## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://www.clearvuepv.com/asx-announcements/>.

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

---

## 2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were more than 25%. Accordingly, the Spill Resolution will be relevant for this Meeting if at least 25% of the votes cast on this Resolution are voted against adoption of the Remuneration Report. Refer to Resolution 2 and Section 3 for further information.

---

## 3. RESOLUTION 2 – SPILL RESOLUTION

**If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw Resolution 2**

The effect of this Resolution being passed is the Company will be required to hold another meeting of Shareholders within 90 days of the date of this Meeting (**Spill Meeting**) and the Vacating Directors will cease to hold office immediately before the end of the Spill Meeting. The business of the Spill Meeting will be to put to vote resolutions to appoint persons to offices vacated by the Vacating Directors.

In the event a Spill Meeting is required a separate notice of meeting will be distributed to Shareholders with details about those persons who will seek election as directors of the Company at the Spill Meeting.

### 3.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the voting restrictions applying to Resolution 1 apply in the same manner to this Resolution.

The Company undertook such checks prior to the appointment of the New Directors.

Each of the New Directors have confirmed that they will have sufficient time to fulfil their responsibilities as a Director of the Company and do not consider that any other commitment will interfere with their availability to perform their duties as a Director of the Company.

### **4.5 Technical information required by Listing Rule 14.1A**

If Resolutions 3 to 5 are passed, the respective New Director(s) will be re-elected to the Board as Director(s).

In the event that any of Resolutions 3 to 5 are not passed, the relevant New Director(s) will not join the Board as Directors. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

### **4.6 Board recommendation**

The Board has reviewed the performance of each of the New Directors since their appointment to the Board and consider that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly,

- (a) the Board (other than Jamie Lyford) supports the election of Jamie Lyford and recommends that Shareholders vote in favour of Resolution 3;
- (b) the Board (other than Charles Mowrey) supports the election of Charles Mowrey and recommends that Shareholders vote in favour of Resolution 4; and
- (c) the Board (other than Gerd Hoenicke) supports the election of Gerd Hoenicke and recommends that Shareholders vote in favour of Resolution 5.

## **5. RESOLUTION 6 – RE-ELECTION OF DIRECTOR – VICTOR ROSENBERG**

### **5.1 General**

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Victor Rosenberg, who has served as a Director since 14 June 2009 and was last re-elected on 28 November 2022, retires by rotation and seeks re-election.

## 5.2 Qualifications and other material directorships

Mr Rosenberg has 25 years of glass industry experience and is a serial entrepreneur globally recognised for his industry contributions. He brings extensive senior executive sales and management experience to the Company, having led multiple start-ups in the pharmaceutical and food manufacturing industries. Mr Rosenberg, a former pharmacist, has won an International Innovation Award in Germany for developments in food processing technologies, and now through his passion to achieve energy security through sustainable sources has turned his vision to glass. Mr Rosenberg believes energy generation and protecting our environment are two of our most important challenges and his dreams of producing a product to address both have now become a reality.

## 5.3 Independence

If re-elected the Board does not consider Mr Rosenberg will be an independent Director given he is a substantial shareholder of the Company.

## 5.4 Technical information required by Listing Rule 14.1A

If Resolution 6 is passed, Mr Rosenberg will be re-elected to the Board as a Director.

In the event that Resolution 6 is not passed, Mr Rosenberg will not join the Board as a Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

## 5.5 Board recommendation

The Board has reviewed Mr Rosenberg's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Rosenberg) supports the re-election of Mr Rosenberg and recommends that Shareholders vote in favour of Resolution 6.

## 6. RESOLUTION 7 – APPROVAL OF 7.1A MANDATE

### 6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$65,586,527 (based on the number of Shares on issue and the closing price of Shares on the ASX on 17 October 2023).

Resolution 7 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

## **6.2 Technical information required by Listing Rule 7.1A**

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 7:

### **(a) Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

### **(b) Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 6.2(b)(i), the date on which the Equity Securities are issued.

