Chairman's letter

30 October 2023

Dear Shareholders

A\$0.58 all-cash offer to acquire Your Shares

On behalf of Zhaojin Capital (Hong Kong) Limited (**Zhaojin Capital**), an indirect wholly-owned subsidiary of Zhaojin Mining Industry Company Limited (**Zhaojin Mining Industry**), I am pleased to enclose an Offer to acquire all of the Shares in Tietto Minerals Limited ABN 53 143 493 118 (**Tietto**) not currently held by Zhaojin Mining, at a price of A\$0.58 per Share.

As at 27 October 2023, related corporations of Zhaojin Capital held approximately 7.02% of the Shares in Tietto. If Zhaojin Capital acquires 100% of the Shares in Tietto not currently held by Zhaojin Mining, this would result in a delisting of Tietto from the ASX.

Zhaojin Capital believes that the Offer delivers an attractive premium relative to historical trading prices in the Shares in Tietto, certain value in the form of cash consideration and an additional source of liquidity for Tietto Shareholders, without the need to incur brokerage costs that would otherwise be payable for any on-market sale.

The Offer is conditional upon a 50.1% minimum acceptance condition. It is also subject to a number of other conditions, including Chinese regulatory approvals from the NDRC, MOFCOM and SAFE having been obtained, and approval from the Ministry of Mines, Petroleum and Energy of Côte d'Ivoire having been obtained.

The full terms and conditions of the Offer are set out in section 9 of this Bidder's Statement.

Compelling Offer to Tietto Shareholders

The consideration under the Offer of A\$0.58 per Share represents a premium of:

- 36% to the Tietto closing price as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.425 per Share;
- 42% to the Tietto five-day VWAP as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.408 per Share;
- 60% to the Tietto one-month VWAP as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.362 per Share;
- 41% to the Tietto three-month VWAP as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.412 per Share; and
- 71% to the equity conversion price of the US\$8 million short term loan announced to ASX by Tietto on 17 October 2023, being A\$0.340 per Share.

Some key attractions of the Offer are summarised below:

- 1 the consideration under the Offer represents an attractive premium to historical trading prices of the Shares;
- 2 as a 100% cash offer, the Offer provides Tietto Shareholders with certain and immediate value, with no brokerage fees;
- 3 the Offer provides a way for Tietto Shareholders to avoid exposure to the ongoing risk of operating Tietto's Abujar Gold Mine in Cote d'Ivoire; and
- 4 accepting the Offer removes potential dilution risk for Tietto Shareholders arising from Tietto's operations, development and exploration activities.

Information on Zhaojin Capital and Tietto

Zhaojin Capital is a special purpose vehicle incorporated in Hong Kong for the purposes of the Offer. Zhaojin Capital is an indirect wholly-owned subsidiary of Zhaojin Mining Industry.

Zhaojin Mining Industry was incorporated in 2006 in the People's Republic of China and is an integrated gold corporation with exploration, mining, processing and smelting operations. It has a long and successful record of investing in the gold mining industry.

Zhaojin Mining Industry has been listed on the HKSE since 8 December 2006. Zhaojin Mining Industry intends to support and accelerate the growth of Tietto and the Abujar Gold Mine.

Tietto is an Australian-headquartered and ASX listed gold miner, operating the Abujar Gold Mine in Côte d'Ivoire which achieved commercial production on 6 July 2023.

Please refer to section 2 for more information on Zhaojin Capital and Zhaojin Mining, and section 3 for more information on Tietto and the Tietto Group.

Next steps

I encourage you to read this Bidder's Statement in full for further details about the Offer.

The Offer is open for your acceptance until 7.00pm on 14 December 2023, unless extended. If you wish to accept the Offer, please follow the instructions in the Bidder's Statement and the enclosed Acceptance Form.

If you have any questions about the Offer, please call the Zhaojin Offer Information Line on 1300 918 419 (within Australia) or +61 3 9946 4423 (outside Australia) or contact your legal, financial or other professional adviser.

Yours sincerely

Mr. Jiang Guipeng
Chairman

Why you should accept the Offer

- 1 The offer of A\$0.58 per Share represents an attractive cash price for Your Shares in the current uncertain environment
- 2 Significant liquidity event for monetising your investment in Tietto
- 3 Removal of risks associated with operating Tietto's Abujar Gold Mine in Cote d'Ivoire
- 4 Removal of potential dilution risks associated with Tietto's operations, exploration and development activities
- 5 If Your Shares are registered in an Issuer Sponsored Holding in your name, you will not incur any brokerage charges on the transfer of Your Shares on acceptance of the Offer
- 6 Tietto's share price may fall after the Offer lapses

1 The offer of A\$0.58 per Share represents an attractive cash price for Your Shares in the current uncertain environment

The Offer price of A\$0.58 per Share represents an attractive premium to historical trading prices.

