It is current as at 30 June 2023 and has been approved by the Board.

Copies of governance related documents referred to in this Statement can be found on the Company's website at www.silverlakeresources.com.au, under the section marked "Corporate", "Corporate Governance".

1. Lay solid foundations for management and oversight

1.1 A listed entity should have and disclose a board charter setting out:

- a. the respective roles and responsibilities of its board and management; and
- b. those matters expressly reserved to the board and those delegated to management.

The Company has adopted a Board Charter which sets out the roles and responsibilities of the Board and management. A copy of the Board Charter is located on the Company's website.

The role of the Board is to provide leadership for and supervision over the Company's affairs. The Board is responsible for promoting the success of the Company through its key functions of overseeing the management of the Company, providing overall corporate governance of the Company, monitoring its financial performance, engaging appropriate management commensurate with the Company's structure and objectives, involvement in the development of corporate strategy and performance objectives, and reviewing, ratifying and monitoring systems of risk management and internal control, codes of conduct and legal compliance.

The Managing Director is responsible for running the affairs of the Company under delegated authority from the Board and implementing the policies and strategy set by the Board. Management is responsible for supporting and assisting the Managing Director in implementing the running of the operations and financial aspects of the Company, in accordance with the delegated authority of the Board. Management is responsible for reporting all matters which fall within the Company's materiality thresholds at first instance to the Managing Director or, if the matter concerns the Managing Director, directly to the Chairman or the lead independent Director, as appropriate.

1.2 A listed entity should:

- a. undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and
- b. provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

The Company undertakes appropriate checks on candidates before appointing them or putting them forward for re-election as Directors, including checks on character, experience and education.

Details of the relevant skills, experience and expertise of the Directors are included in the Annual Report, as well as in each notice of meeting given to shareholders where a Director is standing for election or re-election.

<p>1.3 A listed entity should have a written service agreement with each director and senior executive setting out the terms of their appointment.</p>	<p>The Company has written agreements in place with each Director and senior executive which set out the terms of their appointment. Material variations to these agreements are disclosed to the ASX to the extent required by the ASX Listing Rules.</p>
<p>1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair; on all matters to do with the proper functioning of the board.</p>	<p>The Company Secretary reports directly to the Managing Director, but has a direct line of communication with the Chairman and all Directors. The Company Secretary is responsible for supporting the proper functioning of the Board including, but not limited to, providing advice on governance and procedural issues and the preparation of Board papers and minutes.</p>

1.5 A listed entity should:

- a. have and disclose a diversity policy;

If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.

The Company does not have a Diversity Policy. The Company does however acknowledge that its workforce comprises individuals of diverse backgrounds, seeks to provide a safe working environment for all employees and values a workplace free of prohibited discrimination, harassment, victimisation, bullying and occupational violence.

The Board did not establish measurable objectives for achieving gender diversity during the reporting period. It has determined that it is appropriate for an organisation of the size and nature of the Company to provide management with the appropriate authority to engage people with the relevant skills, knowledge, experience, wisdom, temperament and mental processing ability that management believes are necessary for the relevant role.

As at 30 June 2023 Silver Lake had 17.8% females in its workforce.

The Company's most recent Workplace Gender Equality Report can be viewed on the Company's website under the "Reports And Public Documents" Section.

During the reporting period, the Company's Board was at all times comprised of 3 Non-executive Directors and one Managing Director, three of whom are male and one of whom is female. Of the Company's five senior executives* (including the Managing Director), all are male. The Nomination and Remuneration Committee reviews the composition and structure of the Board at least annually to ensure it is suitable to achieve long-term shareholder wealth. The outcome of this review is reported to and considered by the Board.

The Board has previously approved the introduction of additional parental leave entitlements for its employees to assist the Company in remaining competitive in the recruitment and retention of skilled and competent employees, including:

- primary carer leave (irrespective of gender) comprising up to 12 months unpaid parental leave after 12 months of continuous service with the Company and, where an employee has 24 months of continuous service, payment for up to 16 weeks of their parental leave; and
- non-primary carer leave of 5 paid days for all employees who have completed their probationary period of employment prior to the birth of the child.
