¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

Principle 1: Lay solid foundations for management and oversight

Recommendation 1.1

The Company has established the respective roles and responsibilities of its Board and management, and those matters expressly reserved to the Board and those delegated to management, and has documented this in its Board Charter.

The responsibilities of the Board include but are not limited to:

- (a) setting and reviewing strategic direction and planning;
- (b) reviewing financial and operational performance;
- (c) identifying principal risks and reviewing risk management strategies; and
- (d) considering and reviewing significant capital investments and material transactions.

In exercising its responsibilities, the Board recognises that there are many stakeholders in the operations of the Company, including employees, shareholders, co-venturers, the government and the community.

The Board has delegated responsibility for the business operations of the Company to the Chief Executive Officer. The Chief Executive Officer is accountable to the Board.

CORPORATE GOVERNANCE STATEMENT

Recommendation 1.2

The Company undertakes appropriate checks before appointing a person or putting forward to shareholders a candidate for election as a director and provides shareholders with all material information in its possession relevant to a decision on whether or not to elect a director.

Recommendation 1.3

The Company has a written agreement with each of the directors and senior executives setting out the terms of their appointment. The material terms of any employment, service or consultancy agreement the Company, or any of its child entities, has entered into with its Chief Executive Officer, any of its directors, and any other person or entity who is a related party of the Chief Executive Officer or any of its directors will be disclosed in accordance with ASX Listing Rule 3.16.4 (taking into consideration the exclusions from disclosure outlined in that rule).

Recommendation 1.4

The Company Secretary is accountable directly to the Board (through the Chairperson, if applicable) on all matters to do with the proper functioning of the Board. The Company Secretary assists in the application of best practice in corporate governance and supports the effectiveness of the Board by:

- (a) ensuring a good flow of information between the Board, its committees, and directors;
- (b) monitoring policies and procedures of the Board;
- (c) advising the Board (through the Chairperson, if applicable) of corporate governance policies; and
- (d) conducting and reporting matters of the Board, including the despatch of Board agendas, briefing papers and minutes.

Recommendation 1.5

The Company has a Diversity Policy, the purpose of which is:

- (a) to outline the Company's commitment to creating a corporate culture that embraces diversity and, in particular, focuses on the composition of its Board and senior management; and
- (b) to provide a process for the Board to determine measurable objectives and procedures which the Company will implement and report against to achieve its diversity goals.

The Company does not select candidates based on gender or ethnicity. Rather, the recruitment process provides a choice of candidates from a diverse pool after canvassing the relevant market and by selecting the most appropriate candidate based on merit and suitability for the role.

As at 30 June 2023, there is 1 woman in a senior executive position in the Company and 14 women employees across the Company, representing 30% of the whole organisation. There are no women on the Board at this time. The Board maintains full transparency of board processes, reviews and appointments, and encourages gender diversity.

Recommendation 1.6

As the Company appointed a Non-Executive Chairman in February 2023 who is responsible for arranging Board performance reviews.

Section 2 of the Nomination and Remuneration Committee Charter states that the committee will assist and advise the Board in relation to evaluation of Directors.

This policy was updated in January 2023 and the Company recently conducted a skills assessment evaluation for the Directors in the reporting period ended 31 March 2023 (prior to the change of financial year end from 31 March to 30 June).

Recommendation 1.7

The Chief Executive Officer is responsible for evaluating the performance of the Company's senior executives.

compensation for eligible employees. Flexiroam is looking to establish an annual review process to ensure that the Board and its senior executives are able to meet the demands of a rapidly changing business environment and oversee the implementation of the Company's medium to long-term strategy.

Principle 2: Structure the board to add value

Recommendation 2.1

The Company established a Nomination and Remuneration Committee (**NRC**) in January 2023. The NRC is comprised of 3 non-executive directors and is chaired by Mr Kenn Tat (Jefrey) Ong. The NRC is governed by the NRC Charter which sets out the role and responsibilities of the NRC.

