2.1 **Voting in person**

To vote in person, attend the Meeting on the date and at the place set out above.

2.2 **Voting by proxy**

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are encouraged to vote by completing and returning the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (ii) a proxy need not be a member of the Company; and
- (iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);
- (ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands;
- (iii) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (iv) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Section 250BC of the Corporations Act provides that, if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (ii) the appointed proxy is not the chair of the meeting;
- (iii) at the meeting, a poll is duly demanded on the resolution; and
- (iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting. Your proxy voting instruction must be received by 11.00am (ACDT), on Sunday, 26 November 2023 being not later than 48 hours before the commencement of the Meeting.

2.3 Chair's voting intentions

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1 and Resolution 4(a) to (c) (inclusive), by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though these Resolutions are connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

The Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention.

2.4 Submitting questions

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company Secretary at pmoffatt@northernstargroup.com.au by 5.00pm (ACDT), on Friday, 24 November 2023.

Shareholders will also have the opportunity to submit questions during the Meeting in respect to the formal items of business. In order to ask a question during the Meeting, please follow the instructions from the Chair.

The Chair will attempt to respond to the questions during the Meeting. The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

3. Annual Report

In accordance with section 317 of the Corporations Act and the Company's Constitution, Shareholders will be offered the opportunity to discuss the Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2023.

There is no requirement for Shareholders to approve these reports.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Financial Report, Directors' Report and Auditor's Report, which are included in the Company's Annual Report available online at <https://sparctechnologies.com.au/about-us/> or on the ASX platform for "SPN" at www.asx.com.au;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) the preparation and content of the Auditor's Report;
- (b) the conduct of the audit;

- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

The Company will not provide a hard copy of the Company's Financial Report to Shareholders unless specifically requested to do so.

4. Resolution 1 – Adoption of Remuneration Report

4.1 General

In accordance with subsection 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

A Strike was not received by the Company at its previous year's annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2024 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

4.2 Board recommendation

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Election of Director – Adrien Wing

5.1 Article 7.6.(a) of the Constitution provides that the Directors may at any time appoint any

person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.

Article 7.6(b) of the Constitution and Listing Rule 14.4 both provide that a Director appointed under 7.6.(a) must not hold office without re-election past the next annual general meeting of the Company following the Director's appointment.

Article 7.6(c) of the Constitution provides a Director appointed under article 7.6(a) holds office until the conclusion of the next annual general meeting of the Company but is eligible for election at that meeting. Accordingly, Adrien Wing, a Director appointed on 29 September 2023, retires at this Meeting and, being eligible and offering himself for election, seeks election pursuant to Resolution 2.

5.2 Adrien Wing

Mr Wing began his professional career practicing in the audit and corporate advisory divisions within a boutique chartered accounting firm. With a career spanning over 25 years, Mr Wing has been a prominent figure in the corporate landscape, focusing primarily on ASX small-cap companies. His expertise shines through in his leadership in IPO transactions and his pivotal role in orchestrating post-listing reverse takeovers and acquisitions across diverse industry sectors and global jurisdictions.

Mr Wing has a strong pedigree in the life sciences industry being the founder of Rhythm Biosciences Ltd (ASX:RHY) and bringing that entity to the ASX in 2017. His profound knowledge and invaluable experience make him a compelling candidate for appointment as a non-executive director.

Mr Wing currently serves as Non-Executive Chair of Cleo Diagnostics Ltd (ASX:COV), Non-Executive Director and Joint Company Secretary Red Sky Energy (ASX:ROG) and New Age Exploration Ltd (ASX:NAE), and Company Secretary of Osmond Resources Ltd (ASX:OSM).

The Company confirms that it took appropriate checks into Mr Wing's background and experience and that these checks did not identify any information of concern.

