EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders in relation to the business to be conducted at the Meeting (**Explanatory Memorandum**).

The purpose of this Explanatory Memorandum is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolutions being considered and voted on, as set out in the accompanying Notice of Meeting.

This Explanatory Memorandum should be read in conjunction with the Notice of Meeting.

Capitalised terms in this Explanatory Memorandum are defined in the Glossary in **Annexure A** or otherwise in the Explanatory Memorandum.

1 **FY2023 Financial Report and Transitional Period Financial Report**

In accordance with section 250(R) of the Corporations Act, the Company tables the Directors' Report, the Auditor's Report and the financial statements of the Company for the year ended 28 February 2023. These reports are contained in the Company's 28 February 2023 Annual Report, which was released to the ASX on 31 May 2023.

As announced to the ASX on 31 March 2023, the Company changed its financial year end date from 28 February to 30 June in accordance with section 323D of the Corporations Act. The Company made this change to align its reporting timetable with the standard Australian reporting cycle. Prior to the change, Jupiter completed a full financial year ending on 28 February 2023 (**FY2023**). The Company has had a four-month financial reporting period beginning 1 March 2023 and ending on 30 June 2023 (**Transitional Period**). Following the Transitional Period, the Company will revert to a 12 month financial year beginning 1 July 2023 and ending on 30 June 2024 (this will be the Company's 2024 financial year).

In accordance with section 250R of the Corporations Act, the Company also tables the Directors' Report, the Auditor's Report and the financial statements of the Company for the Transitional Period. These reports are contained in the Company's 30 June 2023 Annual Report, which was released to the ASX on 29 September 2023.

Neither the Corporations Act nor the Constitution requires Shareholders to vote on the reports or financial statements. However, Shareholders will be given a reasonable opportunity to ask questions of the Company and the Company's current auditor, who will be in attendance at the Meeting, regarding the reports and financial statements.

A copy of the Company's 28 February 2023 Annual Report and 30 June 2023 Annual Report can be downloaded from www.jupitermines.com.

2 **Resolutions 1 and 2: Adoption of FY2023 Remuneration Report and Transitional Period Remuneration Report**

2.1 **Background**

The FY2023 Remuneration Report is set out in the Directors' Report in the Company's 28 February 2023 Annual Report, which was released to ASX on 31 May 2023. The Transitional Period Remuneration Report is set out in the Director's Report in the Company's 30 June 2023 Annual Report which was released to ASX on 29 September 2023. Together, the FY2023 Remuneration Report and the Transitional Period Remuneration Report are referred to as the **Remuneration Reports**.

The Remuneration Reports set out the remuneration arrangements for directors and key management personnel. The Chair will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the Remuneration Reports.

2.2 Voting on the Remuneration Reports

The Corporations Act requires the Company to put a resolution to Shareholders that the Remuneration Reports be adopted. In accordance with section 250R(3) of the Corporations Act, the vote on Resolution 1 and Resolution 2 is advisory only and does not bind the directors or the Company.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if 25% or more of votes that are cast on Resolution 1 or Resolution 2 are voted against the adoption of the Remuneration Reports at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that proposes that another general meeting of the Shareholders be held within 90 days at which all of the directors (other than the Managing Director) must stand for re-election (**Spill Resolution**).

At the Company's 2022 annual general meeting, the resolution to adopt the remuneration report was passed by more than 75% of votes cast on the resolution. Accordingly, if:

