

Investor Webinar Presentation

Jindalee Lithium Limited (Jindalee or the Company) is pleased to announce its participation in the ShareCafe Small Cap "Hidden Gems" Webinar, to be held Friday 1 December 2023 from 12:30pm AEDT/ 9:30am AWST.

Lindsay Dudfield, Executive Director, will provide an overview of the Company which has a continued track record of successful mineral exploration and development. The Company's flagship project is the McDermitt Lithium Project in south-east Oregon, USA, currently the largest lithium deposit (by contained lithium) in the United States¹.

This webinar can be viewed live via Zoom and will provide viewers the opportunity to hear from, and engage with, a range of ASX-listed leading micro/mid cap companies.

To access further details of the event and to register at no cost, please copy and paste the following link into your internet browser:
