In order to comply with the provisions of the Corporations Act 2001, the Directors' Report as follows:

Directors

The Directors of the Company at any time during or since the end of the financial period are set out below:

Mr Wayne Johnson (Non-Executive Chairman)

Review and Results of Operations

The loss after tax for the half year ended 30 June 2023 attributable to the members of the Company was \$300,546 (30 June 2022: Loss of \$422,615). A significant component of that loss resulted from the Board's decision to fully impair the Company's intangible assets with an impairment charge \$89,570 (MYR 268,961).

During the half year, the Company's Malaysian operations were negatively impacted by a slowing Malaysian economy that has been impacted by weakening domestic and global demand and a slowdown with its major trading partner, China. Whilst the economy is slowing, further downside risks are also present due to weaker global growth and a longer than expected technology downcycle.

Whilst domestic demand is set to struggle, the Company is intensifying its marketing and sales initiatives. More specifically, Biztrak's marketing and sales strategies are being expanded to include active participation in relevant exhibitions and expos. These exhibitions provide Biztrak with an ideal platform to effectively engage with its audience, allowing potential customers to gain a better understanding of our software solutions and instilling them with the confidence to utilise those software solutions.

Moreover, Biztrak is proactively seeking new partnerships to expand the reach of its software solutions. By broadening its sales channels, Biztrak is aiming to tap into a wider market to enhance its overall performance and bolster its market presence and growth by delivering innovative solutions to its clients.

The strategic direction of the Company remains committed to its technology focus, being the Malaysian based Biztrak business and its ongoing development and growth.

Subsequent Events

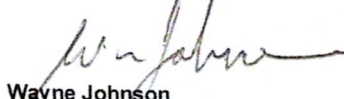

There have been no matters or circumstances, that have arisen since the end of the half year, that has significantly affected, or may significantly affect, the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial periods.

Auditor's Independence Declaration

The auditor's independence declaration for the half year ended 30 June 2023 has been received and can be found on page 11.

Signed in accordance with a resolution of the Board of Directors made pursuant to Section 306(3) of the Corporations Act 2001.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF
CAPE RANGE LIMITED

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