- a) more than 75% of the votes cast on each of Resolution 1 and Resolution 2 are cast in favour of those Resolutions at the Meeting, the Company will not be obliged to put a Spill Resolution to Shareholders at the Meeting;
- b) 25% or more of the votes cast on each of Resolution 1 and Resolution 2 are cast against those Resolutions at the Meeting, the Company will be obliged to put a Spill Resolution to Shareholders at the Meeting;
- c) 25% or more of the votes cast on Resolution 1 are cast against that Resolution, but more than 75% of votes cast on Resolution 2 are cast in favour of that Resolution, the Company will not be obliged to put a Spill Resolution to Shareholders unless the next two remuneration reports presented by the Company to Shareholders at future annual general meetings receive 25% or more votes cast against them, consecutively; and
- d) 25% or more of the votes cast on Resolution 2 are cast against that Resolution, but more than 75% of votes cast on Resolution 1 are cast in favour of that Resolution, the Company will only be obliged to put a Spill Resolution to Shareholders at the next annual general meeting of the Company if the remuneration report presented at that annual general meeting also receives 25% or more votes cast against it.

2.3 Voting exclusions

Certain voting exclusions apply to Resolution 1 and Resolution 2. Please see the Voting Prohibitions and Exclusions tables on page 8 of the Notice of Meeting.

2.4 Appointing a proxy to vote on Resolution 1 and Resolution 2

If you appoint a director (other than the Chair), a member of senior management who is named in the Remuneration Report, or any of their Closely Related Parties as your proxy, they will not be able to vote on Resolution 1 or Resolution 2 unless you have directed them as to how to vote.

If you appoint the Chair as your proxy (including by default) and you have not directed the Chair as to how to vote on Resolution 1 and / or Resolution 2, you are expressly authorising the Chair to cast your undirected proxy in favour of Resolution 1 and / or Resolution 2 (as applicable) in accordance with the Chair's stated intentions. The Chair intends to vote all undirected proxies in favour of Resolution 1 and Resolution 2.

2.5 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1 and Resolution 2 at the Meeting.

3 Resolution 2: Re-election of Mr Scott Winter as Non-Executive Director of the Company

3.1 Background and requirement for Shareholder approval

Under the Constitution, the Corporations Act and the ASX Listing Rules, no director of the Company may retain office without re-election for more than 3 years, or past the third annual general meeting held, following the director's appointment, whichever is longer.

The Corporations Act and ASX Listing Rules require that an election of directors must occur at each annual general meeting of the Company. Article 11.7(b) of the Constitution provides that if no director is required to retire and stand for re-election due to it being 3 years, or the third annual general meeting, since their last appointment, then the director who has been in office the longest since his or her last election must retire. Article 11.7(c) of the Constitution provides that if there are 2 or more directors who were last elected or appointed on the same day, an agreement may be reached between those directors as to who will retire and stand for re-election.

Mr Scott Winter and Mr Peter North, being appointed directors on 30 July 2021, have, of all the current directors of the Company, been in office the longest since their last appointment. In accordance with the Constitution, Mr Scott Winter has nominated himself to retire and stand for re-election at the Meeting.

Accordingly, pursuant to Resolution 3, in accordance with Article 11.7 of the Constitution and ASX Listing Rule 14.4, Mr Scott Winter retires as director of the Company and, being eligible, seeks Shareholder approval to be re-elected as a director of the Company.

3.2 Mr. Scott Winter

The Board considers Mr Scott Winter to be an independent director. Mr Winter is Chair of the Remuneration and Nomination Committee.

Mr Winter is an experienced mining engineer with almost 30 years working across all aspects of mining exploration, development, engineering, financing and operations. Mr Winter led the aggregation of Australian and African business units and the formation of the Global Surface contract mining business with over 40 projects for Perenti, the successful turnaround of the African business unit and growth of the Australian business unit. Mr Winter is currently Managing Director and Chief Executive Officer of Critical Minerals Group Ltd (ASX: CMG)

Mr Winter holds a Bachelor of Engineering – Mining (Honours), a Graduate Diploma - Applied Finance and Investment (Securities Institute Australia) and an MBA from Melbourne Business School.

3.3 Board Recommendation

For the reasons set out in section 3.2, the Board (other than Mr Scott Winter) recommends that Shareholders vote in favour of the re-election of Mr Scott Winter as director of the Company.

