EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.mantleminerals.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – JOHNATHON BUSING

5.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Robert Mosig, having been appointed by other Directors on 3 July 2023 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

5.2 Qualifications and other material directorships

Non-Executive Director, joined the Board on 3 July 2023. Mr Mosig, a geologist with over 50 years of experience in gold, platinum, diamond and specialty metals was previously the founding managing Director of Helix Resources Limited (ASX: HLX) and Platina Resources Limited (ASX: PGM). He is currently a Non-Executive Director of Future Metals NL (ASX: FME) and Javelin Minerals Limited (ASX: JAV).

5.3 Independence

Robert Mosig has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers Robert Mosig will be an independent Director.

5.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Robert Mosig.

Robert Mosig has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

5.5 Technical information required by listing Rule 14.1A

If Resolution 4 is passed, Robert Mosig will be elected to the Board as an independent Director.

In the event that Resolution 4 is not passed, Robert Mosig will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5.6 Board recommendation

The Board has reviewed Robert Mosig's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Robert Mosig and recommends that Shareholders vote in favour of Resolution 4.

6. RESOLUTION 5 – RE-ELECTION OF DIRECTOR – NICHOLAS POLL

6.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Nicholas Poll, who has served as a Director since 16 September 2022 and was last elected on 30 November 2022, retires by rotation and seeks re-election.

6.2 Qualifications and other material directorships

Executive Director, joined the board on 19 September 2022. Mr Poll is an accomplished resources executive with over 30 years' experience managing early-stage exploration projects through the development stage into full production. Mr Poll started his career as a geologist with Western Mining Corporation where he worked under the leadership of Roy Woodall as a specialist geologist focused on gold and nickel both in Australia and overseas. Mr Poll was

the founding Managing Director of Mirabella Nickel Limited (ASX: MBN) leading the exploration and discovery of one of the world's largest open cut nickel-sulphide mines. MBN achieved a market capitalisation of +\$1 billion within a five-year period following discovery success progressing from an explorer into a producer.

6.3 Independence

If re-elected the Board does not consider Nicholas Poll will be an independent Director.

6.4 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, Nicholas Poll will be re-elected to the Board as an executive Director.

In the event that Resolution 5 is not passed, Nicholas Poll will not join the Board as an executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

6.5 Board recommendation

The Board has reviewed Nicholas Poll's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Nicholas Poll and recommends that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 – APPROVAL OF 7.1A MANDATE

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$12,394,892 (based on the number of Shares on issue and the closing price of Shares on the ASX on 18 October 2023).

Resolution 6 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 6 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 6:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 7.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to raise funds for an acquisition of new assets or investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current or future assets and/or general working capital.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 6 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 18 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.001	\$0.002	\$0.003
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	6,197,445,834 Shares	619,744,583 Shares	\$619,744	\$1,239,489	\$1,859,233
50% increase	9,296,168,751 Shares	929,616,875 Shares	\$929,616	\$1,859,233	\$2,788,850
100% increase	12,394,891,668 Shares	1,239,489,166 Shares	\$1,239,489	\$2,478,978	\$3,718,467

Notes:

The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 6,197,445,834 Shares on issue comprising:
 - 6,147,445,834 existing Shares as at the date of this Notice; and
 - 50,000,000 Shares which will be issued if Resolutions 9, 10, 11 and 12 are passed at this Meeting.
- The issue price set out above is the closing market price of the Shares on the ASX on 18 October 2023 (being \$0.002).
- The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 30 November 2022 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 24 November 2022, the Company has not issued any Equity Securities pursuant to the Previous Approval.

7.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

8. BACKGROUND TO RESOLUTIONS 7-12 – PLACEMENT

8.1 Placement

As announced on 18 April 2023, the Company received firm commitments from sophisticated and professional investors to raise a total of \$1,703,68 via the issue of a total of 851,840,760 Shares at an issue price of \$0.002 per Share together with 425,920,380 free-attaching Options exercisable at \$0.0025 on or before 31 December 2024 (**Placement**).

The Placement is being undertaken as follows:

- (a) 801,840,760 Shares were issued on 18 May 2023 under the Company's placement capacity under Listing Rule 7.1. The Company is seeking Shareholder approval to ratify the prior issue of the 801,840,760 Shares, the subject of Resolution 7;
- (b) 400,920,380 Options free-attaching to the 801,840,760 Shares are proposed to be issued subject to Shareholder approval, the subject of Resolution 8; and
- (c) 50,000,000 Shares and 25,000,000 free-attaching Options are proposed to be issued to the Related Parties (defined in Section 11.1)(or their nominees) each of whom wish to participate in the Placement on the same terms as unrelated placement participants, subject to Shareholder approval being obtained at this Meeting, the subject of Resolutions 9 to 12.

