

Appointment of Apex Geoscience & CEO Resignation

Tambourah Metals Ltd (TMB) are pleased to announce that they have appointed Apex Geoscience (Apex) to manage TMB's Critical Minerals Portfolio Exploration from Oct 16th.

Apex is a geological consultant company headed by Steve Nicholls who has over 25 years industry experience in Gold, Lithium, REE and base metals. The Apex Australia team have exposure through the Pilbara, Goldfields and Arunta in the Northern Territory.

Apex have a team comprising 20 exploration geologists and field assistants with experience in geochemical sampling, RAB/AC, RC and diamond core logging, geological mapping, project management, tenement maintenance and statutory reporting requirements.

Apex have worked with TMB since January 2022 on their gold projects and will now work closely with the TMB exploration team on their gold and critical minerals portfolio.

The appointment follows the resignation of Ralf Kriege as Chief Executive Officer.

Authorised on Behalf of the Board of Tambourah Metals Ltd.
