed to the extent that the Company has the available placement capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1. If the Company does not have the available placement capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1, the issue of the April Placement Shares will not be able to proceed and the Company will not be able to raise an additional A\$1,194,000.

#### Specific information required by Listing Rule 7.3

The following information must be provided to Shareholders for the purposes of obtaining Shareholder approval:

- (a) A maximum of 119,400,000 Shares will be issued to sophisticated and professional investors who participated in the April Placement, identified by the Lead Manager. No April Placement Shares will be issued to any related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.
- (b) The April Placement Shares will be fully paid ordinary shares and rank equally in all respects with the Company's existing Shares on issue.
- (c) The April Placement Shares will be issued no later than three months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

- (d) The April Placement Shares will have an issue price of A\$0.01 per Share.
- (e) Funds raised from the issue of the April Placement Shares will be utilised as detailed above.
- (f) The April Placement Shares will be issued pursuant to short form subscription letters pursuant to which subscribers under the April Placement will be issued April Placement Shares at an issue price of A\$0.01 per Share.
- (g) A voting exclusion statement is included in the Notice for Resolution 5.

#### **Directors Recommendation**

The Board of Directors recommend that Shareholders vote for this Resolution.

# **Resolution 6** – Ratification of Prior Issue of December 2022 Placement Shares issued under Listing Rule 7.1

On 7 December 2022, the Company announced that it was undertaking a capital raising to raise up to A\$1.1 million (before costs) at an issue price of A\$0.026 per share (**December Placement**). Pursuant to the December Placement, on 14 December 2022 the Company issued 38,461,539 Shares and on 18 January 2023 the Company issued a further 3,846,154 (**December Placement Shares**). Out of the 38,461,539 Shares, 22,960,063 shares were issued utilising the Company's existing capacity under Listing Rule 7.1.

Funds received under the December Placement have been and will be utilised to:

- (a) accelerate sales and marketing campaigns;
- (b) continue rollout of Smart Spend Debt Mastercard; and
- (c) provide working capital and balance sheet strength.

#### General

Resolution 6 seeks Shareholder approval to approve and ratify the prior issue and allotment of 22,960,063 Shares, being the December 2022 Placement Shares, to professional and sophisticated investors under the Placement.

None of the subscribers under the December Placement were a related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.

#### **ASX Listing Rules 7.1**

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 22,960,063 December 2022 Placement Shares which were issued on 14 December 2022.

22,960,063 December 2022 Placement Shares were issued under Listing Rule 7.1 on 14 December 2022.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of December Placement Shares did not fit within any of the exceptions (to Listing Rules

7.1) and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of the December 2022 Placement Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Shares under the December 2022 Placement will be <u>excluded</u> in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the issue date.

If this Resolution is not passed, the issue of Shares under the December 2022 Placement will be <u>included</u> in calculating the Company's 15% capacity to issue equity securities under Listing Rules 7.1 without Shareholder approval over the 12 month period following the issue date.

#### Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The December 2022 Placement Shares were issued to sophisticated and professional investors who participated in the December 2022 Placement. No December 2022 Placement Shares were issued to any related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.
- (b) The Company issued total 38,461,539 Shares on 14 December 2022 out of which 22,960,063 December 2022 Placement Shares were issued under Listing Rule 7.1.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) Each of the December 2022 Placement Shares were issued at an issue price of A\$0.026 per Share, which raised A\$1.1 million (before costs).
- (e) Funds raised from the issue of the Shares have been and will be used by the Company to:
  - i. Accelerate sales and marketing campaigns;
  - ii. Continue rollout of Smart Spend Debt Mastercard; and
  - iii. Provide working capital and balance sheet strength.
- (f) The December 2022 Placement Shares were issued pursuant to short form subscription letters pursuant to which the participants under the Placement subscribed for Placement Shares at an issue price of A\$0.026 per Share.
- (g) A voting exclusion statement is included in the Notice for Resolution 6.

#### **Directors' recommendation**

The Board of Directors recommend that Shareholders vote for this Resolution.

## **Resolution 7(a)** – Ratification of Prior Issue of December 2022 Placement Shares issued under Listing Rule 7.1

Pursuant to December 2022 Placement Shares, the Company issued 15,501,476 shares on 14 December 2022.

Funds received under the Placement have been and will be utilised to:

- (a) accelerate sales and marketing campaigns;
- (b) continue rollout of Smart Spend Debt Mastercard; and
- (c) provide working capital and balance sheet strength.

