¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

In light of the Company's size and nature, the Board considers that the current corporate governance regime is a fit-for-purpose, efficient, practical and cost-effective method of directing and managing the Company. As the Company's activities develop in scale and complexity, the implementation of additional corporate governance policies and structures will be considered.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1

A listed entity should have and disclose a board charter setting out:

- (a) the respective roles and responsibilities of the board, the chair and management; and***
- (b) those matters expressly reserved to the board and those delegated to management.***

The Company complied with Recommendation 1.1 in full for the whole of the Reporting Period.

The Company has adopted a Board Charter which complies with the guidelines prescribed by the ASX Corporate Governance Council, and sets out the respective roles and responsibilities of the board, the chair and management and those matters expressly reserved to the board and those delegated to management.

A copy of the Company's Board Charter is set out in the Corporate Governance Plan which is available at the Company's website.

Recommendation 1.2

A listed entity should:

- (a) undertake appropriate checks before appointing a director or senior executive, or putting someone forward for election, as a director; and***
- (b) provide security holders with all material information relevant to a decision on whether or not to elect or re-elect a director.***

The Company complied with Recommendation 1.2 in full for the whole of the Reporting Period.

It is the Company's policy under its Nomination Committee Charter, to undertake appropriate checks before appointing a Director or senior executive, or putting someone forward for election as a director.

During the Reporting Period, the Company did not appoint or put forward any new candidates for election as director of the Company, and did not appoint any senior executives of the Company.

The Company provides shareholders with all material information relevant to a decision on whether or not to elect or re-elect a Director prior to any general meeting at which a resolution to elect or re-elect a Director will be voted on.

The Company complied with Recommendation 1.3 in full for the whole of the Reporting Period.

The Company has a written agreement with each Director and senior executive of the Company, which sets out the terms of their appointment.

The Company complied with Recommendation 1.4 in full for the whole of the Reporting Period.

The Board Charter of the Company sets out the specific responsibilities of the Company Secretary and provides that the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

Recommendation 1.5

A listed entity should:

The Board and the Company as a whole is committed to an inclusive workplace that embraces and values diversity while always upholding the principle of meritocracy.

The Company complied with Recommendation 1.5(a) and (c) in full for the whole of the Reporting Period, but did not comply with Recommendation 1.5(b) in full during the Reporting Period as, given the size of the Company and its workforce, it does not have sufficient resources to be able to define and implement a formal diversity program compliant with the Recommendations. Further, the Board considers that, at this stage, the incremental benefits of a structured diversity program are disproportionate to the implementation costs involved whilst the Company's workforce remains small. However, once the Company's workforce exceeds 100 employees, the Company intends to adopt practices in line with the Recommendations of the ASX Corporate Governance Council, including compliance with the requirement for the Company to set and report against measurable objectives for achieving gender diversity.

During the Reporting Period:

- (a) the Company had in place a Diversity Policy which was disclosed on its website;***

The Company defines its senior executives as those executive employees identified as "Key Management Personnel" in the Remuneration Report of the Company's latest Annual Report:***

- 33% of the Company's senior executives as at 30 June 2023 were female; and
 - 19% of the Company's entire workforce of 37 people as at 30 June 2023, were female.
- (d) The Company was not in the S&P/ASX300 Index at the commencement of the Reporting Period.

A listed entity should:

- (b) disclose for each reporting period, whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.***

The Company complied with Recommendation 1.6 in full for the whole of the Reporting Period.

The Company has adopted a Performance Evaluation Policy which sets out the process for annually evaluating the performance of the Board, its committees and individual directors. During the Reporting Period, the Board undertook a formal performance evaluation of the individual directors and Board generally, in line with its Performance Evaluation Policy.

A copy of the Performance Evaluation Policy is disclosed on the Company's website.