If elected, Mr Wing is considered by the Board (with Mr Wing abstaining) to be an independent Director. Mr Wing is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

Mr Wing has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 Board recommendation

The Board (other than Mr Wing who has a personal interest in the outcome of this Resolution) supports the election of Mr Wing due to Mr Wing's:

- (a) significant corporate experience, particularly in relation to equity capital raisings and mergers & acquisitions;

- (b) wide-ranging board experience across a number of listed companies which will be invaluable during the next stage of the Company's development; and
- (c) in his previous roles, Mr Wing has demonstrated a high level of corporate leadership and is expected to make a valuable contribution to the Board.

5.4 **Additional information**

Resolution 2 is an ordinary resolution.

The Board (other than Mr Wing who has a personal interest in the outcome of this Resolution) recommends that Shareholders vote in favour of this Resolution.

6. **Resolution 3 – Approval of 10% Placement Facility**

6.1 **General**

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to provide the Company with the ability to issue Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) below). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval in Listing Rule 7.1.

6.2 **Listing Rule 7.1A**

(a) **Is the Company an eligible entity?**

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$18.0 million, based on the closing price of Shares (\$0.21) on 11 October 2023.

(b) **What Equity Securities can be issued?**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the eligible entity.

As at the date of the Notice, the Company has one quoted class of Equity Securities on issue, being Shares.

(c) **How many Equity Securities can be issued?**

Listing Rule 7.1A.2 provides that under the approved 10% Placement Facility, the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A = is the number of Shares on issue at the commencement of the Relevant Period:

- (A) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (B) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (1) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (2) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (C) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (1) the agreement was entered into before the commencement of the Relevant Period; or
 - (2) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (D) plus the number of partly paid Shares that became fully paid Shares in the Relevant Period;
- (E) plus the number of fully paid Shares issued in the Relevant Period with approval under Listing Rules 7.1 and 7.4; and
- (F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity, and 'Relevant Period' has the

relevant meaning given in Listing Rule 7.1 and 7.1A.2, namely, the 12 month-period immediately preceding the date of the issue or agreement.

D = is 10%.

E = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) What is the interaction with Listing Rule 7.1?

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) At what price can the Equity Securities be issued?

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 6.2(e)(i) above, the date on which the Equity Securities are issued,

(Minimum Issue Price).

(f) When can Equity Securities be issued?

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid from the date of the Meeting and will expire on the earlier of:

- (i) the date that is 12 months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

(g) What is the effect of Resolution 3?

The effect of Resolution 3 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 **Specific information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon issue of any Equity Securities.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.105 50% decrease in Current Market Price	\$0.21 Current Market Price	\$0.42 100% increase in Current Market Price

100% increase in Variable A	Funds raised	\$1,798,559	\$3,597,118	\$7,194,237

Notes:

1. The table has been prepared on the following assumptions:
 - (a) The issue price is the current market price (\$0.21), being the closing price of the Shares on ASX on 11 October 2023, being the latest practicable date before this Notice was signed.
 - (b) Variable A comprises of 85,645,674 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
 - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused

to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 29 November 2022.

The Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A in the 12 months prior to the date of the Meeting. At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 **Additional information**

Resolution 3 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 3.

7. Resolution 4(a)-(c) – Approval of issue of Options to Directors

7.1 General

The Company is proposing, subject to obtaining Shareholder approval, to issue up to a total of 3,500,000 Options (the **Director Options**) to the Directors (or their nominees) under the Company's employee securities incentive plan (**Plan**) as follows:

Director	Options ⁽¹⁾
Daniel Eddington	1,000,000
Stephen Hunt	1,500,000
Adrien Wing	1,000,000

1. The Director Options are exercisable at \$0.35 each and expire 4 years from the date of issue. The terms and conditions of the Director Options are in Schedule 3.

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue of the Director Options seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. The Board believes that the issue of these Director Options will align the interests of the Directors with those of the Company and its Shareholders. In addition, the Board also believes that incentivising with Options is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Options to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

Resolution 4(a) to (c) (inclusive) seeks Shareholder approval pursuant to Listing Rule 10.14 and sections 195(4) and 208 of the Corporations Act for the issue of the Director Options to the Directors (or their nominees) under the Plan.

