### **EXPLANATORY STATEMENT**

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.lykosmetals.com/.

## 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

## 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

/1464\_7

### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

## 3. RESOLUTION 2 – ELECTION OF DIRECTOR – PETAR TOMASEVIC

### 3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Petar Tomasevic, having been appointed by other Directors on 24 August 2023 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

## 3.2 Qualifications and other material directorships

Mr Tomasevic is a director of Perth-based boutique investment and corporate advisory firm Vert Capital. He has significant experience in the financial services industry having worked with numerous ASX-listed companies in marketing and investor relations roles.

Mr Tomasevic has a Bachelor of Science Degree in Business Management from Southampton University (UK) and holds a Diploma of Financial Services (Financial Planning) from Kaplan Education. He is also currently a Non-Executive Director of both GTI Energy Limited (ASX:GTR) and Regener8 Resources Limited (ASX:R8R) and serves as a French liaison in project evaluation for various ASX listed junior explorers such as Pura Vida (ASX:PVD) and Protein Resources (ASX:POW).

Of significant value to the Company, Mr Tomasevic is fluent in the Serbian language (as spoken in Bosnia and Herzegovina) and as a national of neighbouring Montenegro (as well as both Australia and France), he has a solid understanding of the Company's operating environment in Bosnia and Herzegovina.

### 3.3 Independence

Mr Tomasevic has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers Mr Tomasevic will be an independent Director.

## 3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to

a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Tomasevic.

Mr Tomasevic has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

## 3.5 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Tomasevic will be elected to the Board as an independent Director.

In the event that Resolution 2 is not passed, Mr Tomasevic will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

### 3.6 Board recommendation

The Board has reviewed Mr Tomasevic's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Tomasevic and recommends that Shareholders vote in favour of Resolution 2.

### 4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – JOHAN ZÜGER

### 4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Johan Züger, who has served as a Director since 1 April 2022 and was last reelected on 23 November 2022, retires by rotation and seeks re-election.

## 4.2 Qualifications and other material directorships

Mr Züger has 30 years of professional experience in global banking, project finance and wealth management. He is the founding partner of Clarus Capital Group, an independent Swiss wealth manger, and is runs his own investment advisory company.

## 4.3 Independence

If re-elected the Board considers that Mr Zügerwill be an independent Director.

## 4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Zügerwill be re-elected to the Board as an independent Director.

In the event that Resolution 3 is not passed, Mr Zügerwill not join the Board as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional

consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

#### 4.5 Board recommendation

The Board has reviewed Mr Züger's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Züger and recommends that Shareholders vote in favour of Resolution 3.

#### 5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

### 5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (7.1A Mandate).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$6,690,600 (based on the number of Shares on issue and the closing price of Shares on the ASX on 11 October 2023).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1 A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

## 5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

### (a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

## (b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

## (c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:

- (i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
- (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
- (iii) the development of the Company's current business; and
- (iv) general working capital.

### (d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 11 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

			Dilution				
Number of Shares on Issue		Shares issued –	Issue Price				
			\$0.029	\$0.059	\$0.089		
(Variable A ir 7.1A	_	10% voting dilution	50% decrease	Issue Price	50% increase		
		diionon	Funds Raised				
Current	113,400,002 Shares	11,340,000 Shares	\$328,860	\$669,060	\$1,009,260		
50% increase	170,100,003 Shares	17,010,000 Shares	\$493,290	\$1,003,590	\$1,513,890		
100% increase	226,800,004 Shares	22,680,000 Shares	\$657,720	\$1,338,120	\$2,018,520		

<sup>\*</sup>The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a prorata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

#### The table above uses the following assumptions:

- There are currently 113,400,002 Shares on issue as at the date of this Notice comprising.
- 2. The issue price set out above is the closing market price of the Shares on the ASX on 11 October 2023 (being \$0.059).
- 3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- 4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- 5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- 6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

#### Shareholders should note that there is a risk that:

(i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

(ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

## (e) Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

### (f) Previous approval under Listing Rule 7.1A

The Company did not obtain approval under Listing Rule 7.1A at its annual general meeting held on 23 November 2023. Accordingly, the Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the twelve months preceding the date of the Meeting.

## 5.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

### 6. RESOLUTION 5 – ISSUE OF NEW OPTIONS

#### 6.1 Background to Option Issue

As announced on 15 September 2023, 30,000,000 Options in the LYKO class of quoted Options (LYKO Options) expired on 15 October 2023 (Expiry Date).

Subject to Shareholder approval, the Company is proposing to issue up to 30,000,000 Options exercisable at \$0.30 expiring 18 months from the date of issue (**New Options**) to all Australian and New Zealand resident holders of the LYKO Options on the basis of 1 New Option for every 1 LYKO Option held on the Expiry Date (**Option Issue**). The Company anticipates lodging a prospectus with ASIC in relation to the Option Issue before the date of the Meeting (**Prospectus**).

The number of New Options to be offered includes up to 4,725,000 New Options to be issued to Director, Stephen Allen and his associate, for which Shareholder approval is separately sought under ASX Listing Rule 10.11 pursuant to Resolution 6.

The purpose of the issue of the New Options is to enable the holders of the LYKO Options to continue to participate in the ongoing development of the Company. Resolution 5 seeks Shareholder approval for the issue of up to 25,275,000 New Options.

## 6.2 ASX Listing Rule 7.1

As summarised in Section 5.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the New Options does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

## 6.3 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to proceed with the issue of the New Options. In addition, the issue of the New Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the New Options under the Option Issue.