8.2 Use of funds

Funds raised from the Placement will be used for drilling at the Company's Roberts Hill gold project in the Pilbara Region of Western Australia this year.

9. RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

9.1 General

Resolution 7 seeks Shareholder ratification for the prior issue of the 801,840,760 Shares issued on 15 May 2023.

The issue of the 801,840,760 Shares did not breach Listing Rule 7.1 at the time of the issue.

Refer to Section 8.1 for further information with respect to the 801,840,760 Shares.

As summarised in Section 7.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 6 being passed at this Meeting.

The issue of the 801,840,760 Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the 801,840,760 Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the 801,840,760 Shares.

Resolution 7 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the 801,840,760 Shares.

9.2 Technical information required by Listing Rule 14.1A

If Resolution 7 is passed, the 801,840,760 Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the 801,840,760 Shares.

If Resolution 7 is not passed, the 801,840,760 Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the 801,840,760 Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 6 being passed at this Meeting.

9.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 7:

- (a) the 801,840,760 Shares were issued to professional and sophisticated investors who were identified by the Directors. These investors are a group of existing shareholders who expressed interest to the Directors in investing in the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company,

except for GAB Superannuation Fund Pty Ltd, who was a substantial holder of the company and was issued more than 1% of the issued capital of the Company;

- (c) 801,840,760 Shares were issued and the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the 801,840,760 Shares were issued on 18 May 2023;
- (e) the issue price was \$0.002 per Share. The Company has not and will not receive any other consideration for the issue of the 801,840,760 Shares;
- (f) the 801,840,760 Shares were issued as part of the Placement, the purpose of which is to raise capital which the Company intends to use in the manner set out in Section 8.2;
- (g) the 801,840,760 Shares were issued pursuant to customary placement offer letters between the Company and the professional and sophisticated investors on the terms set out in Section 8.1.

10. RESOLUTION 8 – APPROVAL TO OPTIONS

10.1 General

Resolution 8 seeks Shareholder approval for the issue of the 400,920,380 Options.

Refer to Section 8.1 for further information with respect the 400,920,380 Options.

As summarised in Section 7.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the 400,920,380 Options does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

10.2 Technical information required by Listing Rule 14.1A

If Resolution 8 is passed, the Company will be able to proceed with the issue of the 400,920,380 Options. In addition, the issue of the 400,920,380 Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of the Placement.

Resolution 8 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the 400,920,380 Options.

10.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 8:

- (a) the 400,920,380 Options will be issued to professional and sophisticated investors who were identified by the Directors. These investors are a group

of existing shareholders who expressed interest to the Directors in investing in the Company;

- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Companyexcept for GAB Superannuation Fundy Pty Ltd, who is a substantial holder of the Company and issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Options to be issued is 400,920,380;
- (d) the Options will be issued on the terms and conditions set out in Schedule 1;
- (e) the 400,920,380 Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the 400,920,380 Options will occur on the same date;
- (f) the issue price will be nil per Option as the 400,920,380 Options will be issued free attaching with the Shares under the Placement on a 1:2 basis. The Company will not receive any other consideration for the issue of the 400,920,380 Options (other than in respect of funds received on exercise of the Options);
- (g) the 400,920,380 Options will be issued as part of the Placement. The purpose of the Placement is to raise capital, which the Company intends to use in the manner set out in Section 8.2;
- (h) the 400,920,380 Options will be issued in accordance with customary placement offer letters between the Company and the professional and sophisticated investors on the terms set out in Section 8.1; and
- (i) the 400,920,380 Options are not being issued under, or to fund, a reverse takeover.

11. RESOLUTIONS 9 TO 12 – APPROVAL OF RELATED PARTY PARTICIPATION IN PLACEMENT

11.1 General

As set out in Section 8.1, Directors Johnathon Busing, Nicholas Poll, David Greenwood and Robert Mosig (together, the **Related Parties**) have provided commitments to subscribe for 50,000,000 Shares, together with 25,000,000 free attaching Options in the Placement on the same terms as the unrelated professional and sophisticated investors (**Participation**).

Accordingly, Resolutions 9 to 12 seek Shareholder approval for the issue of:

- (a) 30,000,000 Shares and 15,000,000 Options to Director Johnathon Busing (or his nominee(s));
- (b) 10,000,000 Shares and 5,000,000 Options to Director Nicholas Poll (or his nominee(s));
- (c) 5,000,000 Shares and 2,500,000 Options to Director David Greenwood (or his nominee(s)); and
- (d) 5,000,000 Shares and 2,500,000 Options to Director Robert Mosig (or his nominee(s)),

on the terms and conditions set out below.