### **(c) Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards its expansion activities in key global markets including targeted acquisitions as well as the continued

development of the Company's solar glass technology, sales and marketing expenses, general operational expenses and working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 7 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 17 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.15	\$0.30	\$0.45
			50% decrease	Issue Price	50% increase
				Funds Raised	
<b>Current</b>	228,621,757 Shares	22,862,176 Shares	\$3,429,326	\$6,858,653	\$10,287,979
<b>50% increase</b>	342,932,636 Shares	34,293,264 Shares	\$5,143,990	\$10,287,979	\$15,431,969
<b>100% increase</b>	457,243,514 Shares	45,724,351 Shares	\$6,858,653	\$13,717,305	\$20,575,958

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

**The table above uses the following assumptions:**

1. There are currently 228,621,757 Shares on issue as at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 17 October 2023 (being \$0.30).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is

assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2022 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 30 November 2022, the Company has not issued any Equity Securities pursuant to the Previous Approval.

### 6.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

---

## 7. RESOLUTIONS 8 – 11 – ISSUE OF OPTIONS TO RELATED PARTIES

### 7.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue an aggregate of 4,000,000 Options (**Options**) to Gerd Hoenicke, Charles Mowrey, Jamie Lyford and Victor Rosenberg (or their nominee) (**Related Parties**) on the terms and conditions set out below.

	Options exercisable at \$0.50 on or before three (3) years from the date of issue (Tranche 1 Director Options)	Options exercisable at \$1.00 on or before three (3) years from the date of issue (Tranche 2 Director Options)	Total
Gerd Hoenicke	500,000	500,000	1,000,000
Charles Mowrey	500,000	500,000	1,000,000
Jamie Lyford	500,000	500,000	1,000,000
Victor Rosenberg	500,000	500,000	1,000,000
<b>Total</b>	<b>2,000,000</b>	<b>2,000,000</b>	<b>4,000,000</b>

Resolutions 8 - 11 seek Shareholder approval for the issue of the Options to the Related Parties.

### 7.2 Director recommendation

Each Director has a material personal interest in the outcome of Resolutions 8 to 11 on the basis that all of the Directors (or their nominees) are to be issued Options should Resolutions 8 to 11 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 8 to 11 of this Notice.

### 7.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Options to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Options. Accordingly, Shareholder approval for the issue of Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

#### **7.4 Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3;  
or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 8 to 11 seek the required Shareholder approval for the issue of the Options under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11.

#### **7.5 Technical information required by Listing Rule 14.1A**

If Resolutions 8 to 11 are passed, the Company will be able to proceed with the issue of the Options to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Options (because approval is being obtained under Listing Rule 10.11), the issue of the Options will not use up any of the Company's 15% annual placement capacity.

If Resolutions 8 to 11 are not passed, the Company will not be able to proceed with the issue of the Options and the Company may seek to remunerate the Related Parties through other means, including cash remuneration.

## 7.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.13 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 8 to 11:

- (a) the Options will be issued to the following persons:
  - (i) Gerd Hoenicke (or his nominee) pursuant to Resolution 8;
  - (ii) Charles Mowrey (or his nominee) pursuant to Resolution 9;
  - (iii) Victor Rosenberg (or his nominee) pursuant to Resolution 10; and
  - (iv) Jamie Lyford (or his nominee) pursuant to Resolution 11,each of whom falls within the category set out in Listing Rule 10.11.1 by virtue of being a Director;
- (b) the maximum number of Options to be issued to the Related Parties (being the nature of the financial benefit proposed to be given) is 4,000,000 comprising:
  - (i) 1,000,000 Options to Gerd Hoenicke (or his nominee) pursuant to Resolution 8;
  - (ii) 1,000,000 Options to Charles Mowrey (or his nominee) pursuant to Resolution 9;
  - (iii) 1,000,000 Options to Victor Rosenberg (or his nominee) pursuant to Resolution 10; and
  - (iv) 1,000,000 Options to Jamie Lyford (or his nominee) pursuant to Resolution 11,
- (c) the terms and conditions of the Options are set out in Schedule 1;
- (d) the Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Options will occur on the same date;
- (e) the issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options);
- (f) the purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way from the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties;

