EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://astutemetals.com/invest/annual-reports/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – JOHN YOUNG

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

John Young, having been appointed by other Directors on 3 March 2023 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and other material directorships

Mr Young is a highly experienced geologist who has worked on exploration and production projects encompassing gold, uranium and specialty metals, including tungsten, molybdenum, tantalum and lithium.

Mr Young's previous corporate experience includes appointments as CEO of Marenica Energy Limited and CEO and Director of Thor Mining PLC.

Mr Young was the exploration manager at Pilbara Minerals Limited (ASX: PLS) from June 2014 until August 2015, appointed as technical director in September 2015 and transitioned to non-executive director in July 2017 until his resignation in April 2018. During his tenure at Pilbara Minerals, he played a significant role alongside fellow founding directors Tony Leibowitz and Neil Biddle in overseeing Pilbara Minerals rapid growth from micro-cap explorer to leading lithium producer.

Mr Young was also a director of Australian gold developer Bardoc Gold Limited (ASX: BDC) (formerly Spitfire Materials Limited) from June 2017 until its acquisition by St Barbara Limited in April 2022. During his tenure as managing director of Bardoc, he was instrumental in the mergers with Excelsior Gold Limited and Aphrodite Gold Limited to consolidate a large, high-quality gold resource inventory in the North Kalgoorlie district (the Bardoc Gold Project).

Mr Young is currently the non-executive director of lithium explorers Trek Metals Ltd (ASX: TKM), non-executive chairman of Green Technology Metals Limited (ASX: GT1) and rare earth-phosphate developer RareX Limited (ASX: REE).

3.3 Independence

John Young has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected, the Board considers John Young will be an independent Director.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of John Young.

John Young has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

3.5 Board recommendation

The Board has reviewed John Young's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of John Young and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – VINCENT JOHN FAYAD

4.1 General

Rule 12.2(b) of the Constitution provides that a director of the Company must retire from office no later than the longer of the third annual general meeting of the Company or three years following that director's last election or appointment. In the event no director has served for such a period, Rule 12.2(c) of the Constitution requires that one director (not being a director appointed to fill a casual vacancy) be nominated to retire at the Meeting, being either that director which has held office for the longest period, or determined by lot if two or more directors have held office for the same period.

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Vincent Fayad has held office as a director of the Company since 10 October 2017, and was last re-elected at the Company's annual general meeting on 30 November 2021. As such, in accordance with Rule 12.2(c) of the Company's Constitution and Listing Rule 14.5, Mr Fayad retires from office and, being eligible pursuant to Rule 12.2(d) of the Company's Constitution, offers himself for re-election as a non-executive director at the Meeting.

4.2 Qualifications and other material directorships

Mr Fayad has strong public company experience, with a particular skillset in financial and corporate matters and execution of mining exploration activities. Mr Fayad has over 40 years' experience in corporate finance, international mergers and acquisitions, accounting and other advisory related services in Sydney-based mid-tier accounting firms.

Mr Fayad is the principal of his own firm, Vince Fayad & Associates Pty Ltd (VFA), providing accounting and advisory services. VFA also provides company

secretary of ASX-listed companies, Greenvale Energy Limited and Lithium Universe Limited.

4.3 Independence

If re-elected, the Board considers Vincent Fayad will not be an independent Director, by virtue of his executive status.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Vincent Fayad will be re-elected to the Board as an executive Director.

In the event that Resolution 3 is not passed, Vincent Fayad will not join the Board as an executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4.5 Board recommendation

The Board has reviewed Vincent Fayad's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Vincent Fayad and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$16,420,780 (based on the number of Shares on issue and the closing price of Shares on the ASX on 26 September 2023).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the continued exploration expenditure on the Company's mining projects, the review of technologies for the processing of the Company's mineral sands projects, acquisition of new assets and investments (including expenses associated with such an acquisition) and general working capital.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 26 September 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.02	\$0.04	\$0.06
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	410,519,490	41,051,949	\$821,038	\$1,642,077	\$2,463,116
50% increase	615,779,235	61,577,923	\$1,231,558	\$2,463,116	\$3,694,675
100% increase	821,038,980	82,103,898	\$1,642,077	\$3,284,155	\$4,926,233

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 410,519,490 Shares on issue at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 26 September 2023 (being \$0.04).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Performance Rights vest into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Performance Rights, it is assumed that those Performance Rights vest into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 25 November 2022 (**Previous Approval**).

