NT Minerals Completes Placement

- **Firm commitments for \$333,044 received from Placement proceeds**
- **The Placement provides funding for the Company to pursue additional and targeted project areas within the NT Minerals tenement package**

NT Minerals Limited (ASX: NTM) ('NT Minerals', 'NTM' or 'the Company') is pleased to announce that firm commitments have been received totalling \$333,044 before costs, via a share placement at \$0.009 per share (the **Placement**).

The Placement was undertaken with existing and introduced new sophisticated and professional investors to the NTM register.

The issue of the 34,782,677 Placement shares will be completed utilising the Company's ASX listing rule 7.1A placement capacity.

Settlement of the funds raised under the Placement is anticipated on or before Friday 13th October 2023, which will be utilised for analysis of target areas within the Redbank Project as well as general corporate purposes.

Executive Chairman Mal James commented:

"We are delighted to have received continued support to allow the work at the Redbank Project to proceed. Our ongoing analysis of the existing geological dataset has further encouraged our belief of the potential of the Redbank tenement package.

We look forward to providing further updates in the near term to ongoing corporate activities as well as an news flow from the work being completed by the NT geological team."