4 Resolution 4: Appointment of a new auditor of the Company

4.1 Requirement for shareholder approval

Earlier in 2023, the Company decided to put its audit function out to tender to ensure due process given that Grant Thornton Audit Pty Ltd (**Grant Thornton**), the Company's current auditor, has held that position for a considerable period of time. After consideration, it was considered appropriate that the Company's auditors be aligned with those of Tshipi é Ntle Manganese Mining Pty Ltd (**Tshipi**), the Company's sole asset. As Grant Thornton did not have the service capacity to become auditors of Tshipi, it has been decided that Grant Thornton will resign as the Company's auditor, and KPMG has been nominated to be appointed as the Company's auditor.

Grant Thornton has applied to ASIC for consent to resign as auditor of the Company with effect from the later of: (i) receiving ASIC's consent; and (ii) the close of the Meeting. Under the Corporations Act, ASIC's consent is required for Grant Thornton to resign as auditor of the Company. As at the date of this Notice,

ASIC's consent has not yet been received. Accordingly, this Resolution 4 is subject to ASIC consenting to Grant Thornton resigning as auditor of the Company.

Under section 327B(1)(b) the Corporations Act, the Company must in general meeting appoint a new auditor to fill any vacancy in the office of auditor of the Company at an annual general meeting. Under section 328B of the Corporations Act, a new auditor can only be appointed if a shareholder of the Company has given a written notice of nomination of the proposed new auditor either: (i) before the Meeting was convened; or (ii) not less than 21 days before the Meeting. Mr Peter North, a shareholder of the Company, has given the Company a written notice nominating KPMG for appointment as auditor of the Company, effective from the close of the Meeting (subject to the resignation of Grant Thornton as auditor of the Company becoming effective). The Company received the notice of nomination on 4 October 2023. The notice of nomination of KPMG as auditor of the Company is provided to Shareholders in **Annexure B**.

Further, section 328A of the Corporations Act provides that a company must not appoint an auditor unless the auditor has consented to act as auditor of the company and has not withdrawn that consent before the appointment is made. KPMG has given its written consent to act as the Company's auditor pursuant to section 328A(1) of the Corporations Act, subject to the resignation of Grant Thornton as auditor of the Company becoming effective. At the date of the Notice of Meeting, KPMG has not withdrawn its consent. KPMG is a well-known and respected firm with significant previous experience conducting audits of publicly-listed companies. The Company does not believe that the quality of auditing will be adversely affected as a result of changing auditors.

Accordingly, the Company seeks Shareholder approval under section 327B(1)(b) of the Corporations Act to appoint KPMG as the auditor of the Company, effective from the close of the Meeting, subject to ASIC consenting to Grant Thornton's resignation as auditor of the Company. If Resolution 4 is not passed, KPMG will not be appointed as auditor of the Company, and, if Grant Thornton resigns as auditor of the Company, the Company will have no appointed auditor. In these circumstances, the Board may appoint an auditor of the Company (who will hold office until the next annual general meeting of the Company). The Company is required to appoint an auditor to fill any vacancy at each annual general meeting, pursuant to section 327B(1) of the Corporations Act.

4.2 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 4 at the Meeting.

The Chair intends to vote undirected proxies in favour of Resolution 4 at the Meeting.

5 Resolution 5: Approval for the issue of new shares in the Company to Scott Winter, Non-Executive director

5.1 Background and requirement for Shareholder approval

On 1 November 2021, following the resignation of Mr Priyank Thapliyal as chief executive officer of the Company, Mr Scott Winter was appointed Acting Chief Executive Officer. Mr Scott Winter held this position until 1 August 2022, when current Chief Executive Officer Mr Brad Rogers commenced his role.

During this period, Mr Winter was paid a total of \$180,000 in fixed remuneration, and no performance related remuneration.

Mr Winter was instrumental in establishing relationships with Tshipi and the wider Tshipi board and shareholder group, and contributed his valuable skills and experience as such, above and beyond the scope of the acting chief executive officer role.