The Offer price represents a premium of:

- 36% to the Tietto closing price as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.425 per Share;
- 42% to the Tietto five-day VWAP as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.408 per Share;
- 60% to the Tietto one-month VWAP as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.362 per Share;
- 41% to the Tietto three-month VWAP as at 27 October 2023 (the last trading day prior to the Announcement Date), being A\$0.412 per Share; and
- 71% to the equity conversion price of the US\$8 million short term loan announced to ASX by Tietto on 17 October 2023, being A\$0.340 per Share.

The graph below shows the premium which the cash consideration of A\$0.58 per Share represents relative to the described historical Share trading prices on the ASX:

The graph below shows the cash consideration A\$0.58 per Share relative to historical trading prices of Shares on the ASX, up to the latest practicable date prior to the date of this Bidder's Statement:

2 Significant liquidity event for monetising your investment in Tietto

The Offer provides an opportunity for Tietto Shareholders to monetise their investment and obtain liquidity whilst realising a significant premium on the recent share price.

In the six months preceding 27 October 2023 (the last trading day prior to the Announcement Date), the average daily trading volume of Shares was approximately 5.7 million shares or approximately 0.5% of Shares as at 27 October 2023.

If you choose to retain your Shares, you may face risks associated with reduced liquidity leading to uncertainty as to the future monetisation of your investment.

3 Removal of risks associated with Tietto's Abujar Gold Mine

Acceptance of the Offer eliminates your exposure to the development and operational risks inherent in operating Tietto's Abujar Gold Mine in Cote d'Ivoire.

While the Abujar Gold Mine has now achieved commercial production, operations may still face challenges in the future to meet projected targets. On 5 September 2023, Tietto downgraded its production forecast for H2 2023 gold production from 105-120koz to 75-85koz to reflect grade control drilling results received over July and August, lack of stockpiles and Tietto's updated reserve model.

Zhaojin Capital's cash offer eliminates any uncertainty relating to the operations of the Abujar Gold Mine for Tietto Shareholders.

4 Removal of potential dilution risks associated with Tietto's operations, exploration and development activities

Zhaojin Capital currently believes that Tietto has sufficient funds to meet its expected cash needs during the Offer Period. However, Tietto may require ongoing capital raisings to fund its future exploration and development programs. Any subsequent equity capital raising could be dilutive for Tietto's Shareholders.

5 If Your Shares are registered in an Issuer Sponsored Holding in your name, you will not incur any brokerage charges on the transfer of Your Shares on acceptance of the Offer

If Your Shares are held in an Issuer Sponsored Holding (Securityholder Reference Number is prefixed with an "I") or, if at the time of your acceptance, you are entitled to be (but are not yet) registered as the holder of Your Shares and you deliver them directly to Zhaojin Capital, you will not incur any brokerage charges on the transfer of Your Shares on acceptance of the Offer.

If Your Shares are in a CHES Holding (Holder Identification Number is prefixed with an "X"), you should not incur brokerage charges if you accept the Offer. However, you should ask your Controlling Participant (usually your broker) whether it will charge any transaction fees or service charges in connection with your acceptance of the Offer.

If you are a beneficial owner and Your Shares are registered in the name of a bank, custodian or other nominee, you should ask your Controlling Participant (usually your broker), or the bank, custodian or other nominee whether it will charge any transaction fees or service charges in connection with your acceptance of the Offer.

You may incur brokerage charges if you choose to sell Your Shares on-market.

6 Tietto's share price may fall after the Offer lapses

The closing share price on 27 October 2023, being the last trading day prior to the Announcement Date, was A\$0.425.

Tietto's share price may trade at levels below the Offer price once the Offer (and any other offer available at that time) has lapsed, although this is difficult to predict with any degree of certainty. As a result, Tietto Shareholders who have not accepted the Offer before it lapses may not have another opportunity to sell their Shares for A\$0.58 per Share.

