EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.forrestaniaresources.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – WILLIAM HIGGINS

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

William Higgins, who has served as a Director since 3 June 2021, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Higgins has more than a decade of experience as a geologist across multiple commodities, with a specialised expertise in gold exploration. He has identified the potential and planned exploration leading to significant gold discoveries in Western Australia, including Northern Star Resources' Ramone mine located in the Eastern Goldfields region, and multiple economic discoveries and resource advancements in the Southern Cross Region.

Mr Higgins is a member of AIG with a Bachelor of Science Degree, majoring in Geology from University of Canterbury. He will be an independent Director of the Company.

3.3 Independence

If re-elected the Board considers Mr Higgins will continue to be an independent Director.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Higgins will be re-elected to the Board as an independent Director.

In the event that Resolution 2 is not passed, Mr Higgins will not join the Board as a Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.5 Board recommendation

The Board considers that Mr Higgins' skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Higgins and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval

of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$4,589,424 (based on the number of Shares on issue and the closing price of Shares on the ASX on 26 September 2023).

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (b) if the Equity Securities are not issued within 10 trading days of the date in Section 4.2(b)(a), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for exploration activities and general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 26 September 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		Dilution			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.023	\$0.045	\$0.07
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	101,987,208 Shares	10,198,721 Shares	\$234,570	\$458,942	\$693,512
50% increase	152,980,812 Shares	15,298,081 Shares	\$351,855	\$688,413	\$1,040,269
100% increase	203,974,416 Shares	20,397,442 Shares	\$469,141	\$917,884	\$1,387,025

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (a) There are currently 101,987,208 Shares on issue comprising.

- (b) The issue price set out above is the closing market price of the Shares on the ASX on 26 September 2023 (being \$0.0450).
- (c) The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- (d) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (e) The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (f) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (g) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- (h) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (i) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and

- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 22 November 2022 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 28 November 2022 the Company has not issued any Equity Securities pursuant to the Previous Approval.

4.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTIONS 4 – RATIFICATION OF PRIOR ISSUE OF SECURITIES – ALX RESOURCES CORP

5.1 Background to ALX Resources Corp Issue

On 8 May 2023, the Company announced that it had entered into an agreement with ALX Resources Corp. (**ALX**), a Canadian exploration company listed on the Toronto Stock Exchange (TSXV:AL), to earn a 50% interest in their 100% owned Hydra Lithium Project and to form a Joint Venture in the James bay Region of Quebec, Canada. Under the terms of the agreement the Company issued CAD\$600,000 in shares to ALX, comprising 4,579,586 fully paid ordinary shares (**ALX Shares**) (based on an AUD:CAD exchange rate of 0.881 and the 10-day volume weighted average ASX:FRS price of AUD\$0.1486 per share). Refer to the Company's announcement on 7 July 2023 for further information.

The issue of the ALX Shares did not breach Listing Rule 7.1 at the time of the issue.

Summary of Agreement

ALX undertook staking of the 8 sub-projects, which comprise the Hydra Lithium Project (**HLP**) and prior to the formation of the joint venture with the Company, was the 100% owner of the HLP. Exploration costs to the end of the 2023 field season are projected to total CAD\$900,000.

The following terms provide for the Company to essentially match ALX's staking and exploration commitment. To earn a 50% interest in the HLP the Company has now paid ALX Resources Corp:

- (a) CAD \$50,000 non-refundable deposit for a 60-day exclusivity period ahead of closing,
- (b) CAD \$350,000 in cash on closing, and
- (c) CAD \$600,000 in shares within 5 days of the closing, being the ALX Shares the subject of this Resolution 4.

At the completion of the earn-in, a joint venture will be formed between the parties to explore and administer the properties.

The purpose of Resolution 4 is to ratify the issue of the ALX Shares.

5.2 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company issued the ALX Shares under its available 15% placement capacity under Listing Rule 7.1, and the Company is now seeking to ratify those issues so that it retains flexibility under its 15% placement capacity moving forward.

5.3 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the ALX Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the ALX Shares.

If Resolution 4 is not passed, the ALX Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the ALX Shares.

5.4 Technical information for Resolution 4

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the ALX Shares were issued ALX Resources Corp.=.