7.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of its Shareholders:

- (a) a director of the entity (Listing Rule 10.14.1);
- (b) an associate of a person referred to in Listing Rule 10.14.1 (Listing Rule 10.14.2); and
- (c) a person whose relationship with the entity or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by Shareholders.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Options as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Director Options to the Directors (or their nominees) will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1 or the maximum permitted number of Equity Securities issued under Listing Rule 7.2, exception 13(b).

The effect of Shareholders passing Resolution 4(a) to (c) (inclusive) will be to allow the Company to issue the Director Options to the Directors (or their nominees).

If Resolution 4(a) to (c) (inclusive) are not passed, the Company will not be able to proceed with the issue of the relevant number of Director Options that are not approved by Shareholders, and the Company will have to consider alternative commercial means to incentivise the Directors.

7.3 **Specific information required by Listing Rule 10.15**

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Director Options:

- (a) The Director Options will be issued under the Plan to the Directors (or their nominees) as set out at Section 7.1.
- (b) the Directors falls into the category stipulated by Listing Rule 10.14.1 by virtue of being a Director of the Company. In the event the Director Options are issued to a nominee of the Directors, that person will fall into the category stipulated by Listing Rule 10.14.2.
- (c) A maximum of 3,500,000 Director Options will be issued to the Directors (or their nominees) in the proportions set out in Section 7.1 above.
- (d) The total annual remuneration package for the Directors for the financial year ended 30 June 2023 is set out below:

Director	Salary and fees (\$)	Super-annuation (\$)	Performance Shares (\$)	Total (\$)
Daniel Eddington	57,216	6,013	56,715	119,944
Stephen Hunt	187,254	19,680	56,715	263,649
Adrien Wing ¹	60,000	-	21,268	81,268

Notes:

- 1. Mr Wing has a contract to supply company secretarial services to Sparc Technologies Ltd through Northern Star Corporate Pty Ltd. The fees are \$5,000 per month plus GST.

- (e) No Equity Securities have previously been issued under the Plan to the Directors.

- (f) The Director Options will be issued on following terms and conditions set out in Schedule 3.
- (g) The Board considers that Options, rather than Shares, are an appropriate form of incentive because they reward the Directors for achievement of sustained growth in the value of the Company. Additionally, the issue of Options instead of cash is a prudent means of rewarding and incentivising the Directors whilst conserving the Company's available cash reserves. If the Director Options are exercised, it would also result in a cash injection to the Company (assuming no cashless-exercise facility is utilised).
- (h) The Company's valuation of the Director Options is in Schedule 4, with a summary below:

Director	Options	Valuation
Daniel Eddington	1,000,000	\$0.14
Stephen Hunt	1,500,000	\$0.14
Adrien Wing	1,000,000	\$0.14

- (i) The Director Options will be issued to the Directors (or their nominees) as soon as practicable following the Meeting and in any event not later than three years after the Meeting.
- (j) The Director Options will be issued for nil cash consideration and will be provided as an incentive component to the Directors' remuneration package.
- (k) A summary of the material terms of the Plan is in Schedule 2.
- (l) No loan will be provided to the Directors in relation to the issue of the Director Options.
- (m) Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- (n) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the resolution is approved and who were not named in the Notice will not participate until approval is obtained under Listing Rule 10.14.
- (o) A voting exclusion statement is included in the Notice.

7.4 **Section 195 of the Corporations Act**

Section 195(1) of the Corporations Act prohibits a director of a public company who has a material personal interest in a matter that is being considered at a meeting of directors from being present while the matter is being considered at the meeting or voting on the matter. If

there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

The Directors have a personal interest in the outcome of each of their respective Resolutions under Resolution 4(a) to (c) (inclusive) and have exercised their right under section 195(4) of the Corporations Act to put the issue of the Director Options to the Directors to Shareholders to resolve.