- (b) if holders of all Performance Rights on issue as at the date of this Bidder's Statement exercise those Performance Rights and accept the Performance Rights in respect of the Shares issued to them, an additional A\$8.1 million will be payable by Zhaojin Capital under the Offer.

Accordingly, the maximum amount that Zhaojin Capital could be required to pay under the Offer is A\$629.0 million (**Maximum Offer Amount**), together with transaction costs.

5.2 Sources of cash consideration

(a) **Identity of persons to provide cash consideration**

The cash consideration payable under the Offer will be obtained by Zhaojin Capital from the internal cash reserves of Zhaojin Mining Industry.

(b) **Particulars of internal cash reserves**

As at 30 September 2023, Zhaojin Mining Industry has internal cash reserves of RMB 5,406 million or A\$1,163 million (based on an AUD:RMB exchange rate of 4.65 as at 27 October 2023), which is in excess of the Maximum Offer Amount.

As at the date of the Bidder's Statement, Zhaojin Mining Industry has cash, short-term deposits, equivalent liquid assets and available credit lines in an amount not less than the Maximum Offer Amount.

The Maximum Offer Amount will be provided by Zhaojin Mining Industry to Sparky International Company Limited by way of either a capital increase or a shareholder loan pursuant to the commitment letter described in section 5.2(c) below (**Commitment Letter**), and Sparky International Company Limited will, in turn, transfer the funds to Zhaojin Capital pursuant to the Commitment Letter.

(c) **Particulars of the Commitment Letter**

Zhaojin Capital has a legally binding and irrevocable equity commitment from:

- Zhaojin Mining Industry to procure that Zhaojin Capital is funded up to the Maximum Offer Amount, plus additional amounts in respect of Zhaojin Capital's anticipated transaction costs in connection with the Offer (**Equity Commitment**), by promptly (and, in any event, by no later than five business days after Zhaojin Capital gives Zhaojin Mining Industry notice of a requirement to fund Zhaojin Capital) transferring or otherwise providing the Equity Commitment to Sparky International Company Limited by way of either a capital increase or a shareholder loan; and

- Sparky International Company Limited to transfer the Equity Commitment to Zhaojin Capital within two business days after its receipt of the Equity Commitment from Zhaojin Mining Industry.

The obligations of Zhaojin Mining Industry and Sparky International Company Limited are subject to the satisfaction of the following conditions:

- the satisfaction or waiver of all the conditions in section 9.7; and
- Zhaojin Capital giving Zhaojin Mining Industry written notice of a requirement to fund Zhaojin Capital.

Zhaojin Mining Industry has warranted that:

- as at 30 September 2023 it has internal cash reserves of RMB 5,406 million,⁴ which is in excess of the Equity Commitment;
- as at the date of the Bidder's Statement, it has cash, short-term deposits, equivalent liquid assets and available credit lines in an amount not less than the Equity Commitment; and
- subject to the above conditions, internal approvals have been secured and no other approval is required for Zhaojin Mining Industry to fulfil its obligations under the Commitment Letter.

Sparky International Company Limited has warranted that, subject to the above conditions, internal approvals have been secured and no other approval is required for Sparky International Company Limited to fulfil its obligations under the Commitment Letter.

On the basis of the arrangements outlined above, Zhaojin Capital believes it has a reasonable basis for holding the view, and it does hold the view, that it will be able to satisfy its obligations to fund the Maximum Offer Amount as and when it is due and payable under the terms of the Offer.

⁴ Or A\$1,163 million (based on an AUD:RMB exchange rate of 4.65 as at 27 October 2023)

6 Zhaojin Capital's intentions in relation to Tietto

6.1 Introduction

Zhaojin Capital is a special purpose vehicle incorporated for the purposes of this Offer. Accordingly, the intentions of Zhaojin Capital are the same as the intentions of Zhaojin Mining Industry.

This section 6 of the Bidder's Statement sets out Zhaojin Capital's intentions in relation to the following:

- (a) the continuation of the business of Tietto;
- (b) any major changes to be made to the business of Tietto, including any redeployment of its fixed assets; and
- (c) the future continuation of the present employees of Tietto.

Those intentions have been formed on the basis of facts and information concerning Tietto, and the general business environment, which are known at the time of preparing this Bidder's Statement. Final decisions will only be reached by Zhaojin Capital in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this section are statements of current intention only and accordingly may vary as new information becomes available or circumstances change.

The articulation and formulation of Zhaojin Capital's intentions are necessarily limited by virtue of the fact that it has only had limited access to information about Tietto and its affairs.