The Board (other than Mr Scott Winter) have resolved to award Mr Winter a bonus equating to 50% of his fixed remuneration during the period he was Acting Chief Executive Officer of the Company, being \$90,000, to be paid in fully paid ordinary shares in the Company (**Bonus Shares**). The number of Bonus Shares to be issued to Mr Winter will be calculated based on the closing price of the Company's shares on 30 November 2023 (being the date of the Meeting). Please refer to the table in section 5.2 for further detail.

ASX Listing Rule 10.11

Under ASX Listing Rule 10.11, an entity must not issue, or agree to issue, securities to a related party (as defined in the ASX Listing Rules) of the entity, without shareholder approval. Under the ASX Listing Rules, a director of an entity is considered a related party of the entity. As at the date of this Notice of Meeting, Mr Winter is a director of the Company. At the Meeting, Mr Winter is retiring as a director of the Company and, pursuant to Resolution 3, is standing for re-election. If Mr Scott Winter is re-elected as a director of the Company pursuant to Resolution 3, he will be a related party of the Company by virtue of being a director of the Company (and therefore falls within the ambit of ASX Listing Rule 10.11.1). If Mr Scott Winter is not re-elected as a director of the Company pursuant to Resolution 3, he is still considered a related party of the Company under the ASX Listing Rules as he has been a director within the previous 6 months (and therefore falls within the ambit of ASX Listing Rule 10.11.1). Accordingly, Resolution 5 seeks Shareholder approval for the issue by the Company of the Bonus Shares to Mr Scott Winter for the purposes of ASX Listing Rule 10.11.

If this Resolution 5 is not approved by Shareholders, the Board may determine to compensate Mr Scott Winter by alternative means, including by way of cash payment.

ASX Listing Rule 7.1

Additionally, ASX Listing Rule 7.1 limits the amount of equity securities (as defined in the ASX Listing Rules) that a listed company such as the Company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of the period. This 15% amount is commonly referred to as an entity's "placement capacity". The Bonus Shares proposed to be issued to Mr Scott Winter constitute equity securities under the ASX Listing Rules. Any issues of equity securities made by an entity without the approval of its shareholders under ASX Listing Rule 7.1 in a 12 month period will reduce the "placement capacity" that the entity has available for that period.

However, under ASX Listing Rule 7.2 (Exception 14), an issue of securities made with the approval of an entity's shareholders under ASX Listing Rule 10.11 does not require shareholder approval for the purposes of ASX Listing Rule 7.1. As this Resolution 5 seeks Shareholder approval for the issue of the Bonus Shares for the purposes of ASX Listing Rule 10.11, Shareholder approval is not being sought for the purposes of ASX Listing Rule 7.1.

Section 208 of the Corporations Act

Under section 208 of the Corporations Act, an entity must obtain the approval of its shareholders in order to give a financial benefit to a related party (as defined in the Corporations Act) of the entity. Under the Corporations Act, a director of an entity is considered a related party of the entity. If Mr Scott Winter is not re-elected as a director of the Company pursuant to Resolution 3, he will not be considered a related party of the Company under the Corporations Act. The concept of "financial benefit" is not defined in the Corporations Act but is typically given a broad interpretation. It is generally considered that the issue of shares by an entity to a related party of the entity constitutes the giving of a financial benefit to that related party.

However, under section 211 of the Corporations Act, it is an exception to the requirement that an entity obtain shareholder approval to give a financial benefit to a related party of that entity if: (i) the benefit is remuneration to a related party as an officer or employee of the entity (being a public entity); and (ii) to give the financial benefit would be reasonable in the circumstances of the entity giving the benefit, and the related party receiving the benefit.

