About Taiton Resources Limited

Taiton Resources Limited (ASX: T88) is an early-stage mineral exploration and development company with a portfolio of projects across South Australia and Western Australia, comprising the following:

- (a) **Highway Project** – total land holding of 2,930 sq km, located in South Australia,
- (b) **Lake Barlee Project** – total land holding of 668.7 sq km, located in Western Australia;
and
- (c) **Challenger West Project** – total land holding of 997 sq km, located in South Australia.

Taiton Resources Limited (ASX: T88) project locations.

The Company's initial focus is at the Highway Project where magmatic-hydrothermal mineralisation has been identified at shallow depth and is interpreted to have formed at the same time as the world-class Olympic Dam deposit.
