3 Resolution 1 – Adoption of Remuneration Report

3.1 Overview

Section 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

3.2 Voting consequences

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

3.3 Previous voting results

The Company's Remuneration Report did not receive a Strike at the 2022 annual general meeting. Accordingly, a further resolution relating to two Strikes is not relevant for this Meeting. However, if the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2024 annual general meeting, this may result in the re-election of the Board.

The Chair intends to exercise all undirected proxies in favour of Resolution 1. If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention.

4 Resolution 2 – Re-election of Director – Mr David Wheeler

4.1 General

5.3 Board's Position

Board succession planning and Director appointments are an ongoing responsibility of the Board. The Board regularly reviews its current and future needs and considers whether these align with the skills and experience currently represented amongst the Directors.

The Board, acting in the capacity as the Remuneration and Nomination Committee (**Committee**), which is responsible for, amongst other things, periodically reviewing and considering the structure and balance of the Board and making recommendations regarding appointments of Directors.

In considering new Director appointments, the Committee's usual practice is to undertake a search, using professional recruiting firms where appropriate, for the best available candidates with the skills and expertise that best complement the skill set and experience of the existing Directors and enhance the overall effectiveness of the Board. The Committee also considers the current diversity of the Board, the composition and size of the Board and the strategic direction of the Company when determining whether a candidate will add value to the Board.

Having regard to the Company's skill matrix, current Board composition, and the skills and experience of Mr Sheridan, the Board has unanimously formed the view that Mr Sheridan does not offer relevant skills or the experience required at this time to support his appointment as a Director of the Company.

Accordingly, the Board DOES NOT ENDORSE the appointment of Mr Sheridan as a Director and unanimously recommends that Shareholders vote AGAINST the Resolution.

6 Resolution 4 – Approval of the Additional 10% Placement Capacity

6.1 General

Listing Rule 7.1A provides that an 'eligible entity' may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital at the time of issue calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 (**Additional 10% Placement Capacity**) without using that company's existing 15% annual placement capacity under Listing Rule 7.1 and without requiring further shareholder approval prior to the issue.

The Company is seeking approval under this Resolution to have the flexibility to issue additional Equity Securities under the Additional 10% Placement Capacity. As at the date of this Notice, no decision has been made by the Company to undertake any issue of Equity Securities under the Additional 10% Placement Capacity if Shareholders approve this Resolution.

The Resolution seeks Shareholder approval by way of a special resolution to provide the Company the ability to issue Equity Securities under the Additional 10% Placement Capacity during the Additional 10% Placement Period (refer to section 6.3(a) below). The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If this Resolution is passed, the Company will effectively be able to issue equity securities up to a combined annual placement capacity of 25% under Listing Rules 7.1 and 7.1A (subject to certain restrictions) without necessarily requiring prior Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the Additional 10% Placement Capacity to issue equity securities without Shareholder approval. This means the Company will only have access to the 15% annual placement capacity for issuing equity securities without necessarily requiring prior Shareholder approval under Listing Rule 7.1.

The Board recommends that Shareholders vote in favour of this Resolution.

6.2 Listing Rule 7.1A

(a) Eligible Entity

Under the Listing Rules, an 'eligible entity' is an entity which, as at the date of the relevant resolution, is not included in the S&P/ASX300 Index and has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) equal to or less than \$300 million. The Company's market capitalisation, based on the closing price of shares on 20 September 2023 of \$0.004 per Share, is approximately \$1.43 million and the Company is therefore an 'eligible entity'.

(b) Special resolution

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

(c) Type of Securities which may be issued

Any Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the company.

As at the date of the Notice, the Company has on issue one (1) quoted class of Equity Securities; ASX: CYQ.

(d) Interaction with Listing Rule 7.1

The Additional 10% Placement Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1. Therefore, approval of this

Resolution will enable the Company to issue Equity Securities under Listing Rule 7.1A without using its placement capacity under Listing Rule 7.1.

(e) **Effect of Resolution 4**

The effect of this Resolution will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the Additional 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the Additional 10% Placement Capacity:

(a) **Effective period**

Shareholder approval of the Additional 10% Placement Capacity is valid from the date of the Meeting and expires on the earlier of:

- (i) the date that is 12 months after the Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the **time and** date that Shareholders approve a transaction under Listing Rule 11.1.2 (significant change to nature or scale of activities) or 11.2 (change involving main undertaking),

(Additional 10% Placement Period).

(b) **Minimum issue price**

The issue price of Equity Securities issued under the Additional 10% Placement Capacity must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the issue price is agreed for Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued,

(Minimum Issue Price).