7.5 **Chapter 2E of the Corporations Act**

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Director Options constitutes giving a financial benefit to related parties of the Company.

Given the personal interests of all the Directors in the outcome of this Resolution, the Board is seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act in respect of the issue of the Director Options. Notwithstanding that the issue of the Director Options is considered by the Board as reasonable remuneration and therefore falls within the exception stipulated by section 211 of the Corporations Act, the Board considers that there may be potential conflicts of interest should Shareholder approval not be sought.

7.6 **Information required under Chapter 2E of the Corporations Act**

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Options:

- (a) **Identity of the related parties to whom Resolution 4(a) to (c) (inclusive) permit financial benefits to be given**

Refer to Section 7.1 above.

- (b) **Nature of the financial benefit**

Resolution 4(a) to (c) (inclusive) seeks Shareholder approval to allow the Company to issue the Director Options in the amounts specified in Section 7.1 to the Directors (or their nominees).

The Director Options are to be issued in accordance with the Plan and otherwise on the terms and conditions as detailed in Schedule 3 above.

The Shares to be issued upon conversion of the Director Options will be fully paid ordinary Shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the

Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

(c) **Board recommendations**

Given the personal interests of all the Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders in relation to this Resolution.

(d) **Valuation of financial benefit**

Refer to Section 7.3(h) above.

(e) **Remuneration of the Directors**

Refer to Section 7.3(d) above.

(f) **Existing relevant interest of the Directors**

At the date of this Notice, the Directors hold the following relevant interests in Equity Securities of the Company:

Director	Shares	Options	Performance Rights
Daniel Eddington	2,880,769	1,000,000	2,000,000
Stephen Hunt	7,757,533	1,500,000	2,000,000
Adrien Wing	312,351	1,000,000	750,000

Assuming that Resolution 4(a) to (c) (inclusive) is approved by Shareholders, all of the Director Options are issued, vested and exercised into Shares, and no other Equity Securities are issued or exercised (including any existing Options and Performance Rights held by the Directors as at the date of this Notice), the interest of Messrs Eddington, Hunt and Wing in the Company would (based on the share capital as at the date of this Notice) represent approximately 5.61%, 10.74% and 1.97% respectively of the Company's issued share capital.

(g) **Dilution**

The issue of the Director Options will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Options vest and are exercised. The potential dilution if all Director Options vest and are exercised into Shares is 3.93%. This figure assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on exercise of the Director Options.

The exercise of all of the Director Options will result in a total dilution of all other Shareholders' holdings of 3.09% on a fully diluted basis (assuming that all other

Options and Performance Rights are exercised). The actual dilution will depend on the extent that additional Shares are issued by the Company.

(h) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$0.89 per Share on 13 October 2022

Lowest: \$0.195 per Share on 11 September 2023

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.21 per Share on 11 October 2023.

(i) **Corporate governance**

Mr Stephen Hunt is an executive director of the Company and therefore the Board (other than Mr Hunt) believe that the grant of those Director Options to Mr Hunt with is in line with Recommendation 8.2 of the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The Board notes that the grant of those Director Options to Mr Daniel Eddington and Mr Adrien Wing, who are non-executive directors, is in line with Recommendation 8.2 of the Recommendations and that the grant does not affect the independence of the Directors as there are no performance-based milestones attaching to those Director Options.

(j) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Options (including fringe benefits tax).

(k) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 4(a) to (c) (inclusive).

7.7 Additional information

Resolution 4(a) to (c) (inclusive) is an ordinary resolution.

The Board (other than the Directors who has a personal interest in the outcome of this Resolution) recommend that Shareholders vote in favour of Resolution 4(a) to (c) (inclusive).