As mentioned above, the purpose of the issue of the Bonus Shares by the Company to Mr Scott Winter is to remunerate him for performing additional responsibilities and taking on additional obligations during the period he was Acting Chief Executive Officer of the Company. Accordingly, the Board (other than Mr Scott Winter) considers that Shareholder approval is not required under section 208 of the Corporations Act in connection with the issue of the Bonus Shares by the Company to Mr Scott Winter.

5.4 Board recommendation

The Board (other than Mr Scott Winter) recommend that Shareholders vote in favour of Resolution 5.

6 Resolution 6: Approval for the issue of performance rights in the Company to Brad Rogers, Chief Executive Officer and Managing Director of the Company

6.1 Background and requirement for Shareholder approval

Mr Brad Rogers, the current Chief Executive Officer and Managing Director of the Company, was appointed to these roles commencing 1 August 2022. Mr Rogers' services agreement (**Services Agreement**) sets out, amongst other things, his current remuneration structure, including applicable incentive payments.

As disclosed in the FY2023 Remuneration Report, available in the Company's 28 February 2023 Annual Report which was released to ASX on 31 May 2023, Mr Rogers' FY2023 remuneration consists of a total fixed remuneration component, a short term incentive (**STI**) component, and a long term incentive component, as illustrated in the following table:

Remuneration Elements	Purpose	Category	Definition of Pay Category
Total Fixed Remuneration (TFR)	Pay for meeting role requirements	Fixed pay	Pay linked to the present value or market rate of the role.
Short Term Incentive	Incentive for the achievement of annual objectives	Short term pay incentive	Pay for delivering the annual operational plan for the Company. Short Term Incentive pay is linked to the achievement of short term "line-of-sight" performance goals. It reflects "pay for short term performance".
Long Term Incentive	Incentive of the achievement of sustained business growth (non-market measures)	Long term incentive pay	Pay for creating value for shareholders. Reward pay is linked to shareholder returns. It reflects "pay for results".

The STI component of Mr Rogers' remuneration is subject to performance measures or goals covering three categories, as illustrated in the following table:

Category	Weighting	Measure	Outcome
Health, Safety and Environment	25%	Total Recordable Injury Frequency Rate (TRIFR), action closeout, critical risk rollout, environmental audit	Achieved
Financial	25%	Performance versus budget for earnings, cost per tonne, volume movement	Achieved
Strategic initiatives	25%	Strategic mine site and business project closeout	Partially achieved – result 10%
	25%	Completion of strategic initiatives	Held over
Total	100%		

Please refer to the 28 February 2023 Annual Report for more detail on the Company's approach to executive remuneration for FY2023.

In respect of FY2023, the Board has assessed the performance of Mr Brad Rogers against the performance measures referred to above and determined that Mr Rogers is entitled to an STI award for FY2023 of \$375,509.53 (**FY2023 STI Award**), of which \$187,754.77 (representing 50% of the FY2023 STI Award) will be payable in cash, and of which \$187,754.77 (representing 50% of the FY2023 STI Award) will be payable in equity in the form of performance rights (**STI Performance Rights**). Note that due to the Company's change of financial year end date, the Board has assessed Mr Roger's FY2023 STI Award as at 30 June 2023, for the period from the start of Mr Rogers' employment to 30 June 2023.

"Target" STI is up to 75% of TFR and "Stretch" up to of 90% of TFR (120% of Target). The number of STI Performance Rights to be granted to Mr Rogers will be calculated based on the closing price of the Company's shares on 30 November 2023 (being the date of the Meeting). Please refer to the table in section 6.2 for further detail.

The Board (other than Mr Brad Rogers) considers that the incentives intended for Mr Rogers represented by the grant of the STI Performance Rights are a cost effective and efficient means for the Company to provide a reward and incentive to Mr Rogers, as opposed to the additional payment of cash compensation.

Under Mr Rogers' Services Agreement, the STI Performance Rights confer on the holder the right to receive one fully paid ordinary share in the Company. 50% of the STI Performance Rights will vest and be capable of exercise on the date that is 12 months after their issue. The remaining 50% of the STI Performance Rights will vest and be capable of exercise on the date that is 24 months after their issue. The material terms of the STI Performance Rights are further described in the table in section 6.2.