Resolution 5 is independent of Resolutions 1 to 4 and Resolution 6. Resolution 5 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the New Options.

## 6.4 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 5:

- (a) the New Options will be issued to all Australian and New Zealand based holders of the LYKO Options on the basis of one (1) New Option for every one (1) LYKO Option held on the Record Date pursuant to the terms of the Prospectus;
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that, other than substantial Shareholders, Robert Henry Adamson and RCF Opportunities Fund L.P, none of the recipients will be:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;

- (c) the maximum number of New Options to be issued is 25,275,000. The terms and conditions of the New Options are set out in Schedule 1;
- (d) the New Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the New Options will occur on the same date;
- (e) the Company will not receive any consideration for the issue of the New Options (other than in respect of funds received on exercise of the Options) as the New Options will be issued for nil cash consideration;
- (f) the purpose of the issue of the New Options is to enable the holders of LYKO Options to continue to participate in the ongoing development of the Company;
- (g) the New Options are not being issued under an agreement;
- (h) the New Options are not being issued under, or to fund, a reverse takeover; and
- (i) a voting exclusion statement is included in Resolution 5 of the Notice.

### 6.5 Director recommendation

The Board (other than Mr Allen who has a material personal interest in both Resolutions 5 and 6) recommend that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution. In addition to this, Director and substantial Shareholder, Milos Bosnjakovic has given an undertaking to vote in favour of this Resolution.

## 7. RESOLUTION 6 – ISSUE OF NEW OPTIONS TO RELATED PARTY – STEPHEN ALLEN AND ASSOCIATE

#### 7.1 General

As set out in Section 6.1 above, Director Stephen Allen and an associate of Mr Allen wish to participate in the Option Issue on the same terms as unrelated participants in the Option Issue (**Participation**).

On the Expiry Date, Stephen Allen and an associate of Stephen Allen held the following interest in LYKO Options:

- (a) Mr Allen held 3,475,000 LYKO Options; and
- (b) Quadratura Investments Pty Ltd held 1,250,000 LYKO Options.

Quadratura Investments Pty Ltd is a wholly owned subsidiary of RFC Ambrian Group Limited. Quadratura Investments Pty Ltd is deemed to be an associate of Stephen Allen given Mr Allen holds voting power of 26.4% in RFC Ambrian Group Limited.

Accordingly, Resolution 6 seeks Shareholder approval for the issue of up to 4,725,000 New Options to Mr Allen and Quadratura Investments Pty Ltd (or their nominee(s)), as a result of the Participation on the terms set out below.

## 7.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of New Options which constitutes giving a financial benefit and Mr Allen is a related party of the Company by virtue of being a Director. As set out above, Quadratura Investments Pty Ltd is an associate of Mr Allen.

The Directors (other than Mr Allen who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the New Options will be issued to Mr Allen and Quadratura Investments Pty Ltd (or their nominee(s)) on the same terms as the New Options issued to non-related party participants in the Option Issue and as such the giving of the financial benefit is on arm's length terms.

## 7.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Participation falls within Listing Rules 10.11.1 (in respect of Mr Allen) and 10.11.4 (in respect of Quadratura Investments Pty Ltd) and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 6 seeks Shareholder approval for the Participation under and for the purposes of Listing Rule 10.11.

## 7.4 Technical information required by Listing Rule 14.1A

Subject to the passing of Resolution 5, if Resolution 6 is passed, the Company will be able to proceed with the issue of the New Options under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the New Options in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the New Options will not use up any of the Company's 15% annual placement capacity.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the New Options under the Participation.

Resolution 6 is conditional on Resolution 5 also being passed. Therefore, if Resolution 5 is not passed, the Board will not be able to proceed with issue of New Options to Mr Allen and Quadratura Investments Pty Ltd under the Participation pursuant to Resolution 6.

## 7.5 Technical Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 6:

- (a) the New Options will be issued to Mr Allen and Quadratura Investments Pty Ltd (or their nominee(s)), who fall within the categories set out in Listing Rules 10.11.1 and 10.11.4 respectively, as Mr Allen is a related party of the Company by virtue of being a Director and Quadratura Investments Pty Ltd is an associate of Mr Allen;
- (b) the maximum number of New Options to be issued is:
  - (i) 3,475,000 to Stephen Allen (or his nominee); and
  - (ii) 1,250,000 to Quadratura Investments Pty Ltd (or its nominee);
- (c) the New Options will be issued on the same terms and conditions as the New Options issued to unrelated participants in the Option Issue, the terms of which are set out in Schedule 1;
- (d) the New Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the New Options will be issued on the same date;
- (e) the Company will not receive any consideration for the issue of the New Options (other than in respect of funds received on exercise of the Options) as the New Options will be issued for nil cash consideration;
- (f) the purpose of the issue of New Options under the Participation is to enable Mr Allen and Quadratura Investments Pty Ltd, as holders of LYKO Options, to continue to participate in the ongoing development of the Company on the same terms as unrelated participants in the Option Issue and as set out in Section 6.1 above;
- (g) the New Options to be issued under the Participation are not intended to remunerate or incentivise Mr Allen or Quadratura Investments Pty Ltd;

- (h) the New Options are not being issued under an agreement; and
- (i) a voting exclusion statement is included in Resolution 6 of the Notice.

## 7.6 Director recommendation

The Board (other than Mr Allen who has a material personal interest in Resolution 6) recommends that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution. In addition to this, Director and substantial Shareholder, Milos Bosnjakovic has given an undertaking to vote in favour of this Resolution.
