

ASX Announcement | 31 January 2024

Ora Launches Investor Hub

Ora Gold Limited (**ASX: OAU**, “Ora” or the “Company”) is pleased to announce the formal launch of the Ora Investor Hub. The Investor Hub is a dedicated platform for shareholders and investors to learn more about Ora and the Company’s latest activities.

In line with our commitment to deliver transparency to all investors, Ora will be regularly uploading new content to the Investor Hub, including videos accompanying select announcements, activity updates, interviews and corporate research.

We encourage investors to post questions and feedback through the Q&A function accompanying each piece of content and engage directly with the Ora team.

Visit the Investor Hub here: <https://investorhub.ora.gold/>

How to sign up for the Ora Investor Hub:

1. Visit <https://investorhub.ora.gold/>
2. Follow the prompts to sign up for an Investor Hub account.
3. Complete your account profile and link your shareholdings if you are a current shareholder.

Alex Passmore Ora Gold’s CEO commented:

“Our interactive Investor Hub is for our shareholder community, investors, and those wanting to keep up to date with all things Ora. The hub is a place to have your voice heard by interacting with our announcements and updates, and to watch our latest videos. You can ask questions, add comments, and we will endeavour to respond to your queries.”

The announcement has been authorised for release to ASX by the Board of Ora Gold Limited.

About Ora Gold

Ora Gold Limited (ASX:OAU) is a mineral exploration and development company which holds a substantial package of tenements in the prolific Murchison goldfield near Meekatharra, Western Australia.

The Company is focused on the Garden Gully Gold Project which comprises a 677km² tenure package covering the Abbotts Greenstone Belt and other key regional structures. The project has multiple gold prospects along the belt with the most advanced being the Crown Prince Prospect.

Gold mineralisation in the belt is controlled by major north trending structures and contact zones between felsic and mafic metamorphosed rocks.

Crown Prince Prospect is located within a granted mining lease and is advancing towards development.