(g) **Issue of securities under Listing Rule 7.1A**

During the 12-month period preceding the date of the Meeting, being on and from 25 November 2022, the Company issued 26,203,321 Shares pursuant to the Previous Approval (**Previous Issue**), which represents approximately 13.39% of the total diluted number of Equity Securities on issue in the Company on 25 November 2022, which was 195,730,678 (on a post consolidation basis).

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:

Date of Issue and Appendix 2A	Date of Issue: 14 April 2023 Date of Appendix 2A: 14 April 2023
Recipients	Professional and sophisticated investors as part of a placement announced on 6 April 2023. The placement participants were identified through a bookbuild process, which involved Rawson Lewis Pty Ltd seeking expressions of interest to participate in the placement from non-related parties of the Company. None of the participants in the placement were material investors that are required to be disclosed under section 7.3 of ASX Guidance Note 21.
Number and Class of Equity Securities Issued	26,203,321 Shares ² (issued using placement capacity under LR7.1A Mandate).
Issue Price and discount to Market Price¹ (if any)	\$0.053 per Share (at a discount 24.29% to the 15-day volume weighted average market price of the Company's shares over the last 15 trading days prior to the announcement of the issue).
Total Cash Consideration and Use of Funds	Amount raised: \$1,388,776. Amount spent: \$1,388,776. Use of funds: To assist in expediting exploration activities, particularly for the Governor Boome Sands Project and the lithium projects located in Nevada, USA. Amount remaining: \$nil

Notes:

1. Market Price means the closing price of Shares on ASX (excluding special crossings, overnight sales and exchange traded option exercises). For the purposes of this table the discount is calculated on the Market Price on the last trading day on which a sale was recorded prior to the date of issue of the relevant Equity Securities.
2. Fully paid ordinary shares in the capital of the Company, ASX Code: ASE (terms are set out in the Constitution).

5.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

6. RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

6.1 General

On 25 September 2023, the Company issued 41,273,185 Shares at an issue price of \$0.05 per Share to raise \$2,063,659.25 (**Subscription Shares**).

The issue of the Subscription Shares did not breach Listing Rule 7.1 at the time of the issue.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval

of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

The issue of the Subscription Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Subscription Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Subscription Shares.

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Subscription Shares.

6.2 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Subscription Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Subscription Shares.

If Resolution 5 is not passed, the Subscription Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Subscription Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

6.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 5:

- (a) the Subscription Shares were issued to HPG Urban Developments Pty Ltd;

- (b) 41,273,185 Subscription Shares were issued and the Subscription Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Subscription Shares were issued on 25 September 2023;
- (d) the issue price was \$0.050 per Subscription Shares. The Company has not and will not receive any other consideration for the issue of the Subscription Shares;
- (e) the purpose of the issue of the Subscription Shares was to raise \$2,063,656.25, which will be applied towards executing the Company's exploration and growth strategy as follows:
 - (i) increasing the Company's footprint in claystone-hosted lithium deposits in Nevada;
 - (ii) progressing the Company's Georgina Basin IOCG Project in the Northern Territory;
 - (iii) advancing its Governor Broome Mineral Sands Project in Western Australia by upgrading the remaining resource category from inferred to indicated, and completing a Scoping Study; and
 - (iv) refine its Australia portfolio by entering into a joint venture arrangement for its East Kimberley diamond project.
- (f) the Subscription Shares were issued to HPG Urban Developments Pty Ltd under the Subscription Agreement. A summary of the material terms of the Subscription Agreement is set out in Schedule 1.