- (g) the Options are unquoted Options. The Company has agreed to issue the Options to the Related Parties subject to Shareholder for the following reasons:
- (i) the Options are unquoted; therefore, the issue of the Options has no immediate dilutionary impact on Shareholders;
  - (ii) the deferred taxation benefit which is available to the Related Parties in respect of an issue of Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
  - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed;
- (h) the number of Options to be issued to each of the Related Parties has been determined based upon a consideration of:
- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
  - (ii) the remuneration of the Related Parties; and
  - (iii) incentives to attract and ensure continuity of service of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves;
- (i) the total remuneration package for each of the Related Parties for the previous financial year and the proposed total remuneration package for the current financial year are set out below:

Related Party	Current Financial Year Ended 30 June 2024	Previous Financial Year Ended 30 June 2023
Gerd Hoenicke	\$15,000 <sup>1</sup>	\$10,000 <sup>5</sup>
Charles Mowrey	\$15,000 <sup>2</sup>	\$10,000 <sup>5</sup>
Victor Rosenberg	\$26,640 <sup>3</sup>	\$329,169 <sup>6</sup>

  7. Comprising salary of \$84,031 and a superannuation payment of \$5,192.
- (j) the value of the Options and the pricing methodology is set out in Schedule 2;
- (k) the Options are not being issued under an agreement;
- (l) the relevant interests of the Related Parties in securities of the Company as at the date of this Notice are set out below:

The market price for Shares during the term of the Options would normally determine whether the Options are exercised. If, at any time any of the Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Options, there may be a perceived cost to the Company.

- (n) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

## 8. RESOLUTION 12 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

### 8.1 General

On 20 June 2023, the Company issued 110,405 Shares in consideration for consulting services provided by Deutsche Gesellschaft für Wertpapiersanalyse GMBH. The Shares were issued under the Company's placement capacity under Listing Rule 7.1. The issue of the Shares did not breach Listing Rule 7.1 at the time of the issue.

The Shares were issued under a consulting and services agreement between the Company and Deutsche Gesellschaft für Wertpapiersanalyse GMBH (**Consultancy Agreement**). The material terms of the Consultancy Agreement are set out below:

<b>Term</b>	Initial period of twelve (12) months with ability to extend for additional periods of twelve (12) months.
<b>Services</b>	Deutsche Gesellschaft für Wertpapiersanalyse GMBH agreed to provide the Company with business development, investor awareness and media dissemination services.
<b>Fees</b>	The Company must pay to Deutsche Gesellschaft für Wertpapiersanalyse GMBH a fee of \$5,000 per month, payable 50% in cash and 50% in Shares (on a quarterly basis) based on the 15-day volume weighted average price of the Shares over the 15 trading days immediately prior to the start of each quarter.

The Consultancy Agreement otherwise contains terms and conditions standard for an agreement of its nature.

As summarised in Section 6.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders

over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 7 being passed at this Meeting.

The issue of the Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

Resolution 12 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

## **8.2 Technical information required by Listing Rule 14.1A**

If Resolution 12 is passed, the Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If Resolution 12 is not passed, the Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 7 being passed at this Meeting.

## **8.3 Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 12:

- (a) the Shares were issued to Ms Katharina Löckinger as nominee of Deutsche Gesellschaft für Wertpapiersanalyse GMBH;

- (b) 110,405 Shares were issued and the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Shares were issued on 20 June 2023;
- (d) the Shares were issued at a nil issue price, in consideration for consulting services provided by Deutsche Gesellschaft für Wertpapiersanalyse GMBH. The Company has not and will not receive any other consideration for the issue of the Shares;
- (e) the purpose of the issue of the Shares was to satisfy the Company's obligations under the Consultancy Agreement; and
- (f) the Shares were issued to Ms Katharina Löckinger as nominee of Deutsche Gesellschaft für Wertpapiersanalyse GMBH under the Consultancy Agreement. A summary of the material terms of the Consultancy Agreement is set out in Section 8.1.

Options exercisable at \$0.50, on or before 30 November 2026 ( <b>Tranche 2 CA Options</b> )	3,000,000
<b>Total</b>	<b>8,000,000</b>

The Options were issued under the Company's placement capacity under Listing Rule 7.1. The issue of the Options did not breach Listing Rule 7.1 at the time of the issue. The Options were issued pursuant to the terms of a corporate advisory agreement entered into between the Company and RM Corporate (**Corporate Advisory Agreement**).