#### General

Resolution 7(a) seeks Shareholder approval to approve and ratify the prior issue and allotment of 15,501,476 shares to professional and sophisticated investors under the Placement.

None of the subscribers under the Placement were a related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.

#### **ASX Listing Rules 7.1A**

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 15,501,476 Shares which were issued on 14 December 2022.

At last year's AGM, the Company sought and obtained approval of its Shareholders, under Listing Rule 7.1A, to increase this 15% limit by an extra 10% to 25%.

The issue of Placement Shares did not fit within any of the exceptions (to Listing Rules 7.1A) and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the expanded 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A for the 12 month period following the issue date (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis).

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Placement Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Shares under the December Placement will be <u>excluded</u> in calculating the Company's 10% capacity to issue equity securities under Listing Rule 7.1A without Shareholder approval over the 12 month period following the issue date.

If this Resolution is not passed, the issue of Shares under the December Placement will be <u>included</u> in calculating the Company's 10% capacity to issue equity securities under Listing Rule 7.1A without Shareholder approval over the 12 month period following the issue date.

#### Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The Shares were issued to sophisticated and professional investors who participated in the December 2022 Placement. No Placement Shares were issued to any related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.
- (b) The Company issued 15,501,476 shares on 14 December 2022.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) Each of the Placement Shares were issued at an issue price of A\$0.026 per Share, which raised A\$1.1 million (before costs).
- (e) Funds raised from the issue of the Shares have been and will be used by the Company to:
  - i. Accelerate sales and marketing campaigns;
  - ii. Continue rollout of Smart Spend Debt Mastercard; and
  - iii. Provide working capital and balance sheet strength.
- (f) The Shares were issued pursuant to short form subscription letters pursuant to which the participants under the Placement subscribed for Placement Shares at an issue price of A\$0.026 per Share.
- (g) A voting exclusion statement is included in the Notice for Resolution 7(a).

#### **Directors' recommendation**

The Board of Directors recommend that Shareholders vote for this Resolution.

# **Resolution 7(b)** – Ratification of Prior Issue of December 2022 Placement Shares issued under Listing Rule 7.1

Pursuant to December 2022 Placement Shares, the Company issued 3,846,154 shares on 18 January 2023.

Funds received under the Placement have been and will be utilised to:

- (d) accelerate sales and marketing campaigns;
- (e) continue rollout of Smart Spend Debt Mastercard; and
- (f) provide working capital and balance sheet strength.

#### General

Resolution 7(b) seeks Shareholder approval to approve and ratify the prior issue and allotment of 3,846,154 Shares, being the Placement Shares, to professional and sophisticated investors under the Placement.

None of the subscribers under the Placement were a related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.

#### **ASX Listing Rules 7.1A**

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 3,846,154 Shares which were issued on 18 January 2023.

At last year's AGM, the Company sought and obtained approval of its Shareholders, under Listing

Rule 7.1A, to increase this 15% limit by an extra 10% to 25%.

The issue of Placement Shares did not fit within any of the exceptions (to Listing Rules 7.1A) and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the expanded 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A for the 12 month period following the issue date (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis).

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Placement Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Shares under the December Placement will be <u>excluded</u> in calculating the Company's 10% capacity to issue equity securities under Listing Rule 7.1A without Shareholder approval over the 12 month period following the issue date.

If this Resolution is not passed, the issue of Shares under the December Placement will be <u>included</u> in calculating the Company's 10% capacity to issue equity securities under Listing Rule 7.1A without Shareholder approval over the 12 month period following the issue date.

#### Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (h) The Shares were issued to sophisticated and professional investors who participated in the December 2022 Placement. No Placement Shares were issued to any related party, key management personnel, substantial shareholder or adviser of the Company or any of their associates.
- (i) The Company issued 3,846,154 shares on 18 January 2023.
- (j) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.

- (I) Funds raised from the issue of the Shares have been and will be used by the Company to:
  - i. Accelerate sales and marketing campaigns;
  - ii. Continue rollout of Smart Spend Debt Mastercard; and
  - iii. Provide working capital and balance sheet strength.
- (m) The Shares were issued pursuant to short form subscription letters pursuant to which the participants under the Placement subscribed for Placement Shares at an issue price of A\$0.026 per Share.

#### **Directors' recommendation**

The Board of Directors recommend that Shareholders vote for this Resolution.

