¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

CORPORATE GOVERNANCE STATEMENT 2023

Yandal Resources Limited (“Yandal” or the “Company”) has implemented and is committed to the ASX Corporate Governance Council’s (“Council”) *Fourth Edition Corporate Governance Principles and Recommendations*, and to maintaining a high standard of corporate governance. Where the Company’s corporate governance practices do not meet with all the practices recommended by the Council, or the Board does not consider it practicable or necessary to implement some principles due to the size and stage of development of its operations, the Board’s reasoning for any departure is explained. Set out below are the corporate governance practices of the Company.

This document is current as at 20 September 2023. The information in this statement should be read in conjunction with the Company’s 2023 Annual Report and has been approved by the Board of the Company.

Principle and Recommendations	Comply (Yes/No)	Explanation
PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT		
Recommendation 1.1 A listed entity should disclose: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Yes	The Board Charter sets out matters including the specific roles and responsibilities of the Board and management requirements as to the Board's composition, the roles and responsibilities of the Chair and Company Secretary, and the establishment, operation and management of Board Committees. The Company’s Board Charter is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Yes	(a) The Company undertakes checks on any person who is being considered as a director. These checks may include good fame and character, experience, education and financial history and background. (a) All material information relevant to a decision on whether or not to elect or re-elect a Director will be provided to security holders in a Notice of Meeting pursuant to which the resolution to elect or re-elect a Director will be voted on.
Recommendation 1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Yes	Each senior executive and executive Director has a formal employment contract and the non-executive Directors have a letter of appointment.

Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and; (c) disclose in relation to each reporting period: (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity's progress towards achieving those objectives; and (3) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.	Yes	(a) The Company has adopted a formal Diversity Policy that includes, but is not limited to, factors such as gender, age, ethnicity and cultural background. Appointments are made on ability and availability. (b) The policy can be viewed on the Company's website. (c) The Board did not set measurable gender diversity objectives for the past financial year because the Board considered the application of a measurable gender diversity objective requiring a specified proportion of women on the Board and in senior executive roles would, given the small size of the Company and the Board, unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing based on skills and merit. As at 20 September 2023, the proportion of women employed in the Group was: <table border="1"> <thead> <tr> <th>Level</th><th>Number of Women</th><th>Proportion of Women</th></tr> </thead> <tbody> <tr> <td>Board</td><td>1 of 3</td><td>33%</td></tr> <tr> <td>Senior Executives*</td><td>1 of 4</td><td>33%</td></tr> <tr> <td>Whole organisation</td><td>2 of 7</td><td>28%</td></tr> </tbody> </table> *Senior executives include Directors and Company Secretary.
