LODGEMENT OF APPENDIX 2A

Nex Metals Explorations Ltd (ASX:NME) (**Company**) wishes to advise that, due to an administrative oversight, it failed to lodge an Appendix 2A in relation to 28,919,475 shares issued on 29 September 2022.

On 29 September 2022, the Company announced that certain creditors of the Company had agreed to the issue of shares in satisfaction of liabilities owed to them by the Company. An Appendix 3B was lodged on the same date in relation to those shares. The Company failed to lodge a corresponding Appendix 2A.

An Appendix 2A will be lodged contemporaneously with this announcement for the shares issued on 29 September 2022. The application for quotation of the additional 28,919,475 shares does not change the total number of shares currently on issue in the capital of the Company.

Yours Sincerely

Kenneth M Allen

Managing Director