## **Issue of Options to the Lead Manager**

**Resolution 8** – Issue of Options to the Lead Manager Pursuant to Listing Rule 7.1

#### General

The terms and conditions of the Lead Manager Options are detailed in Annexure 2.

#### **Listing Rule 7.1**

Refer to the explanatory memorandum with respect to Resolution 5 for a summary of Listing Rule 7.1.

The issue of the Lead Manager Options does not fall within any of the exceptions to Listing Rule 7.1 and is conditional upon Shareholder approval (which is being sought pursuant to Resolution 4). It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

Resolution 8 seeks Shareholder approval to issue the Lead Manager Options under and for the purposes of Listing Rule 7.1.

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Lead Manager Options (and Shares issued on exercise of the Lead Manager Options) to the Lead Manager. In addition, the issue of the Lead Manager Options (and Shares issued on exercise of the Lead Manager Options) to the Lead Manager will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 8 is not passed, the issue of the Lead Manager Options will only proceed to the extent that the Company has the available placement capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1. If the Company does not have the available placement capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1, the issue of the Lead Manager Options will not be able to proceed.

#### Specific information required by Listing Rule 7.3

The following information must be provided to Shareholders for the purposes of obtaining Shareholder approval:

#### **Directors Recommendation**

The Board of Directors recommend that Shareholders vote in favour of this Resolution.

## **Adoption of Way 2 Vat Ltd Employee Equity Incentive Plan**

## **Resolution 9** – Approval of the Plan

#### **Background**

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.2, Exception 13 for the adoption of the Way 2 Vat Ltd Employee Equity Incentive Plan (the **Plan**) and to enable Options, and Shares upon exercise or conversion of those Options to be issued under the Plan to eligible employees (including Directors) to be exempted from Listing Rule 7.1 for a period of 3 years from the date on which this Resolution is passed.

This Resolution is an Ordinary Resolution.

#### **Listing Rule 7.1**

As discussed above, broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.2, Exception 13, operates as one of the exceptions to Listing Rule 7.1. The effect of Shareholder approval under Listing Rule 7.2, Exception 13 is that any issues of Securities under the Plan are treated as having been made with the approval of shareholders for the purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 13 lasts for a period of three years.

A summary of the Plan, to be adopted pursuant to Resolution 9, is detailed in Annexure 4.

This Resolution seeks Shareholder approval to adopt the Plan to offer the opportunity for eligible employees to subscribe for employee incentives, in order to increase the range of potential incentives available for eligible employees.

The Plan is intended to assist the Company to attract and retain key staff. The Board believes that grants made under the Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the Plan will:

- (a) enable the Company to incentivise and retain existing key management personnel needed to achieve the Company's business objectives;
- (b) enable the Company to recruit, incentivise and retain additional key management personnel needed to achieve the Company's business objectives;
- (c) link the reward of key staff with the achievement of strategic goals and the long-term performance of the Company;
- (d) align the financial interest of participants of the Plan with those of Shareholders; and
- (e) provide incentives to participants under the Plan to focus on superior performance that creates Shareholder value.

If this Resolution is passed, employee incentives issued under the Plan in the three years from the date on which Resolution 9 is passed will be excluded when calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If this Resolution is not passed, the employee incentives issued under the Plan will be included in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date. Specific Information Required by Listing Rule 7.2.

#### **Specific Information Required by Listing Rule 7.2**

In accordance with the requirements of Listing Rule 7.2, Exception 13(b), the following information is provided:

- (a) a summary of the material terms of the Plan is detailed in Annexure 4 and form part of the Notice;
- (b) 9,738,137 securities have been issued under the Plan since the Company received Shareholder approval of the Plan at its 16 September 2022 Annual General Meeting.
- (c) the maximum number of securities that can be issued under the Plan is 59,096,799 employee incentives, which is equivalent to 10% of the Company's issued share capital assuming Shareholders approve Resolutions 4, 5, 6, 7 and 8; and
- (d) a voting exclusion statement is included in the Notice for Resolution 9.

#### **Directors' Recommendation**

The Directors are excluded from voting on this Resolution as they are eligible to participate in the Plan. Accordingly, the Directors decline to make a recommendation to Shareholders on this Resolution.

The Chair intends to exercise all available proxies in favour of this Resolution.

The Board of Directors may at any time cause the Company to repay all or any part of the money so advanced, without premium or penalty. Nothing in this Article 16 shall derogate from the right of the Board of Directors to make any call before or after receipt by the Company of any such advance.