8. Resolution 5 – Re-insertion of Proportional Takeover Provisions

8.1 General

The Company's Constitution contains proportional takeover bid approval provisions (**Proportional Takeover Provisions**) which enable the Company to refuse to register securities acquired under a proportional takeover bid unless a resolution is passed by

Shareholders in general meeting approving the offer. Under the Corporations Act, proportional takeover provisions expire after three years from adoption or renewal and may then be renewed. The Proportional Takeover Provisions in the current Constitution will expire on 26 October 2023 and will cease to apply on that date.

Resolution 5 seeks the approval of Shareholders to modify the Constitution by re-inserting the Proportional Takeover Provisions for a further three years under sections 648G(4) and 136(2) of the Corporations Act. The proposed Proportional Takeover Provisions set out in Schedule 5 of this Notice are identical to those previously contained at schedule 5 of the Constitution.

The Corporations Act requires the Company to provide Shareholders with an explanation of the Proportional Takeover Provisions as set out below.

8.2 Information required by section 648G of the Corporations Act

(a) Effect of Proportional Takeover Provisions to be renewed

A proportional off-market takeover bid (**PT Bid**) is a takeover offer sent to all Shareholders but only for a specified portion of each Shareholder's Securities.

Where offers have been made under a PT Bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a PT Bid is prohibited unless and until a resolution to approve the PT Bid is passed.

(b) Reasons for renewing Proportional Takeover Provisions

If re-inserted, under schedule 5 of the Constitution if a PT Bid is made to Shareholders of the Company, the board of the Company is required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover. That meeting must be held at least 15 days before the offer under the PT Bid closes.

The resolution is taken to have been passed if a majority of Securities voted at the meeting, excluding the Securities of the bidder and its associates, vote in favour of the resolution. If no resolution is voted on at least 15 days before the close of the PT Bid, the resolution is deemed to have been passed. Where the resolution approving the PT Bid is passed or deemed to have been passed, transfers of Securities resulting from accepting the PT Bid are registered provided they otherwise comply with the Corporations Act, the ASX Listing Rules, the ASX Operating Rules and the Company's Constitution. If the resolution is rejected, then under the Corporations Act the PT Bid is deemed to be withdrawn.

The Directors consider that Shareholders should have the opportunity to re-insert the Proportional Takeover Provisions. Without the Proportional Takeover Provisions applying, a PT Bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their Securities to the bidder. Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Securities whilst leaving themselves as part of a minority interest in the Company.

Without the Proportional Takeover Provisions, if there was a PT Bid and Shareholders considered that control of the Company was likely to pass, Shareholders would be placed under pressure to accept the PT Bid even if they did not want control of the

Company to pass to the bidder. Re-inserting the Proportional Takeover Provisions will make this situation less likely by permitting Shareholders to decide whether a PT Bid should be permitted to proceed.

(c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) Advantages and disadvantages of the Proportional Takeover Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the Proportional Takeover Provisions were adopted, there has been no application of the provisions. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of Proportional Takeover Provisions.

(e) Potential advantages and disadvantages of Proportional Takeover Provisions

The renewal of the Proportional Takeover Provisions will enable the Directors to formally ascertain the views of Shareholders about a PT Bid. Without these provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that re-insertion of the Proportional Takeover Provisions has no potential advantages or potential disadvantages for them, as they remain free to make a recommendation on whether a PT Bid should be accepted.

The Directors consider that re-inserting the Proportional Takeover Provisions benefits all Shareholders in that they will have an opportunity to consider a PT Bid and then attend or be represented by proxy at a meeting of Shareholders called specifically to vote on the proposal. Accordingly, Shareholders are able to prevent a PT Bid proceeding if there is sufficient support for the proposition that control of the Company should not be permitted to pass under the PT Bid. Furthermore, knowing the view of Shareholders assists each individual Shareholder to assess the likely outcome of the PT Bid and whether to accept or reject that bid.

