ASX Announcement
5 June 2023

Final permit received for Bellevue Gold Project

Approvals clear way for commissioning in the December 2023 quarter

Bellevue Gold Limited (Bellevue or Company) (ASX: BGL) is pleased to advise that it has received the Tailings Facility and Water Storage permits for its Bellevue Gold Project from the Department of Water and Environmental Regulation.

The approvals, which were granted under the *Environmental Protection Act 1986 (WA)*, are the final material permits required for commissioning and full operation of the Bellevue Project.

Construction and underground development are running on time and on budget, with first gold set for the December 2023 quarter.

Figure 1: Bellevue processing plant construction as at 31 May 2023.
