About Openn Negotiation

Openn Negotiation Limited (ASX: **OPN**) is an Australian property technology company offering a proprietary cloud-based software platform to support real estate agents in selling property online with greater transparency.

The Openn platform facilitates a negotiation process, featuring streamlined digital contracting and automated communication tools, which enhances a property transaction. The solution provides buyers with real-time feedback through their device on how much competition exists and where their price stands in the negotiation, resulting in an optimal sales outcome.
