Board Changes

New Zealand Coastal Seafoods Limited (ASX:NZS) advises that Evan Hayes has resigned with immediate effect in order to devote more time to his other business interests. The Board thanks and recognises the contribution Mr Hayes has made to the development of the Company.

NZS is pleased to advise that Ivan Wu has been appointed as a director of the Company in place of Mr Hayes.

Mr. Wu graduated with a Bachelor of Science in Computer Science from Curtin University (Australia) and possesses over two decades of professional experience in commercial and corporate finance within the utility, technology, and resource sectors. As the founder and principal advisor of ICW Capital, a corporate advisory firm based in Perth, Mr. Wu has been actively engaged in recent years in corporate advisory roles. Mr. Wu has held executive and non-executive positions with entities such as ClearVue Technologies Ltd (ASX: CPV), iGlobal Holdings Ltd (NSX: IGH), iCandy Interactive Ltd (ASX: ICI), Swift Resources Ltd, and Legacy Iron Ore Ltd (ASX: LCY).

This announcement has been authorised for release by Peter Chai, Managing Director, New Zealand Coastal Seafoods Limited.

About New Zealand Coastal Seafoods (ASX: NZS):

New Zealand Coastal Seafoods is a producer of premium seafood products and nutraceutical marine ingredients. Through its New Zealand-based operations, NZCS is unlocking significant opportunities in the global nutraceutical market, estimated to be valued at US\$396.29Bn in 2021 and anticipated to grow at a CAGR of 5.2% between 2022 and 2030¹. The NZ-based operations harness the country's pristine waters and utilise raw ingredients sourced from sustainably managed fisheries, employing a nose-to-tail philosophy, to create high-value products.

NZCS' Australian operations, Nine Ocean, is a premium seafood provider focused on responsible sourcing of seafood products from the Torres Strait and the Coral Sea, operating a purpose-built export standard processing facility in Cairns. Via sustainable management practices, the group processes, sells and distributes high-end seafood products. Products are wild caught, traceable and caught under a series of unique fishing licenses. Its fishery has been assessed and verified for sustainability, ensuring minimal impact on the wild fish population and the broader ecosystem.