As to the possible disadvantages to Shareholders re-inserting the Proportional Takeover Provisions, potentially, the proposal makes a PT Bid more difficult and PT Bids will therefore be discouraged. This may reduce the opportunities which Shareholders may have to sell all or some of their Securities at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's Share price. The Proportional Takeover Provisions may also be considered an additional restriction on the ability of individual Shareholders to deal freely on their Securities.

The Directors consider that there are no other advantages or disadvantages for Directors or Shareholders which arose during the period during which the Proportional Takeover Provisions were in effect, other than those discussed in this Section.

8.3 Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of re-inserting the Proportional Takeover Provisions and as a result consider that the

Proportional Takeover Provisions in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 5.

8.4 **Additional information**

Resolution 5 is a **special resolution** and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 5.

Schedule 2 Summary of employee securities incentive plan

A summary of the terms of the Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that has been determined by the Board to be eligible to participate in the Plan from time to time and is an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:
- (i) an employee or director of the Company or an individual who provides services to the Company;
 - (ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
 - (iii) a prospective person to whom paragraphs (i) or (ii) apply;
 - (iv) a person prescribed by the relevant regulations for such purposes; or
 - (v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).

- (b) **(Maximum allocation)** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:

- (i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus
- (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,

would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.

The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.

The Company will require prior Shareholder approval for the acquisition of equity securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director's associate is such that, in ASX's opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.

- (c) **(Purpose):** The purpose of the Plan is to:

- (i) assist in the reward, retention and motivation of Eligible Participants;
- (ii) link the reward of Eligible Participants to Shareholder value creation; and
- (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

- (d) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
- (e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

- (f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (m) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- (n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
- (o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (r) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

 - (b) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act.
10. **(Restrictions on transfer of Shares):** If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Options may not be traded and will be subject to a holding lock until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act.
11. **(Timing of application for quotation)** If admitted to the official list of ASX at the time, the Company must apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options within 10 Business Days of the end of the quarter in which the exercise occurred, or within such other time period required by the Listing Rules.
12. **(Shares issued on exercise):** Shares issued on exercise of the Options rank equally with the then issued shares of the Company.
13. **(Cashless exercise of Options):** The holder of Options may elect not to be required to provide payment of the Exercise Price for the number of Options specified in a Notice of

Exercise but that on exercise of those Options the Company will transfer or allot to the holder that number of Shares equal in value to the positive difference between the then Market Value of the Shares at the time of exercise and the Exercise Price that would otherwise be payable to exercise those Options (with the number of Shares rounded down to the nearest whole Share).

14. **Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the five (5) trading days immediately preceding that given date.
15. **(Takeovers prohibition):**
 - (a) the issue of Shares on exercise of the Options is subject to and conditional upon the issue of the relevant Shares not resulting in any person being in breach of section 606(1) of the Corporations Act; and
 - (b) the Company will not be required to seek the approval of its members for the purposes of item 7 of section 611 of the Corporations Act to permit the issue of any Shares on exercise of the Options.
16. **(Reconstruction of capital):** If at any time the issued capital of the Company is reconstructed, all rights of an Option holder are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reconstruction.
17. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.
18. **(Entitlement to dividends):** The Options do not confer any entitlement to a dividend, whether fixed or at the discretion of the directors, during the currency of the Options without exercising the Options.
19. **(Entitlement to capital return):** The Options do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise, and similarly do not confer any right to participate in the surplus profit or assets of the Company upon a winding up, in each case, during the currency of the Options without exercising the Options.
20. **(Adjustments for reorganisation):** If there is any reorganisation of the issued share capital of the Company, the rights of the Option holder will be varied in accordance with the Listing Rules.
21. **(Adjustment for bonus issues of Shares):** If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment):
 - (a) the number of Shares which must be issued on the exercise of an Option will be increased by the number of Shares which the Option holder would have received if the Option holder had exercised the Option before the record date for the bonus issue; and
 - (b) no change will be made to the Exercise Price.
22. **(Voting rights):** The Options do not confer any right to vote at meetings of members of the Company, except as required by law, during the currency of the Options without first exercising the Options.
23. **(Plan):** The Options are issued pursuant to and are subject to the New Plan. In the event of conflict between a provision of these terms and conditions and the New Plan, these terms and conditions prevail to the extent of that conflict.

