ASX and Media Announcement

Summary for the Quarter Ended 31 December 2023

iCandy Interactive Ltd (ASX: ICI) ("**iCandy**" or the "**Company**") is pleased to provide the quarterly summary of its activities for the quarter ended 31 December 2023 ("**Quarter**").

During the Quarter, iCandy recorded a cash receipt of A\$6.7 million, slightly lower than A\$7.7 million recorded in the previous quarter. This was mainly attributable to slower cash receipts at iCandy's wholly-owned Lemon Sky Studios, arising from lower billing as a result of a slower pace of activities in the lead-up to the year-end holiday season.

Meanwhile, our net cash used in operating activities stood at A\$1,171,000 versus a net positive cash from operating activities of A\$735,000 in the previous quarter, as iCandy increases activities for its operations in a reaction to improving Web3.0 environment during the Quarter, as well as in preparation for few upcoming launches of projects slated for 2024. The management feels that it will be a busy year for 2024 and is preparing to scale up its operations.

Management remains committed towards driving its on-going strategic optimisation of costs to reduce non-essential expenses via a corporate wide cost review and right-sizing initiatives which had commenced in early 2023.

We are also pleased to announce some progress updates on one of our Web3.0 projects:

Snaky Cat

In collaboration with Animoca Brands, we are pleased to announce that we had recently launched 'Snaky Cat', a multiplayer Web3.0 title where players control a unique feline with a snake-like body that feasts on food to grow even longer. The game was launched on Base chain, a technology initiative incubated by Coinbase.
