Goodwill	<u>1,151,177</u>	<u>1,194,670</u>

Goodwill relates to the acquisition of Africa, and RocketDNA (WA) Pty Ltd (formerly Rocketmine WA Pty Ltd or Arvista Pty Ltd).

The recoverable amount of all cash-generating units is based on the higher of its value-in-use or fair value less costs to sell which require use of assumptions. For the purpose of impairment testing, goodwill is allocated to two (2) cash-generating units (CGU), being Africa and RocketDNA (WA) Pty Ltd . In assessing goodwill impairment for the period ended 30 June 2023, both CGUs used a discounted cash flow model in accordance with the value-in-use (VIU) method, which reflect the present value of the future cash flows to be derived from each CGUs.

Loan funded shares (iv) (v)

There were 15,000,000 shares issued to key management personnel as part of Loan Funded Share (LFS) arrangements approved by shareholders at the AGM on 25 May 2023.

1. RocketDNA Ltd provides its key executives, ('the executive') with a loan to purchase an agreed number of RocketDNA Ltd shares at an issue price based on the 10-day Volume Weighted Average Price (VWAP) at the date of issue;
2. The Limited Recourse Loan will be interest free for a period of five years, provided that if the Limited Recourse Loan is not repaid by the repayment date, the Limited Recourse Loan will incur interest at a default rate after that date (which will accrue on a daily basis and compound annually on the then outstanding Limited Recourse Loan balance

 - (A) 5 years from the date on which the Loan is advanced to the borrower;
 - (B) the cessation of employment of the borrower;
 - (C) a change in control of the Company or an event of default (including a breach of the loan agreement by the borrower or a bankruptcy or insolvency event occurring in relation to the borrower);

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF ROCKETDNA LTD (FORMERLY KNOWN AS DELTA DRONE INTERNATIONAL LIMITED) AND ITS CONTROLLED ENTITIES

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of RocketDNA Ltd (formerly known as Delta Drone International Limited) and its controlled entities (the Group), which comprises the consolidated statement of financial position as at 30 June 2023, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the consolidated financial position of the Group as at 30 June 2023 and of its consolidated financial performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Directors' Responsibility for the half-year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's consolidated financial position as at 30 June 2023 and its consolidated financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of the Group, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