ASX Listing Rule 10.11

As set out in section 5.1 above, under ASX Listing Rule 10.11 an entity must not issue, or agree to issue, securities to a related party (as that term is defined in the ASX Listing Rules) of the entity, without shareholder approval. As Chief Executive Officer and Managing Director of the Company, Mr Brad Rogers is a related party of the Company (and therefore falls within the ambit of ASX Listing Rule 10.11.1). The STI Performance Rights constitute "securities" for the purposes of the ASX Listing Rules. No exceptions to ASX Listing Rule 10.11 apply in the current circumstances; accordingly, Resolution 6 seeks Shareholder approval for the issue by the Company of the STI Performance Rights to Mr Brad Rogers for the purposes of ASX Listing Rule 10.11.

If Resolution 6 is not approved by Shareholders, the Company may determine to pay the 50% portion of Mr Rogers' FY2023 STI Award represented by the STI Performance Rights in cash.

Sections 200B and 200E of the Corporations Act

Subject to certain exceptions, section 200B of the Corporations Act prohibits the giving of certain benefits to individuals who hold a managerial or executive office on leaving their employment with the Company or any of its related bodies corporate (as that term is defined in the Corporations Act), or who have held a managerial or executive office in the prior three years, without Shareholder approval under section 200E of the Corporations Act.

Specifically, the benefit for which Shareholder approval is being sought is any benefit that may result from the Board exercising any discretion under Mr Rogers' Services Agreement or otherwise, to vest any STI Performance Right upon the termination of Mr Rogers' employment with the Company. If this should occur, it is likely to constitute a benefit in connection with Mr Rogers' retirement from office for the purposes of section 200B of the Corporations Act.

The value of the benefit that might be received by Mr Rogers in such circumstances cannot be precisely ascertained, as it will depend on a number of factors which may include:

- the number of unvested STI Performance Rights held by Mr Rogers prior to the cessation of his employment;
- the reason for the cessation of Mr Rogers' employment and his length of service;
- the extent to which any vesting conditions or other performance measures have been satisfied prior to the cessation of Mr Rogers' employment; and
- the exercise of the Board's discretion at the relevant time.

The material terms of the STI Performance Rights are described in the table in section 6.2.

ASX Listing Rule 7.1

The operation of ASX Listing Rule 7.1 is described in section 5.1 above. Shareholder approval for the purposes of ASX Listing Rule 7.1 is not required where the relevant issue of equity securities is made with the approval of shareholders under ASX Listing Rule 10.11. As Shareholder approval is being sought under ASX Listing Rule 10.11 in connection with the issue of the STI Performance Rights to Mr Brad Rogers, approval under ASX Listing Rule 7.1 is not being sought.

Section 208 of the Corporations Act

The operation of section 208 of the Corporations Act is described in section 5.1 above. As Chief Executive Officer and Managing Director of the Company, Mr Brad Rogers is a related party of the Company (as that term is defined in the Corporations Act). As mentioned in section 5.1 above, it is an exception to the requirement that an entity obtain shareholder approval to give a financial benefit to a related party of that entity if: (i) the benefit is remuneration to a related party as an officer or employee of the entity (being a public entity); and (ii) to give the financial benefit would be reasonable in the circumstances of the entity giving the benefit, and the related party receiving the benefit.

As mentioned above, the purpose of the issue of the STI Performance Rights is to remunerate Mr Brad Rogers under the terms of his services agreement with the Company and the Company's approach to executive remuneration set out in the 28 February 2023 Annual Report. Accordingly, the Board (other than Mr Brad Rogers) considers that Shareholder approval is not required under section 208 of the Corporations Act in connection with the issue of the STI Performance Rights by the Company to Mr Brad Rogers.