The Company will disclose this information when Equity Securities are issued under the Additional 10% Placement Capacity.

(c) **Purpose of issue**

The Company may only issue Equity Securities under the Additional 10% Placement Capacity for cash consideration, which it may do to fund any one or more of the following:

- (i) general working capital expenses;
- (ii) activities associated with the further development of its current assets, including its bike cameras and associated software generally;
- (iii) repayment of debt; and
- (iv) acquisition and investment in new assets (including associated expenses).

The Company will disclose this information when Equity Securities are issued under the Additional 10% Placement Capacity.

(d) **Economic and voting dilution risks**

If Equity Securities are issued under the Additional 10% Placement Capacity, there is a risk of economic and voting dilution of Shareholders, including:

- (i) the market price for Equity Securities in the class of securities issued under the Additional 10% Placement Capacity may be significantly lower on the issue date than on the date of approval under Listing Rule 7.1A (i.e. the date of the Meeting); and
- (ii) the Equity Securities may be issued under the Additional 10% Placement Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised from the issue of the Equity Securities.

The table below illustrates:

- (i) the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice (**Variable A**);
- (ii) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue as at the date of this Notice. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (e.g. a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (iii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 20 September 2023.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.002 (50% decrease in current issue price)	\$0.004 (Current issue price)	\$0.008 (100% increase in current issue price)
357,516,658 (Current)	Shares issued	35,751,665	35,751,665	35,751,665
	Funds raised	\$71,503	\$143,007	\$286,013
536,274,985 (50% increase)*	Shares issued	53,627,498	53,627,498	53,627,498
	Funds raised	\$107,255	\$214,510	\$429,020
715,033,316 (100% increase)*	Shares issued	71,503,331	71,503,331	71,503,331
	Funds raised	\$143,007	\$286,013	\$572,027

Notes:

- 1 There are currently 347,516,658 Shares on issue (including Shares subject to escrow).
- 2 The issue price used is the closing price of the Shares on the ASX on 20 September 2023.
- 3 The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity.
- 4 The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval or subsequently ratified under Listing Rule 7.1.
- 5 The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- 6 The calculations do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- 7 This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
- 8 The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(e) Allocation policy

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional 10% Placement Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional 10% Placement Capacity, including whether the Company will engage with new investors or existing Shareholders and, if so, the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and

(vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties who would otherwise require Shareholder approval under Listing Rule 10.11.

(f) **Previous approval and issues under Listing Rule 7.1A**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 22 November 2022.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued any Equity Securities pursuant to Listing Rule 7.1A.2.

(g) **Voting exclusion statement**

THIS WILL ASSIST IN REGISTERING YOUR ATTENDANCE.**

CHANGE OF ADDRESS

This form shows your address as it appears on Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes.

APPOINTMENT OF A PROXY

If you wish to appoint the Chair as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chair, please write that person's name in the box in Step 1. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate.

DEFAULT TO THE CHAIR OF THE MEETING

If you leave Step 1 blank, or if your appointed proxy does not attend the Meeting, then the proxy appointment will automatically default to the Chair of the Meeting.

VOTING DIRECTIONS – PROXY APPOINTMENT

You may direct your proxy on how to vote by placing a mark in one of the boxes opposite each resolution of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any resolution by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given resolution, your proxy may vote as they choose to the extent they are permitted by law. If you mark more than one box on a resolution, your vote on that resolution will be invalid.

PROXY VOTING BY KEY MANAGEMENT PERSONNEL

If you wish to appoint a Director (other than the Chair) or other member of the Company's key management personnel, or their closely related parties, as your proxy, you must specify how they should vote on Resolution 1, by marking the appropriate box. If you do not, your proxy will not be able to exercise your vote for Resolution 1.

PLEASE NOTE: If you appoint the Chair as your proxy (or if they are appointed by default) but do not direct them how to vote on a resolution (that is, you do not complete any of the boxes "For", "Against" or "Abstain" opposite that resolution), the Chair may vote as they see fit on that resolution.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning Advanced Share Registry Limited or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.

COMPLIANCE WITH LISTING RULE 14.11

In accordance with Listing Rule 14.11, if you hold shares on behalf of another person(s) or entity/entities or you are a trustee, nominee, custodian or other fiduciary holder of the shares, you are required to ensure that the person(s) or entity/entities for which you hold the shares are not excluded from voting on resolutions where there is a voting exclusion. Listing Rule 14.11 requires you to receive written confirmation from the person or entity providing the voting instruction to you and you must vote in accordance with the instruction provided.

By lodging your proxy votes, you confirm to the company that you are in compliance with Listing Rule 14.11.