# 17. Forfeiture and Surrender

17.1. If any shareholder fails to pay any amount payable in respect of a call, or interest thereon as provided for herein, on or before the day fixed for payment of the same, the Company, by resolution of the Board of Directors, may at any time thereafter, so long as the said amount or interest remains unpaid, forfeit all or any of the shares in respect of which said call had been made. Any expense incurred by the Company in attempting to collect any such amount or interest, including, *inter alia*, attorneys' fees and costs of suit, shall be added to, and shall, for all purposes (including the accrual of interest

- 17.2. Upon the adoption of a resolution of forfeiture, the Board of Directors shall cause notice thereof to be given to such shareholder, which notice shall state that, in the event of the failure to pay the entire amount so payable within a period stipulated in the notice (which period shall not be less than fourteen (14) days and which may be extended by the Board of Directors), such shares shall be ipso facto forfeited, *provided*, *however*, that, prior to the expiration of such period, the Board of Directors may nullify such resolution of forfeiture, but no such nullification shall stop the Board of Directors from adopting a further resolution of forfeiture in respect of the non-payment of the same amount.
- 17.3. Whenever shares are forfeited as herein provided, all dividends theretofore declared in respect thereof and not actually paid shall be deemed to have been forfeited at the same time.

Any shareholder whose shares have been forfeited or surrendered shall cease to be a shareholder in respect of the forfeited or surrendered shares, but shall, notwithstanding, be liable to pay, and shall forthwith pay, to the Company, all calls, interest and expenses owing upon or in respect of such shares at the time of forfeiture or surrender, together with interest thereon from the time of forfeiture or surrender until actual payment, and the Board of Directors, in its discretion, may enforce the payment of such moneys, or any part thereof, but shall not be under any obligation to do so. The Board of Directors may at any time, before any share so forfeited or surrendered shall have been sold, re-allotted or otherwise disposed of, nullify the forfeiture or surrender on such conditions as it deems fit, but no such nullification shall stop the Board of Directors from re-exercising its powers of forfeiture pursuant to this Article 17.

#### 18. <u>Lien</u>

- 18.1. Except to the extent the same may be waived or subordinated in writing, the Company shall have a first and paramount lien upon the shares registered in the name of each shareholder (without regard to any equitable or other claim or interest in such shares on the part of any other Person), and upon the proceeds of the sale thereof, for such shareholder's debts, liabilities and engagements arising with respect to the payment for such shares issued by the Company, whether the period for the payment, fulfillment or discharge thereof shall have actually arrived or not. Such lien shall extend to all dividends from time to time declared in respect of such share. Unless otherwise provided, the registration by the Company of a transfer of shares shall be deemed to be a waiver on the part of the Company of the lien (if any) existing on such shares immediately prior to such transfer.
- 18.2. The Board of Directors may cause the Company to sell any shares subject to such lien when any such debt, liability or engagement has matured, in such manner as the Board of Directors may deem fit, but no such sale shall be made unless such debt, liability or

engagement has not been satisfied within fourteen (14) days after written notice of the intention to sell shall have been served on such shareholder, or such shareholder's executors or administrators.

18.3. The net proceeds of any such sale, after payment of the costs thereof, shall be applied in or toward satisfaction of the debts, liabilities or engagements of such shareholder (whether or not the same have matured), or any specific part of the same (as the Company may determine), and the residue (if any) shall be paid to the shareholder, such shareholder's executors, administrators or assigns.

#### 19. Sale After Forfeiture or Surrender, or in Enforcement of Lien

Upon any sale of shares after forfeiture or surrender or for enforcing a lien, the Board of Directors may appoint a Person to execute an instrument of transfer of the shares so sold and cause the purchaser's name to be entered in the Share Register in respect of such shares, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after such purchaser's name has been entered in the Share Register in respect of such shares, the validity of the sale shall not be impeached by any Person, and the remedy of any Person aggrieved by the sale shall be in damages only and against the Company exclusively.

Until the transferee has been registered in the Share Register in respect of the shares so transferred, the Company may continue to regard the transferor as the owner thereof.

#### 22. <u>Suspension of Registration</u>

The Board of Directors may in its discretion and subject to applicable law and regulations, close the Share Register to registration of transfer of shares during any year for a period determined by the Board of Directors, and no registrations of transfer of shares shall be made by the Company during any such period.
