

## Announcing Launch of New Investor Hub

ASX Announcement | 7 September 2023

**Outdoor sensing, thinking and acting solutions and platforms company Spectur Limited (Spectur, ASX: SP3)** today announces the formal launch of Spectur Investor Hub, a dedicated interactive platform for investors. It will allow our current and future investors to learn more about Spectur and our activities.

Visit the Investor Hub here: <https://investorhub.spectur.com.au/>

In line with our commitment to deliver transparency to all investors, Spectur will be regularly uploading new content to the hub, including videos accompanying select announcements, education material, interviews and corporate research.

Spectur encourages investors to post questions/feedback through the Q&A function accompanying each piece of content and the Spectur team will endeavour to respond in a timely manner.

### How to join the Spectur Investor Hub

1. Head to <https://investorhub.spectur.com.au/>
2. Follow the prompts to sign up for an Investor Hub account
3. Complete your account profile

From time to time, investors with complete accounts on the Investor Hub may be invited to **exclusive company events and corporate opportunities**.

We appreciate our shareholders' support during this transition and we look forward to updating investors on our progress in FY24 and beyond via the Investor Hub.

### Executive commentary

#### Spectur Managing Director, Gerard Dyson, said:

*"We are keen to build and nurture a closer relationship with our current and future shareholders. A key to this is more effective, two-way communication that allows all investors to become more engaged with the company."*

*"In addition to extra content that we will share on the platform, the Q&A function enables shareholders to ask questions and get answers, in a public forum. Whilst I will continue to respond to enquiries at [investors@spectur.com.au](mailto:investors@spectur.com.au), I am optimistic that this forum can be great for providing clarity to all interested parties, in almost real time."*

**Ends.**

This ASX release is authorised by the Board of Directors of Spectur Limited.

## About Spectur Limited

Spectur Limited (ASX:SP3) is an Australian-based developer of security, surveillance and warning solutions powered by solar, IoT [Internet of Things], camera and cloud-based technology. The Company owns the rights to its innovative hardware and disruptive cloud-based systems which are deployed to provide solutions to industries including government and utilities, and the building, construction, and civil sector.

Spectur's core products are solar powered warning, deterrence and surveillance systems and associated cloud-based platforms. These systems incorporate cameras, lighting, audible warnings, and a hardware IoT platform, remotely accessed and connected via 3G/4G technology to a cloud-based platform. The offering is complemented by a longer distance, 24-hour thermal camera deterrence solution, suitable for customers with long perimeters.

Spectur is used and trusted by small business to multinationals and the Company is currently implementing a strategic growth plan to build market dominance in the Australian government and utilities sector to meet demand for innovative, remote camera and IoT solutions.