6. RESOLUTIONS 5 AND 6 – RATIFICATION OF PRIOR ISSUE OF SHARES – TOPDRILL PTY LTD

6.1 Background

On 31 August 2023, the Company issued 627,298 Shares to Topdrill Pty Ltd (**Top Drill**) (Resolution 5) and on 6 October 2023, the Company issued 314,396 Shares to Top Drill (Resolution 6), in lieu of cash for fees for unpaid invoices in respect of a drilling costs agreement entered into with the Company on 22 May 2023 (**Agreement**). The purpose of the Agreement is to articulate the settlement terms of invoices issued on or after commencement of RC Drilling for the Company.

Summary of Agreement

At the election of the Company, up to 50% of the total invoice value apportioned to meter charges, inactive rate and active rate is agreed by Top Drill to be paid and satisfied by the Company issuing fully paid Shares to top Drill (or Nominee) up to a maximum amount of \$1,000,000. The Shares will be issued at the five-day volume weighted average price (**VWAP**) of Shares as traded on the ASX for the five trading days preceding the date of Top Drill's invoice.

All other charges to be paid to Top Drill under the Agreement are to be paid by the Company in cash.

The Company and Top Drill may agree that the maximum amount of Shares to be issued under the Agreement may be increased.

The Agreement otherwise contains standard terms for an agreement of its type.

6.2 General

Listing Rule 7.1 and 7.4 are summarised in Section 5.2 above.

The issue of the Shares to Top Drill does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Resolutions 5 and 6 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares to Top Drill.

6.3 Technical information required by Listing Rule 14.1A

If Resolutions 5 and 6 are passed, the Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Shares.

If Resolutions 5 and 6 are not passed, the Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of

equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Shares.

6.4 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolutions 5 and 6:

- (a) the Shares were issued to Top Drill Pty Ltd (or nominee).
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that the recipient is not:
 - (a) a related party of the Company, member of the Company's Key Management Personnel, substantial holder of the Company, advisers of the Company or an associate of any of these parties; and
 - (b) issued more than 1% of the issued capital of the Company;
- (c) 627,298 Shares were issued on 31 August 2023 (Resolution 5) and 314,396 Shares were issued on 6 October 2023 (Resolution 6);
- (d) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) The deemed issue price of the Shares was:
 - (a) \$0.1565 per Share for the Shares issued on 31 August 2023 (Resolution 5); and
 - (b) \$0.060648 per Share for the Shares issued on 6 October 2023 (Resolution 6).

The Company has not and will not receive any consideration for the issue of the Shares;
- (f) the Shares were issued on 31 August 2023 and 6 October 2023;
- (g) the purpose of the issue of the Shares was to satisfy the Company's obligations under the agreement with Top Drill by paying for Top Drill's drilling services by the issue of Shares in lieu of cash to preserve the Company's cash;
- (h) the Shares were issued under the Agreement, a summary of the material terms of which are set out in Section 6.1 above.

7. RESOLUTIONS 7 TO 10 – APPROVAL TO ISSUE SHARES TO DIRECTORS IN LIEU OF FEES – MICHAEL ANDERSON, JOHN HANNAFORD, DAVID IZZARD, WILLIAM HIGGINS

7.1 General

The Company has agreed, subject to obtaining Shareholder approval to issue Shares to Dr Michael Anderson, Mr John Hannaford, Mr David Izzard, and Mr William Higgins (or their nominees) (together, the **Director Fee Shares**), in lieu of directors' fees payable during the period from 1 January 2024 to 31 December 2024. The Director Fee Shares are proposed to be issued under the Company's

Employee Securities Incentive Plan (**Plan**) and on the terms and conditions set out below.

7.2 Director Recommendation

Each Director has a material personal interest in the outcome of Resolutions 7, 8, 9 and 10 on the basis that all of the Directors (or their nominees) are to be issued Shares should Resolutions 7, 8, 9 and 10 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 7, 8, 9 and 10 of this Notice.

7.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Director Fee Shares to the Directors (or their nominees) constitutes giving a financial benefit and the Directors are a related party of the Company by virtue of being Directors. However, the Directors note that the Director Fee Shares for which approval is being sought is in lieu of cash remuneration that would otherwise be payable to them and is not in addition to their cash salaries.

7.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit a director of the entity or an associated of a director of the entity to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities.

Resolutions 7 to 10 therefore seek the required Shareholder approval for the issue of the Shares to the Directors under the Plan for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14. If Resolutions 7 to 10 are passed, the Company will be able to proceed with the issue of Director Fee Shares to the Directors under the Plan to the Directors within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Fee Shares (because approval is being obtained under Listing Rule 10.14), the issue of the Director Fee Shares will not use up any of the Company's 15% annual placement capacity.