Schedule 5 Schedule 5 of the constitution - Proportional Takeover Bid Approval

1. Resolution required for proportional takeover provisions

Despite articles 4.1, 4.2 and 4.3, if offers are made under a proportional takeover bid for securities of the Company in accordance with the Corporations Act:

- (a) this Schedule 5 applies;
- (b) the registration of a transfer giving effect to a takeover contract resulting from acceptance of an offer made under the takeover bid is prohibited unless and until a resolution (an "approving resolution") to approve the bid is passed or taken to be passed in accordance with paragraph 4 or 5; and
- (c) the Directors must ensure that an approving resolution is voted on in accordance with paragraphs 2 to 3 before the 14th day before the last day of the bid period.

2. Procedure for resolution

The Directors may determine whether the approving resolution is voted on:

- (a) at a meeting of persons entitled to vote on the resolution convened and conducted, subject to the provisions of paragraph 3, as if it were a general meeting of the Company convened and conducted in accordance with this Constitution and the Corporations Act with such modifications as the Directors determine the circumstances require; or
- (b) by means of a postal ballot conducted in accordance with the following procedure:
 - (i) a notice of postal ballot and ballot paper must be sent to all persons entitled to vote on the resolution not less than 14 days before the date specified in the notice for closing of the postal ballot, or such lesser period as the Directors determine the circumstances require;
 - (ii) the non-receipt of a notice of postal ballot or ballot paper by, or the accidental omission to give a notice of postal ballot or ballot paper to, a person entitled to receive them does not invalidate the postal ballot or any resolution passed under the postal ballot;
 - (iii) the notice of postal ballot must contain the text of the resolution and the date for closing of the ballot and may contain any other information the Directors consider appropriate;
 - (iv) each ballot paper must specify the name of the person entitled to vote;
 - (v) a postal ballot is only valid if the ballot paper is duly completed and:
 - (A) if the person entitled to vote is an individual, signed by the individual or a duly authorised attorney; or
 - (B) if the person entitled to vote is a corporation, executed under seal or as permitted by the Corporations Act or under the hand of a duly authorised officer or duly authorised attorney;
 - (vi) a postal ballot is only valid if the ballot paper and the power of attorney or other

authority, if any, under which the ballot paper is signed or a copy of that power or authority certified as a true copy by statutory declaration is or are received by the Company before close of business on the date specified in the notice of postal ballot for closing of the postal ballot at the Registered Office or share registry of the Company or at such other place as is specified for that purpose in the notice of postal ballot; and

- (vii) a person may revoke a postal ballot vote by notice in writing which to be effective must be received by the Company before the close of business on the date for closing of the postal ballot.

3. Persons entitled to vote

The only persons entitled to vote on the approving resolution are those persons who, as at the end of the day on which the first offer under the bid was made, held bid class securities. Each person who is entitled to vote is entitled to one vote for each bid class security held by that person at that time. Neither the bidder nor any associate of the bidder is entitled to vote on the resolution.

4. Resolution passed or rejected

If the resolution is voted on in accordance with paragraphs 1 to 3, then it is taken to have been passed if the proportion that the number of votes in favour of the resolution bears to the total number of votes on the resolution is greater than one-half, and otherwise is to be taken to have been rejected.

5. Resolution taken as passed

If a resolution to approve the bid has not been voted on as at the end of the day before the 14th day before the last day of the offer period, then a resolution to approve the bid is taken to have been passed in accordance with paragraphs 2 to 4.

6. Takeover articles cease to have effect

Paragraphs 1 to 5 cease to have effect on the day 3 years after the later of their adoption or last renewal.
