About Tesoro

Tesoro Gold Limited was established with a strategy of acquiring, exploring, and developing mining projects in the Coastal Cordillera region of Chile. The Coastal Cordillera region is host to multiple world-class copper and gold mines, has well established infrastructure, service providers and an experienced mining workforce. Large areas of the Coastal Cordillera remain unexplored due to the unconsolidated nature of mining concession ownership, but Tesoro, via its in-country network and experience has been able secure rights to a district-scale gold project in-line with the Company's strategy. Tesoro's 95% owned Chilean subsidiary owns 93.8% of the El Zorro Gold Project.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.tesorogold.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company. The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year. The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at the annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR ALAN GIBSON

3.1 General

Clause 14.4 of the Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

As announced on 17 November 2022, the Company entered into an \$8 million capital raising, comprising a strategic investment by way of an equity placement of \$4.2 million (**Placement**) from Corporate International Holdings BV (**Gold Fields**) and a fully underwritten non-renounceable entitlement offer to raise \$3.8 million.

Pursuant to the terms of the subscription agreement for the Placement between the Company and Gold Fields (**Subscription Agreement**), it was agreed amongst other things, that Gold Fields would maintain a right to nominate a Director to the Board.

Therefore, Mr Gibson, having been appointed as Gold Fields' nominee to the Board pursuant to clause 14.4 of the Constitution on 30 August 2023, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election.

3.2 Qualifications and other material directorships

Alan Gibson (Non-Executive Director)

Mr Gibson is an experienced and skilled M&A lawyer, with more than 20 years' experience in Corporate, Energy and Resources Law, including more than 10 years of that as part of the Gold Fields Corporate Development team. Mr Gibson is currently Vice President: Corporate Development – Head of Legal for Gold Fields and has played an important role in a number of the group's key growth transactions around the world, including the proposed joint venture between Gold Fields' Tarkwa mine and AngloGold Ashanti's Iduapriem mine in Ghana; the partnership with Osisko Mining at Windfall in Quebec, Canada; acquiring the Granny Smith, Lawlers and Darlot gold mines from Barrick in 2013; acquiring a 50% interest in the Gruyere gold mine in 2016; and evaluating the various funding options for Gold Fields' key development asset Salares Norte in Chile in 2020. Mr. Gibson is an admitted legal practitioner holding a Bachelor of Laws and Bachelor of Economics from Murdoch University (WA).

3.3 Independence

If elected, the Board does not consider Mr Gibson to be an independent director, as Mr Gibson is the nominee director of Gold Fields pursuant to the terms of the Subscription Agreement.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Gibson will be re-elected to the Board and remain a Non-Executive Director, as a nominee director of Gold Fields.

In the event that Resolution 2 is not passed, Mr Gibson will not be re-elected as a Non-Executive Director. However, Gold Fields will retain its right to appoint a replacement nominee director, and the Company must procure the appointment of such replacement nominee as a director of the Company.

3.5 Board Recommendations

The Board considers that Mr Gibson's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Gibson) supports the re-election of Mr Gibson and recommends Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR LINTON PUTLAND

4.1 General

Clause 14.2 of the Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Linton Putland, who has served as a Director since 14 September 2021 and was elected on 25 October 2021, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Linton Putland (Executive Director – Mining and Development)

Mr Putland holds degrees in Mining Engineering (Bachelor of Engineering, Western Australian School of Mines) and a Masters in Science (Mineral Economics, Western Australian School of Mines). He has more than 30 years' experience in mining operations, joint ventures and corporate management in Australia, Africa and the Americas, over a wide range of commodities.

Mr Putland is principal of LJ Putland & Associates, a private mining consultancy company which was founded in 2002, providing advisory and consultancy services in mining project, company evaluation, and due diligence appraisals with a focus on corporate growth. During this period, he was also Managing Director of a privately-owned exploration company with joint venture interests in Africa.

Prior to this Mr Putland held corporate and senior management roles in IAMGOLD, AurionGold, Delta Gold and Pancontinental Mining. He is a Member of AusIMM and a Graduate Member of AICD.

Mr Putland is currently Non-Executive Director of Podium Minerals Limited (ASX:POD). Previously, he was Non-Executive Director of Breaker Resources Limited (ASX:BRB); Non-Executive Director of WA Kaolin Limited (ASX:WAK); and Non-Executive Director of Pacific Energy Limited which was acquired by the

Queensland Investment Corporation (QIC) for A\$422m for its global infrastructure fund. Mr Putland has confirmed that he considers he will have sufficient time to fulfil his responsibilities as an Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Director.

4.3 Independence

Mr Putland is engaged in an executive capacity and is therefore not considered to be an independent director.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Putland will be re-elected to the Board as a non-independent Director.

In the event that Resolution 3 is not passed, Mr Putland will not join the Board as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4.5 Board Recommendations

The Board considers that Mr Putland's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Putland) supports the election of Mr Putland and recommends Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

Under ASX Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation of \$300,000,000.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$20,018,639 (based on the number of Shares on issue and the closing price of Shares on the ASX on 29 September 2023).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in ASX Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under ASX Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

5.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for advancing the Company's existing operations including the acquisition of new opportunities and/or investments (including expenses associated with such an acquisition and/or investment), market analysis and investigation of investment opportunities, continued software and technology expenditure on the Company's current assets, the meeting of objectives under the Company's investment mandate and/or general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 29 September 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in ASX Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.010	\$0.019	\$0.029
			50% decrease	Issue Price	50% increase
Funds Raised					
Current	1,053,612,571	105,361,257	\$1,053,612	\$2,001,864	\$3,055,476
50% increase	1,580,418,857	158,041,885	\$1,580,418	\$3,002,796	\$4,583,215
100% increase	2,107,225,142	210,722,514	\$2,107,225	\$4,003,727	\$6,110,953

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 1,053,612,571 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 29 September 2023.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Performance Rights are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.

8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 25 November 2022 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 16 November 2022, the Company issued 81,148,078 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 8.20% of the total diluted number of Equity Securities on issue in the Company on 16 November 2022, which was 989,580,273.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12-month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:

The Board reserves the right to alter the way the funds are applied on this basis

(g) **Voting Exclusion**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under ASX Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

Proxy Voting Form

If you are attending the Meeting in person, please bring this with you for Securityholder registration.

Your proxy voting instruction must be received by **12.00pm (AWST) on Tuesday, 14 November 2023**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

SUBMIT YOUR PROXY

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
