Advanced Share Registry Limited provides registry services to listed and unlisted clients on a national basis. The business has built its registry operations through its reputation and delivery as an efficient, cost effective service provider.

Advanced Share Registry Limited (ASX: ASW, "the Company") advises that pre-tax operating for the year ending 30 June 2023 is estimated to be \$2,200,000 (2022: \$2,359,707).

Significantly decreased initial public offerings as well as subdued corporate activities have affected this year's results, however, they have been boosted by a one-off reimbursement of past software expenses totalling \$500,000 for a discontinued project.
