Request for Trading Halt

In accordance with ASX Listing Rule 17.1, Oceana Lithium Limited (ASX: OCN) requests a trading halt of its securities pending the release of an announcement by the Company relating to a material transaction. The trading halt is necessary to ensure the market is informed.

The Company requests the trading halt remains in place until the earlier of release of the announcement relating to the transaction or prior to the commencement of trading on Wednesday, 5 July 2023.

The Company is not aware of any reason why the request should not be granted or any other information necessary to inform the market about the trading halt.

Authorised for release by the Company Secretary.

ABOUT OCEANA LITHIUM

Oceana Lithium Limited is a mineral exploration and development company with advanced + early-stage Lithium pegmatite projects in mining friendly jurisdictions in the state of Ceara, Brazil, and the Northern Territory, Australia. The Company's exploration effort is led and co-ordinated by James Abson, with Renato Braz Suez heading up the team in Brazil. James and Renato are supported by the Company's Non-Executive Director resident in Brazil, Simon Mottram, a widely experienced geologist fluent in Portuguese, and Non-Executive Director Dr Qingtao Zeng who based on local knowledge provides oversight of the Company's exploration effort at the Napperby project in the Northern Territory.