6.2 Overview and rationale for the Offer

Zhaojin Mining is in the business of producing and smelting gold and has a long and successful record of investing in the gold mining industry. Zhaojin Capital believes that the acquisition of Tietto represents an attractive opportunity to expand its business overseas and to improve the overall profitability of Zhaojin Mining's operations.

If the Offer is successful, Zhaojin Capital intends to support and accelerate the growth of Tietto, including, but not limited to, the development of the Abujar Gold Mine and continued exploration in Cote d'Ivoire, Liberia and other regions.

6.3 Intentions for Tietto as a wholly-owned controlled entity

This section 6.3 describes Zhaojin Capital's intentions if Zhaojin Capital and its associates acquire a relevant interest in 90% or more of the Shares, and so becomes entitled to proceed to compulsory acquisition of outstanding Shares in accordance with Part 6A.1 of the Corporations Act.

In that circumstance, Zhaojin Capital's current intentions are as follows:

(a) **Corporate matters**

Zhaojin Capital intends:

- to proceed with compulsory acquisition of the outstanding Shares in accordance with the provisions of Part 6A.1 of the Corporations Act, including any Shares which are issued after the close of the Offer as a result of the exercise of Options or vesting of Performance Rights (see section 4.7 of this Bidder's Statement);

- to thereupon arrange for Tietto to be removed from the official list of the ASX;
- to replace the members of the Tietto Board with the nominees of Zhaojin Capital. Replacement members for the Tietto Board have not yet been identified by Zhaojin Capital and their identity will depend on the circumstances at the relevant time. However, it is expected that the majority of the replacement members for the Tietto Board will be members of the Zhaojin Capital management team; and
- to retain Tietto's management personnel unless termination is in accordance with the ordinary course of business.

In addition, if Zhaojin Capital becomes entitled to exercise the general compulsory acquisition right under Part 6A.2 of the Corporations Act, it may exercise those rights to compulsorily acquire or cancel any outstanding Performance Rights and Options then on issue in accordance with the provisions of Part 6A.2 of the Corporations Act.

(b) **General operational review**

After the end of the Offer Period, Zhaojin Capital intends to conduct an immediate, broad-based review of Tietto's operations on both a strategic and financial level to:

- evaluate Tietto's performance, profitability and prospects;
- review Tietto's growth drivers and identify areas for improvement; and
- establish a comprehensive plan to achieve or exceed best opportunity for value creation for all Tietto Shareholders and Zhaojin Capital.

In the course of this review, Zhaojin Capital intends to focus on a number of key specific areas including (but not limited to):

- monitor the operation of the Abujar Gold Mine, which achieved commercial production on 6 July 2023;
- continue the aggressive and low-cost drilling program to explore and build resources at largely unexplored gold corridors near the Abujar Gold Mine;
- assess the potential for the current process plant to reach full production capacity at the Abujar Gold Mine; and
- support Tietto to obtain mining and exploration licences in other areas near the Abujar Gold Mine, Cote d'Ivoire, Liberia and other regions.

(c) **Impact on Employees**

Following completion of the Offer, Zhaojin Capital will conduct a detailed review of Tietto's operations, assets, structure, strategy and employees for the implementation of the above intentions.

Zhaojin Capital considers Tietto's employees to be an integral part of Tietto's operations. Whilst there are no current plans to reduce the numbers of employees employed in Tietto's operations, it is possible that certain operational functions, for example, those relating to the maintenance of Tietto's listing on the ASX, will become redundant. Some job losses may occur as a result, however, the incidence, extent and timing of such job losses cannot be predicted in advance.

Where possible, Zhaojin Capital will seek to minimise job losses through redeployment of the relevant employees elsewhere in Tietto's business or

Zhaojin Mining. If redundancies do occur, the relevant employees will receive benefits in accordance with their contractual and other legal entitlements.

6.4 Intentions for Tietto as a part-owned controlled entity

The Offer is subject to a 50.1% minimum acceptance condition.

This section 6.4 describes Zhaojin Capital's intentions if Tietto becomes a controlled entity of Zhaojin Capital, but Zhaojin Capital is not entitled to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act.