Recommendation 2.3

The Board considers the independence of directors having regard to the relevant factors listed in Box 2.3 of the Principles and Recommendations. Currently the Board is structured as follows:

- (a) Tat Seng Koh (Non-Executive Chairman) – appointed 3 September 2018 as Non-Executive Director, transitioned to Non-Executive Chairman on 1 February 2023;
- (b) Marc Barnett (Executive Director and Chief Executive Officer) – appointed 22 February 2021;
- (c) Kenn Tat (Jefrey) Ong (Non-Executive Director) – appointed 18 March 2015; and
- (d) Stephen (Steve) Picton (Non-Executive Director) – appointed 1 June 2022.

Marc Barnett is an Executive Director, and accordingly, is not considered to be independent.

Jefrey Ong and Tat Seng Koh are substantial shareholders and therefore not considered to be independent.

The Board considers Mr Steve Picton as an independent director for the purposes of the Recommendations, as he is free from any interest, position, association or relation that could materially interfere with, or reasonably be perceived to materially interfere with, the independent exercise of his judgement.

Recommendation 2.4

The Company is at variance with Recommendation 2.4 in that only one of the Directors is considered to be Independent.

The Board acknowledges this recommendation but nevertheless, the Board believes that each of the non-independent Directors bring objective and unbiased judgement to the Board's deliberation and that each of them provides invaluable contribution to the Company through their considerable skills, experience and understanding of the Company's business.

Recommendation 2.5

Tat Seng Koh was appointed Non-Executive Chairman effective from 1 February 2023.

Recommendation 2.6

It is a policy of the Company that new directors undergo an induction process in which they are given a full briefing on the Company.

CORPORATE GOVERNANCE STATEMENT

The Company supports a culture of honest and ethical behaviour in ensuring good corporate compliance and governance. The policy sets out, amongst other things, instances of suspected misconduct which can be reported to the internal and external parties and summarises the protections offered to whistleblowers. Any material breach of the Company's policies, including any breach of the Whistleblower Policy, is raised and reviewed at Board Meetings.

Recommendation 3.4

The Anti-Bribery and Corruption Policy demonstrates that the Company is committed to maintain high standards of integrity and accountability in conducting its business. The policy provides a framework of guidelines and principles to encourage ethical behaviour in the conduct of business. Any material breach of the Company's policies, including any breach of the Anti-Bribery and Corruption Policy, is raised and reviewed at Board Meetings.

Recommendation 4.2

Before the Board approves the Company's financial statements for each financial period it receives from the Chief Executive Officer and the Chief Financial Officer (or equivalents) a declaration that, in their opinion, the financial records of the Company for the relevant financial period have been properly maintained and that the financial statements for the relevant financial period comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Company and the consolidated entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which are operating effectively.

Recommendation 4.3

CORPORATE GOVERNANCE STATEMENT

Each year, the Company informs the Company's auditor of the date of the Company's annual general meeting. In accordance with section 250S of the Corporations Act, at the Company's annual general meeting where the Company's auditor or their representative is at the meeting, the Chairperson of the meeting allows a reasonable opportunity for the members present at the meeting to ask the auditor (or its representative) questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit.

The policy sets out policies and procedures for the Company's compliance with its continuous disclosure obligations under the ASX Listing Rules, and addresses financial markets communication, media contact and continuous disclosure issues. It forms part of the Company's corporate policies and procedures and is available to all staff.

The Chief Executive Officer manages the policy. The policy will develop over time as best practice and regulations change and the Company Secretary will be responsible for communicating any amendments. The policy is reviewed by the Board annually.

The Board encourages full participation of shareholders at meetings to ensure a high level of accountability and identification with the Company's strategies and goals.

However, due to the size and nature of the Company, the Board does not consider a policy outlining the policies and processes that it has in place to facilitate and encourage participating at meetings of shareholders to be appropriate at this stage.

Recommendation 6.4

In order to ascertain the true will of the Company's shareholders attending and voting at its shareholder meetings, whether they attend in person, virtually or by proxy or other representative, in most situations where this can be achieved the Company will conduct the voting procedure by a poll.
