Director Appointment

Artemis Resources Limited (ASX/AIM: ARV) is pleased to announce the appointment of Mr Christopher Kelsall as a Director of the Company with immediate effect.

Chris has over 30 years' international commercial and corporate finance experience, with leadership roles spanning business development, finance, strategy, transformation, operations, risk management and external stakeholder relations.

Chris spent 15 years in equity capital markets advisory roles, primarily at Deutsche Bank and ABN AMRO Rothschild in London, Sydney and Hong Kong. He has subsequently held executive and non-executive positions in several sectors, including clean tech, banking, resources and energy.

Chris commenced his career as a commercial solicitor, initially at Parker & Parker (now Herbert Smith Freehills) in Perth, Western Australia, and subsequently within the corporate team at its then Sydney affiliate, Allen Allen & Hemsley.

He holds degrees in Economics and Law from the University of Western Australia and a Masters in Finance from London Business School.

The Board takes this opportunity to thank Dr Simon Dominy who resigns as a Director of the Board with effect from today's date.

This announcement was approved for release by the Board.