The material terms of the Corporate Advisory Agreement are set out below:

<b>Date</b>	1 April 2023 ( <b>Commencement Date</b> )
<b>Term</b>	9 months from the Commencement Date, with an option to extend by agreement at least 30 days prior to expiry for additional periods of up to 6 months.
<b>Monthly Retainer Fee</b>	The Company has agreed to pay a fee of \$10,000 (plus GST) per month to RM Corporate (or its nominee) for corporate advisory services during the term of the Corporate Advisory Agreement.

<b>Advisor Options</b>	The Company has agreed to issue RM Corporate (or its nominee) the unlisted Options set out above.
<b>Termination</b>	The Corporate Advisory Agreement may be terminated by RM Corporate, on 14 days written notice to the Company,

The Corporate Advisory Agreement otherwise contains terms and conditions standard for an agreement of its nature.

As summarised in Section 6.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 7 being passed at this Meeting.

The issue of the Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

Resolution 13 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

## **9.2 Technical information required by Listing Rule 14.1A**

If Resolution 13 is passed, the Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Options.

If Resolution 13 is not passed, the Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Options.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 7 being passed at this Meeting.

### 9.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 13:

- (a) the Options were issued to RM Corporate;
- (b) 8,000,000 Options were issued and the Options were issued on the terms and conditions set out in Schedule 3;
- (c) the Options were issued on 20 June 2023;

- (e) the purpose of the issue of the Options was to satisfy the Company's obligations under the Corporate Advisory Agreement; and
- (f) the Options were issued to RM Corporate under the Corporate Advisory Agreement. A summary of the material terms of the Corporate Advisory Agreement are set out in 9.1.

## 10. RESOLUTION 14 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

### 10.1 General

On 23 October 2023, the Company announced it entered into an At-the Market Facility Agreement with Alpha Investment Partners Pty Ltd (ACN 648 623 223) (**Alpha Investment**) (**Alpha Agreement**). Pursuant to the Alpha Agreement, Alpha Investment has agreed to provide the Company with up to \$30,000,000 of standby equity capital for a period of 60 months.

A summary of the Alpha Agreement is set out below:

- (a) the Company retains full control of all aspects of the subscription process, having sole discretion as to whether or not to utilise the Alpha Agreement, the maximum number of Shares to be issued, the minimum issue price of Shares and the timing of each subscription (if any). There are no requirements on the Company to utilise the Alpha Agreement and the Company may terminate the Alpha Agreement at any time, without cost or penalty. Alpha Investment and the Alpha Agreement do not place any restrictions at any time on the Company raising capital through other methods;
- (b) if the Company does decide to utilise the Alpha Agreement, the Company is able to provide a notice to set an issue price floor (at its sole discretion), with the final issue price being calculated as the greater of that floor price set by the Company and a discount to a volume weighted average price (**VWAP**) of the Shares over a period of the Company's choosing (again at the sole discretion of the Company).
- (c) as security for the Alpha Agreement, the Company issued 10,000,000 Shares for nil cash consideration to Alpha Investment on 23 October 2023 (**Initial Shares**). The Company may, however, at any time cancel the Alpha Agreement as well as buy back (and cancel) the Initial Shares for no cash consideration (subject to Shareholder approval); and

- (d) to date, the Company has not raised any funds under the Alpha Agreement or issued any Shares (other than the Initial Shares).

## **10.2 Listing Rule 7.1**

As summarised in Section 6.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 7 being passed at this Meeting.

The issue of the Initial Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Initial Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Initial Shares.

Resolution 14 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Initial Shares.

## **10.3 Technical information required by Listing Rule 14.1A**

If Resolution 14 is passed, the Initial Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Initial Shares.

If Resolution 14 is not passed, the Initial Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Initial Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 7 being passed at this Meeting.

#### **10.4 Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 14:

- (a) the Initial Shares were issued to Alpha Investment;
- (b) 10,000,000 Initial Shares were issued and the Initial Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Initial Shares were issued on 23 October 2023;
- (d) the Initial Shares were issued for nil consideration. The Company has not and will not receive any other consideration for the issue of the Initial Shares;
- (e) the purpose of the issue of the Initial Shares was to provide Alpha Investment with security for the Alpha Agreement; and
- (f) a summary of the material terms of the Alpha Agreement is set out in Section 10.1.
