About Provaris Energy

Provaris Energy Ltd (ASX: PV1) | www.provaris.energy

Provaris Energy Ltd (ASX: PV1) is developing a portfolio of integrated green hydrogen projects in the regional trade of Asia and Europe, leveraging our innovative compressed hydrogen bulk carrier. Our focus on value creation through innovative development that aligns with our business model of simplicity and efficiency. The choice to support all development phases of a project is in line with Provaris' strategic desire to develop and invest in profitable hydrogen projects across the value chain, establish an early-mover advantage for regional maritime trade of hydrogen, and to retain an equity position of these assets over the long term. With offices in Sydney, Perth and Oslo, the company's integrated approach to producing and transporting hydrogen can unlock a world of potential.