The 50,000,000 Shares and 25,000,000 Options are together referred to as the **Participation Securities**.

11.2 Director Recommendation

Each Director has a material personal interest in the outcome of Resolutions 9 to 12 on the basis that all of the Directors (or their nominees) are to be issued Participation Securities should Resolutions 9 to 12 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 9 to 12 of this Notice.

11.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Participation Securities which constitutes giving a financial benefit. Johnathon Busing, Nicholas Poll, David Greenwood and Robert Mosig are related parties of the Company by virtue of being Directors.

As the Participation Securities are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Participation Securities. Accordingly, Shareholder approval for the issue of the Participation Securities in respect of the Participation is sought in accordance with Chapter 2E of the Corporations Act.

11.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 9 to 12 seek the required Shareholder approval for the Participation under and for the purposes of Listing Rule 10.11.

11.5 Technical information required by Listing Rule 14.1A

If Resolutions 9 to 12 are passed, the Company will be able to proceed with the issue of the Shares under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity.

If Resolutions 9 to 12 are not passed, the Company will not be able to proceed with the issue of the Shares under the Participation and the Company will not be able to raise the full amount under the Placement.

Resolutions 9 to 12 are independent of all Resolutions.

11.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.13 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 9 to 12:

- (a) the Participation Securities will be issued to the Related Parties (or their nominees) and will be comprised of the following:
 - (i) 30,000,000 Shares and 15,000,000 Options, valued at \$60,000, to Director Johnathon Busing (or his nominee(s)), pursuant to Resolution 9;
 - (ii) 10,000,000 Shares and 5,000,000 Options, valued at \$20,000, to Director Nichollas Poll (or his nominee(s)), pursuant to Resolution 10;
 - (iii) 5,000,000 Shares and 2,500,000 Options, valued at \$10,000, to Director David Greenwood (or his nominee(s)), pursuant to Resolution 11; and

- (i) 5,000,000 Shares and 2,500,000 Options, valued at \$10,000, to Director Robert Mosig (or his nominee(s)), pursuant to Resolution 12;

who each fall within the category set out in Listing Rule 10.11.1 by virtue of being a Director;

- (b) a maximum of 50,000,000 Shares and 25,000,000 Options will be issued to the Related Parties (or their nominees) (being the nature of financial benefit proposed to be given) and will be allocated in the proportions set out in Section 11.6(a) above;
- (c) the Shares will be fully paid ordinary shares in the capital of the Company and be issued on the same terms and conditions as the Company's existing fully paid ordinary shares;
- (d) the Options will be issued on the terms and conditions set out in Schedule 1;
- (e) the Participation Securities will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Participation Securities will occur on the same date;

 - (iii) 12,500,000 Tranche 3 Performance Rights; and
 - (iv) 12,500,000 Tranche 4 Performance Rights,
subject to Resolution 16.

Resolutions 13 to 16 seek Shareholder approval for the issue of the Performance Rights to the Related Parties.

12.2 Director recommendation

Each Director has a material personal interest in the outcome of Resolutions 13 to 16 on the basis that all of the Directors (or their nominees) are to be issued Performance Rights should Resolutions 13 to 16 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 13 to 16 of this Notice.

12.3 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section 11.3 above.

The issue of the Performance Rights to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Performance Rights are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Options. Accordingly, Shareholder approval for the issue of Performance Rights to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

12.4 Listing Rule 10.11

A summary of Listing Rule 10.11 is set out in Section 11.4 above.

The issue of the Performance Rights falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 13 to 16 seek the required Shareholder approval for the issue of the Options under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11.

12.5 Technical information required by Listing Rule 14.1A

If Resolutions 13 to 16 are passed, the Company will be able to proceed with the issue of the Performance Rights to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Performance Rights (because approval is being obtained under Listing Rule 10.11), the issue of the Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 13 to 16 are not passed, the Company will not be able to proceed with the issue of the Performance Rights and will need to negotiate an alternative remuneration structure including, but not limited to, other non-monetary benefits to preserve the Company's cash.

Resolutions 13 to 16 are independent of all Resolutions.

12.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.13 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 13 to 16:

- (f) the purpose of the issue of the Performance Rights is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way from the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties;
- (g) the purpose of the issue of the Performance Rights is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way from the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties;

 - (iii) incentives to attract and retain the service of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.

- (j) the total remuneration package for each of the Related Parties for the previous financial year and the proposed total remuneration package for the current financial year are set out in Section 11.6(k) above.
