

ASX RELEASE

19 June 2023

## HGST RENEWS FOR 10<sup>TH</sup> CONSECUTIVE YEAR

4DS Memory Limited (ASX:4DS) (**4DS** or the **Company**) today announced that HGST, a subsidiary of Western Digital Corporation, has now signed the 10<sup>th</sup> consecutive twelve (12) month renewal of its joint development agreement (**JDA**) (**Agreement**) with 4DS ahead of the 30 June 2023 renewal date.

Commenting on the renewal of the JDA, Interim Executive Chairman, Mr David McAuliffe said, “The USA based 4DS technical team recently presented to HGST management to inform them of the progress 4DS has made over the course of 2023 and updated them on the optimization programming conditions being incorporated into the Fourth Platform Lot. On that basis I am extremely pleased to have HGST, a subsidiary of Western Digital Corporation, again renew its joint development agreement with 4DS until 30 June 2024.”

### About 4DS

4DS Memory Limited (ASX: 4DS), with facilities located in Silicon Valley, is a semiconductor development company of non-volatile memory technology, pioneering Interface Switching ReRAM for next generation gigabyte storage in mobile and cloud. Established in 2007, 4DS owns a patented IP portfolio, comprising 34 USA patents granted which have been developed in-house to create high-density Storage Class Memory. 4DS has a joint development agreement with Western Digital subsidiary HGST, a global storage leader, which accelerates the evolution of 4DS' technology. 4DS also collaborates with imec, a world-leading research and innovation hub in nanoelectronics and digital technologies. The combination of imec's widely acclaimed leadership in microchip technology and profound software and information and communication technology expertise makes them unique.
