## Successful Placement for West Arunta and Kimberley Exploration Programs

### Highlights:

- **The Company has received firm commitments to raise \$1.5 million through the issue of 6 million shares at an issue price of \$0.25 per share (Placement)**
- **Drilling to commence at Bow River nickel copper project in Kimberley region, mid to late August**
- **Stansmore Nb-REE Project land access negotiations proceeding well, following meetings with Central Desert Native Title Services and Chairman of Parna Ngururra Aboriginal Corporation**

Mr. Thomas Langley, Technical Director commented, "It is extremely pleasing to have the support of existing and new shareholders in the recent placement as we get ready to drill the Bow River nickel copper project and progress our West Arunta projects in parallel. The support is a strong endorsement of the quality of our projects, and I am looking forward to an exciting few months ahead as drilling gets underway."

"Bow River is an extremely compelling nickel-copper magmatic sulphide prospect which ranks as a standout target in the Kimberley, with similarities to Panoramic's Savannah mine and I'm looking forward to drilling soon."

**Lycaon Resources Ltd** (ASX: LYN) (**Lycaon** or the **Company**) is pleased to advise that it has secured firm commitments to raise a total of \$1.5 million through the issue of 6 million shares at an issue price of \$0.25 per share (Placement). The Placement was well supported by new and existing shareholders and enables the Company to complete planned exploration programs at the Company's 100% owned projects in the Kimberley and West Arunta regions in Western Australia.

### Placement

The Company completed a single tranche Placement of up to 6,000,000 new ordinary fully paid shares ("Placement Shares") to raise A\$1,500,000 at A\$0.25 per share. The Placement Shares will be issued under the Company's existing placement capacity in accordance with ASX Listing Rule 7.1/ 7.1A.

The issue price of \$0.25 represents a 13.7% discount to the last traded price and a 2% premium to the 30 day VWAP.

Inyati Capital Pty Ltd acted as Lead Manager (LM) to the Placement and will be paid a 6% fee on funds raised. The LM will receive options in the amount of 10% of the total shares issued under the Placement with a strike price at a 50% premium to the issue price of the Placement and expiry 3 years from the date of issue.

Proceeds from the Placement will be used towards drilling at the Bow River nickel project, finalise permitting and commence drilling at the Stansmore REE project, and general working capital.