In that circumstance, Zhaojin Capital's current intentions are as follows:

(a) Corporate matters

After the end of the Offer Period, Zhaojin Capital intends:

- to retain the Australian members of the Tietto Board. However, subject to the Corporations Act and the constitution of Tietto, it may, over time, seek to replace some of the members of the Tietto Board with nominees of Zhaojin Capital, so that the proportion of such nominees is broadly similar to the voting power of Zhaojin Capital. Zhaojin Capital would consider the recommendations in the ASX Corporate Governance Guidelines when determining the composition of the Tietto Board. Replacement members for the Tietto Board have not yet been finally decided by Zhaojin Capital and their identity will depend on the circumstances at the relevant time. However, it is expected that the majority of the replacement members for the Tietto Board will be members of the Zhaojin Capital management team; and
- subject to continued compliance by Tietto with the Listing Rules, to maintain Tietto's listing on the ASX (although Tietto Shareholders should be aware that in this circumstance the liquidity of Shares on the ASX may be materially adversely affected).

It is possible that, even if Zhaojin Capital is not entitled to proceed to compulsory acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general compulsory acquisition under Part 6A.2 of the Corporations Act; for example, as a result of acquisitions of Shares in reliance on the '3% creep' exception in item 9 of section 611 of the Corporations Act. If so, it intends to exercise those rights.

(b) General operational review

After the end of the Offer Period, Zhaojin Capital intends to propose to the Tietto Board that an immediate, broad based review of Tietto's operations be conducted on both a strategic and financial level, along similar lines to that described in section 6.3(b).

Zhaojin Capital intends, subject to the approval of the Tietto Board, to participate in this review.

Zhaojin Capital has not determined the scope of any staff changes. If there are any actions to be taken as an outcome of the general operational review, applicable employment laws will be complied with. However, subject to the outcome of the general operational review noted above, it is not Zhaojin Capital's current intention to make any material redundancies.

(c) Dividends and funding

Zhaojin Capital will review the level of dividends payable by Tietto (if any) to ensure that these dividends are appropriate, having regard to any capital funding requirements of Tietto identified in Zhaojin Capital's strategic review.

(d) Limitations in giving effect to intentions

The ability of Zhaojin Capital to implement the intentions set out in this section 6.4, will be subject to the legal obligations of Tietto directors to have regard to the interests of Tietto and all Tietto Shareholders, and the requirements of the Corporations Act and the Listing Rules relating to transactions between related parties. Zhaojin Capital will only make a decision on the abovementioned courses of action following legal and financial advice in relation to those requirements.

6.5 Intentions for Tietto if not controlled by Zhaojin Capital

Zhaojin Capital reserves its right to declare the Offer free from the 50.1% minimum acceptance condition (or any other condition) to the Offer. However, it has made no decision as to whether it will do so.

This section 6.5 describes Zhaojin Capital's intentions if it were to declare the Offer free of the 50.1% minimum acceptance condition and if Tietto does not become a controlled entity of Zhaojin Capital.

In that circumstance:

- (a) Zhaojin Capital does not expect to be in a position to give effect to the intentions set out in sections 6.3 or 6.4 of this Bidder's Statement (although it may seek to do so to the extent it is able to); and
- (b) Zhaojin Capital's current intention is to continue to hold any stake in Tietto with a view to maximising returns for Zhaojin Capital's shareholders (this may result in Zhaojin Capital acquiring additional shares, to the extent permitted by law).

6.6 Other intentions

Subject to the matters described above in this section 6 and elsewhere in this Bidder's Statement and, in particular, the completion of the strategic review of Tietto's operations, it is the intention of Zhaojin Capital, on the basis of the facts and information concerning Tietto that are known to it and the existing circumstances affecting the assets and operations of Tietto as at the date of this Bidder's Statement, that:

- (a) the business of Tietto will be conducted in the same manner as at the date of this Bidder's Statement;
- (b) there will be no redeployment of the fixed assets of Tietto; and
- (c) the present employees of Tietto will continue to be employed by Tietto.

7 Tax considerations

7.1 Introduction

The following is a general description of the Australian income and capital gains tax consequences for Tietto Shareholders who accept the Offer. The comments set out below are relevant only to those Tietto Shareholders who hold their Shares on capital account. Shareholders who hold their Shares for the purposes of speculation or a business of dealing in securities (e.g. as trading stock) or who acquired their Shares pursuant to an employee share or option plan should seek their own advice.

Tietto Shareholders who are tax residents of a country other than Australia (whether or not they are also residents, or are temporary residents, of Australia for tax purposes) should take into account the tax consequences under the laws of their country of residence, as well as under Australian law, of acceptance of the Offer.

