

ASX ANNOUNCEMENT

11 October 2023

SRG Global Secures R5/B4 Transport Infrastructure Project with Transport for NSW valued at ~\$90m

Highlights:

- **SRG Global has secured a contract with Transport for NSW (TfNSW) valued at ~\$90m**
- **Scope of works include construction of an integrated road and bridge package**
- **First major project secured with recently attained highest national road and bridge accreditation (R5/B4)**

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce that it has secured a road and bridge Contract in New South Wales valued at ~\$90m.

The Contract is with TfNSW to construct the upgraded Princes Highway and Jervis Bay Road intersection at Falls Creek (just south of Nowra). The upgraded intersection will be a grade separated interchange with a bridge that will travel over Jervis Bay Road connecting to roundabouts on either side of the highway. The Project will also upgrade the Princes Highway to two lanes in each direction. The contract will start immediately and is expected to be complete in 2026 (subject to weather).

David Macgeorge, SRG Global Managing Director commented: "We are excited to secure a further integrated road and bridge project for Transport for NSW following the successful recent delivery of one of the largest balanced cantilever bridges in the southern hemisphere at Bolivia Hill, NSW. This award is an outcome of our proven ability to target any major road and bridge projects in Australia, through now having the highest national road and bridge accreditation (R5/B4)."

"The Jervis Bay Road and Princess Highway Intersection Upgrade contract reaffirms SRG Global's market leading position for the delivery of complex road and bridge projects, we look forward to working with TfNSW to deliver a safer Princes Highway with projects that include new and improved roads and bridges as part of the Australian and NSW Government's significant investment in transport infrastructure to meet the needs of regional communities."