If Resolutions 7 to 10 are not passed, the Company will not be able to proceed with the issue of the Director Fee Shares and the Directors will continue to be paid cash for their services, including outstanding fees owing to them from the period commencing 1 January 2024, and ongoing from that date.

7.5 Technical Information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to Resolutions 7 to 10:

- (a) the Director Fee Shares will be issued to the following persons:
 - (a) Michael Anderson (or their nominee) up to an amount of \$50,000 pursuant to Resolution 7;
 - (b) John Hannaford (or their nominee) up to an amount of \$50,000 pursuant to Resolution 8;
 - (c) David Izzard (or their nominee) up to an amount of \$36,000 pursuant to Resolution 9; and
 - (d) William Higgins (or their nominee) up to an amount of \$36,000 pursuant to Resolution 10,

each of whom falls within the category set out in Listing Rule 10.11.1 and 10.14.1 by virtue of being a Director;

- (b) the maximum number of Director Fee Shares to be issued to the Directors (being the nature of the financial benefit proposed to be given) will be determined by dividing the portion of Directors' fees that the Company has agreed to pay the Directors with Shares for the relevant quarter by the deemed issue price of the Director Fee Shares calculated in accordance with paragraph (g) below;
- (c) Mr Hannaford is entitled to director's fee of \$50,000 per annum (plus superannuation). Messrs Izzard and Higgins each are currently entitled to directors' fees of \$36,000 per annum (plus superannuation). The non-executive Directors, being Messrs Hannaford, Izzard and Higgins have agreed to defer all their Director fees pending the outcome of Resolutions 7 – 9;
- (d) Dr Anderson is paid a salary of approximately \$300,000 (plus \$24,000 superannuation) per year, however, has agreed to the deferral of an amount of \$50,000 of his Director fees pending the outcome of Resolution 6 at the Meeting;
- (e) as the Plan was only adopted by the Company on 6 July 2023, neither Dr Anderson, Mr Hannaford, Mr Izzard nor Mr Higgins have previously received any Shares under the Plan;
- (f) the Director Fee Shares to be issued are intended to be issued on a quarterly basis commencing on or around 31 March 2024, but in any event will not be issued later than 3 years after the date of the Meeting in accordance with the Listing Rules;
- (g) the Shares will be issued for nil cash consideration as they will be issued in satisfaction of Directors' fees agreed to be paid by the Company to the Directors at quarterly intervals. Accordingly, no funds will be raised from the issue of the Director Fee Shares. The Director Fee Shares will be deemed to have an issue price based on a volume weighted average price calculated at the end of each quarter corresponding to the incurred remuneration;
- (h) the purpose of the issue of the Director Fee Shares is to manage the cash costs of the Company. The Company will extinguish the outstanding liability to the Directors for fees accrued but not paid;

- (i) the Director Fee Shares are fully paid ordinary shares in the capital of the Company on the same terms as existing Shares on issue;
- (j) a summary of the terms of the Plan is set out in Schedule 1 to this Notice;
- (k) no loan is being made relating to the issue of the Director Fee Shares; and
- (l) details of the Shares issued under Resolutions 6 to 9 will be published in the annual report of the Company relating to the period in which they are issued (commencing with the 2024 financial year), along with a statement that they were issued under approval obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in any issue of securities under the Plan after these Resolutions are passed and who was not named in this Notice will not participate in the Plan until approval is obtained.

SCHEDULE 1 – TERMS AND CONDITIONS OF PLAN

The following is a summary of the material terms and conditions of the Company's Incentive Plan (**Plan**):

- (a) **(Eligible Participant)**: Eligible Participant means a person that has been determined by the Board to be eligible to participate in the Plan from time to time and is an "ESS participant" (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:
- (i) an employee or director of the Company or an individual who provides services to the Company;
 - (ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
 - (iii) a prospective person to whom paragraphs (i) or (ii) apply;
 - (iv) a person prescribed by the relevant regulations for such purposes; or
 - (v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).
- (b) **(Maximum allocation)** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
- (i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus
 - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,
- would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.
- The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.
- The Company will require prior Shareholder approval for the acquisition of equity securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director's associate is such that, in ASX's opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.
- (c) **(Purpose)**: The purpose of the Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and

- (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (d) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
- (e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

- (f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the

exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (m) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A

Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

- (n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
- (o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (r) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