The following description is based upon the Australian law and administrative practice in effect as at the date of this Bidder's Statement, but it is general in nature and is not intended to be an authoritative or complete statement of the laws applicable to the particular circumstances of every Tietto Shareholder. Tietto Shareholders should seek independent professional advice in relation to their own particular circumstances. The description in this section does not constitute tax advice, and is not intended to and should not be used or relied upon by anyone, and Zhaojin Capital accepts no duty of care to any other person or entity. Each Tietto Shareholder should consult their own tax adviser regarding the consequences of acquiring, holding or disposing of their shares.

7.2 Australian resident shareholders

(a) **Shareholders who accept the Offer**

Acceptance of the Offer will involve the disposal by Tietto Shareholders of their Shares by way of transfer to Zhaojin Capital. This change in the ownership of the Shares will constitute a CGT event for Australian CGT purposes.

(b) **Date of disposal**

The date of disposal for CGT purposes will be the date that the contract to dispose of the Shares is formed.

(c) **Compulsory acquisition**

If a Tietto Shareholder does not dispose of their Shares under the Offer and their Shares are compulsorily acquired in accordance with Part 6A.1 of the Corporations Act, those Shareholders will also be treated as having disposed of their Shares for CGT purposes.

The date of disposal for CGT purposes will be the date when Zhaojin Capital becomes the owner of the Shares.

(d) **Calculation of capital gain or capital loss**

Tietto Shareholders may make a capital gain or capital loss on the transfer of Shares, to the extent that the capital proceeds from the disposal of the Shares are more than the cost base (or in some cases indexed cost base) of those Shares. Conversely, Tietto Shareholders will make a capital loss to the extent that the capital proceeds are less than their reduced cost base of those Shares.

The cost base of the Shares generally includes the cost of acquisition and any incidental costs of acquisition and disposal that are not deductible to the

shareholder. We recommend that you consult your tax adviser to confirm the cost base or reduced cost base of Your Shares.

The capital proceeds of the capital gains tax event will include the consideration price of A\$0.58 per Share received by the Tietto Shareholder in respect of the disposal of the Shares.

Individuals, complying superannuation entities or trustees that have held Shares for at least 12 months but do not index the cost base of the Shares should be entitled to discount the amount of the capital gain (after application of capital losses) from the disposal of Shares by 50% in the case of individuals and trusts or by 33% for complying superannuation entities. For trusts the ultimate availability of the discount may depend on a beneficiary's entitlement to the discount.

Capital gains and capital losses of a taxpayer in a year of income are aggregated to determine whether there is a net capital gain. Any net capital gain is included in assessable income and is subject to income tax. Capital losses may not be deducted against other income for income tax purposes, but may be carried forward to offset against future capital gains.

7.3 Non-resident shareholders

For a Tietto Shareholder who:

- (a) is not a resident of Australia for Australian tax purposes; and
- (b) does not hold their Shares in carrying on a business through a permanent establishment in Australia,

the disposal of Shares will generally only result in Australian CGT implications if:

- (c) that shareholder together with its associates held 10% or more of the Shares at the time of disposal or for any continuous 12 month period within two years preceding the disposal; and
- (d) more than 50% of Tietto's value is due to direct or indirect interests in Australian real property, which is defined to include mining and exploration leases and licences.

A shareholder that, together with its associates, owns, or has for any continuous 12 month period within two years owned, 10% or more of the issued share capital of Tietto should obtain independent advice as to the tax implications of sale, and whether any protection will be available under a relevant double tax treaty.

A non-resident Tietto Shareholder who has previously been a resident of Australia and chose to disregard a capital gain or loss on ceasing to be a resident will be subject to Australian CGT consequences on disposal of the shares as set out in section 7.2.

Where a non-Australian resident disposes of certain taxable Australian property, the purchaser is required to withhold 12.5% of the purchase price, and remit that amount to the ATO. While Zhaojin Capital does not expect this withholding tax to be applicable to the acquisition of Shares in Tietto, non-resident Tietto Shareholders should obtain their own independent tax advice (including the provision of a no withholding declaration as may be applicable).

7.4 Goods and services tax

Holders of Shares should not be liable to GST in respect of a disposal of those Shares.

Tietto Shareholders may be charged GST on costs (such as advisor fees) that relate to their participation in the Offer. Tietto Shareholders may be entitled to input tax credits or

reduced input tax credits for such costs, but should seek independent advice in relation to their individual circumstances.
