2. ATM Program and Cleansing Offer

As announced by NexGen on 9 January 2023, NexGen has launched an at-the-market program pursuant to which NexGen may raise up to C\$250 million in the period ending no later than 29 January 2025. The number and average price of any ATM Shares issued under the ATM Program, as well as the gross proceeds, commission and net proceeds from sales will be disclosed in NexGen's annual and interim financial statements and related management's discussion and analysis filed with ASX for any quarters in which sales of ATM Shares occur.

The ATM Program is being undertaken without disclosure under Part 6D.2 of the Corporations Act. Generally, section 707(3) of the Corporations Act requires that a prospectus is issued in order for a person to whom securities were issued without disclosure under Part 6D of the Corporations Act to sell those securities within 12 months of the date of their issue. The primary purpose of the Prospectus

and the Cleansing Offer¹ is to comply with section 708A(11) of the Corporations Act to remove any trading restrictions that may attach to ATM Shares issued by NexGen so that the holders of those ATM Shares, if they choose to, may sell those ATM Shares within the 12 months following their issue, without the issue of a prospectus.

Refer to section 1 of the Original Prospectus for further details of the ATM Program and the Cleansing Offer.

3. Purpose of this Second Refresh Supplementary Prospectus

In accordance with section 723(3) of the Corporations Act, if a person offers securities under a disclosure document, and the disclosure document states or implies that the securities will be quoted on a financial market such as the ASX, and:

- (a) an application for quotation is not made within seven (7) days of the date of the disclosure document; or
- (b) the securities are not admitted to quotation within three (3) months after the date of the disclosure document,

then:

- (c) an issue or transfer of securities in response to an application made under the disclosure document is void; and
- (d) the person offering the securities must return the money received from the applicants as soon as possible.

By the issue of the Instrument, ASIC has varied the Corporations Act to allow companies to refresh the timing of the quotation condition to commence from the date of a refresh document, such that the seven (7) day period to apply for quotation and the (3) month period for the securities to be admitted to quotation is taken to commence from the date that the refresh document is lodged with ASIC. The Instrument imposes a number of requirements as to the content of the refresh document and on the company issuing the refresh document.

NexGen advises that, at the date of this Second Refresh Supplementary Prospectus:

- (a) NexGen has not applied for quotation of the New CDI offered pursuant to the Cleansing Offer; and
- (b) the New CDI has not been admitted to quotation on the ASX.

This Second Refresh Supplementary Prospectus has been issued for the purposes of refreshing the periods for:

- (a) applying for quotation of the New CDI from seven (7) days from the date of issue of the First Refresh Supplementary Prospectus to seven (7) days from the date of this Second Refresh Supplementary Prospectus; and
- (b) admission to quotation of the New CDI from three (3) months from the date of the First Refresh Supplementary Prospectus to three (3) months from the date of this Second Refresh Supplementary Prospectus,

in accordance with section 724(3G)(d) of the Corporations Act, as inserted by the Instrument.

It is likely that NexGen will issue further refresh documents while the ATM Program remains active until the Cleansing Offer is closed or the Prospectus expires on 9 February 2024, being the statutory expiry date of the Prospectus in accordance with section 711(6) of the Corporations Act.

Quotation of the New CDI remains subject to successful completion of the Cleansing Offer. ASX has neither indicated that the New CDI offered under the Cleansing Offer will not be admitted to quotation, nor that the New CDI will be admitted to quotation subject to certain conditions being satisfied. NexGen does not expect that ASX will set any such conditions for quotation of the CDI.

Upon lodgement of this Second Refresh Supplementary Prospectus, and subject only to the lodgement of any future refresh document, the quotation condition must be satisfied by 6 October 2023, being three months after the date of this Second Refresh Supplementary Prospectus.
