About Spectur Limited

Spectur Limited (ASX:SP3) helps make communities safer in remote and unpowered areas by providing the only surveillance solution that can spot a problem, make a decision and take an action – without a cabled connection. The Company is an Australian-based developer of security, surveillance, safety and warning solutions powered by solar, IoT [Internet of Things] sensors, AI (artificial intelligence), camera and cloud-based technology.

The company's solution is unique because it can sense, think and act without needing people, data cables or power cords.
